J. W. Perry's popular summer resort known as Elk Run House, was destroyed by fire last Sunday afternoon. The origin of the fire is a mystery. Mr. Perry and daughter being the only ones home, the others were at church. Loss is estimated at \$2,000. Insured for \$1,600. Mr. Perry will no doubt rebuild as early as possible.

Rain or storm, hail or snow, the letter carrier must be out toiling along the slushy streets. His duty compels him to face the pitiless storm, and rheumatism is frequently the result of exposure. This, however may be readily cured by Salvation Oil, the best of liniments.

M. L. KLINE, THE HARNESS MAKER.

M. L. Kline who moved into the Fox building near corner of Main and East street with his harness store deserves special mention. He learned his trade in this town about eighteen years ago, and soon after moved to Orangeville where he carried on successfully the business of harness making. The death of his father-in-law, Mr. A. W. Fry, leaving the widow alone, induced him to remove to Bloomsburg. He is a first class workman, industrious and persevering. Many of the traveling men and farmers throughout the county can testify to the worth of his harness and will endeavor to patronize him wherever he can be found. Any work entrusted to him will be positively guaranteed to give satisfaction. He has on hand a large stock of robes and blankets and is offering them at special low prices—it will pay to call and get his prices. In whips he will not be excelled by any one, while in saddles, when the season opens he will have the finest stock from which to select. After April 1st an additional room will be given him, when he can make a much finer display.

Hymeneal.

On Thursday evening, Feb. 23, about ninety invited guests assembled at the residence of Mr. Herring of Orangeville to witness the marriage of his daughter Anna M. to Mr. Frank Fester. While the wedding march was played by Miss Mary Houtz, the bride and groom presented themselves before the officiating minister Rev. A. Houtz. The congratulations bestowed were hearty and numerous. The hospitality of the family was certainly equal to the occasion. The luncheon was well arranged and well served by the young gentlemen and ladies attending to this part of the programme. Many valuable and beautiful articles were given as tokens of sincere regard and personal esteem. The bride and groom took the early train on Friday morning for Philadelphia and New York. Wish them a pleasant trip, a safe return, and a long and happy wedded life.

On February 27th, at the residence of the bride on Railroad street Mr. William H. Shaffer, of Ashley Luzerne county Pa., and Miss Alice M. Krum of Bloomsburg, Pa., were quietly united in marriage by the Rev. C. H. Brandt, Pastor of Trinity Reformed Church, Bloomsburg, Pa.

It is a truth in medicine that the smallest dose that performs a cure is the best. DeWitt's Little Early Risers are the smallest pills, will perform the cure, and are the best. W. S. Rishton, Druggist. 10-14 1/2 yr.

There came near being a sudden death in the office of J. H. Levergood, the real estate and insurance man, No. 35 West Third street, shortly after dinner to-day.

The victim was William Shirley, an aged resident of Montoursville, and for a time his life seemed to hang by a slender thread. Mr. Shirley and his wife came to town to day to look for a house, and at noon he ate an unusually hearty dinner. After the meal had been disposed of they went to Mr. Levergood's office, and while sitting in a chair Mr. Shirley's head suddenly dropped over and he became motionless and pale. The people in the office at the time were frightened half out of their wits, but restoratives were at once applied and Dr. L. G. Baker sent for. When the physician arrived Mr. Shirley's fingers were blue and there was hardly any pulsation.

The doctor worked with him for an hour before consciousness returned, and he stated afterward that at one time respiration entirely ceased. It was a narrow escape from death, and prompt and faithful work only saved his life. It was a case of heart failure, and, although Mr. Shirley has had slight attacks before there never was any that near approached this one in severity. Mr. Shirley is seventy-two years of age.—Williamsport Republican, Feb. 24th.

Beware of Ointments for Catarrh that contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surface of the system. In buying this remedy be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 25c per bottle. 3-3 1/2

PETITIONS FOR CHURCH MEMBERS.

On Sunday morning Rev. P. A. Heilman, before proceeding with his sermon read a petition requesting that some action be taken, in concurrence with the Methodist and Presbyterian churches, in reference to the enacting of a local option law for the State of Pennsylvania. The purpose of the Act is to provide that in whatever localities desirable they may regulate by vote the sale of liquors. A second petition was read direct to Governor Pattison asking that he shall not allow the Sunday laws to be interfered with, but in order to further strengthen the law, a penalty of \$25.00 for any violation of the law should be imposed. After the reading of the petitions a vote was taken, and nearly the whole congregation arose, expressing their approval. The result of the vote will probably be forwarded to the Governor, and presiding officers of the Legislature.

Rupture

J. A. SHERMAN, Hernia Specialist, respectfully notifies the public, especially the many who have called at his New York office during his absence, that he has returned from his European office, London, England, where his successful treatment and the marvelous cures resulting from it, received the approbation of the most eminent Surgeons of Europe. His fame soon spread, crowding the London office with the victims of Hernia anxious for relief. Patients who had endured long years of suffering came to consult him from India, Russia, Germany, Belgium, France and other countries. The remarkable cures made in London of chronic cases of patients, who had been at the various hospitals and under the care of the most eminent English Surgeons without obtaining relief, consulted J. A. Sherman, and were at once relieved and eventually restored to a state of soundness through his method to the astonishment of the eminent Surgeons who had formerly treated them. In the case of Mr. Henry James, who had been a great sufferer for over 20 years, his wonderful and complete cure was certified to by that distinguished Surgeon and operator on rupture at Kings College, John Wood, F. R. S., F. R. C. S., F. R. C. C., also Dr. Edward Bellamy, Fellow of the Royal College of Surgeons, Surgeon to Charing Cross Hospital, etc., Sir Henry Thompson, Surgeon at University College, London, and others. J. A. Sherman's extensive practice in the treatment of Hernia in its various forms with a success unparalleled in all previous ages, is of the highest value to those who are afflicted with rupture, and are and hope to be once more sound. In J. A. Sherman's treatment there is no operation or restriction from labor, while there is relief from the torment and injury of wearing trusses and security from that terrible condition known as strangulated rupture, to which every victim of hernia is daily subject. His Book of Information and Indisputable proofs is mailed to those who send 10 cents. His Book of Photographic likenesses, showing the condition of patients before and after treatment and cure, is sent by express on receipt of 25 cents. Call on or address.
