All Must Pay Fare. WHOLESALE ARREST OF LEGISLATORS RIDE ON PASSES.

Johnstown, Pa., Jan. 23. The details of a scheme were concluded here this evening, which promises to result in startling surprises to some of the members of the Pennsylvania Legislature. The plan is a wholesale arrest of the members of both Houses who ride on free passes.

Several prominent reformers are at the head of the scheme, one of whom is a resident of Philadelphia, while another lives in Pittsburg. The plan of procedure is as follows:

Three or four trusted men will be sent Harrisburg, where they will spend several weeks in getting acquainted with all the members of both Houses.

They will be under the charge of one person, to whom they will make regular daily reports. Whenever it is learned that any member of the Legislature is going away on the train one man will be detailed to follow him, and will take note of the fact whether or not he offers a pass, and also the name of the conductor and the number of the train on which he is a passenger. At the close of each week all those on duty will leave Harrisburg, and follow the members as far as necessary to complete their observations. Two men have been on duty ever since the Legislature convened. They have made trips over all the roads from one end of the State to the other.

As soon as the fact regarding a member are fully obtained, no more attention will be paid to him. Thus the list will be gone over until all have been scanned. Scarcely one member in 20 has been found who does not ride on a pass.

The best legal talent has been secured, from whom an opinion has been given that those who take passes will be indictable under Section 15 of Article 2 of the Constitution, on the charge of violating their oath of office. The oath is violated if they take passes, which the Constitution strictly forbids, while in their oath they swear to defend and obey the Constitution.

Among the few omitted from the list from Philadelphia are one of the Democratic members and two Republicans. The report of the preliminary committee shows that Henry W. Fishel of York County, pays his fare. The same is said to be true of Jerome B. Niles, of Tioga.

What is CASTORIA. Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children. Dr. G. C. Osmond, Lowell, Mass. "Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. Archer, M. D., 111 So. Oxford St., Brooklyn, N. Y. "Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it." UNITED HOSPITAL AND DISPENSARY, Boston, Mass.

Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves. Dr. J. F. Kincheloe, Conway, Ark. ALLEN C. SMITH, Pres., The Centaur Company, 77 Murray Street, New York City.
