SUNDAY SCHOOL CONVENTION.

The twenty-fourth annual convention of the Columbia county Sabbath School Association was held at Millville in the Free Church beginning on Wednesday, May 24th, 1893.

The first session was opened at ten o'clock with devotional exercises, conducted by Rev. G. V. Savidge and music led by a choir of local talent in charge of Prof. J. Emroy Eves, who had been selected musical director of the convention.

Prof. Eves then extended a hearty welcome and warm greeting to the officers, delegates and visitors in the name of the citizens of Millville, bidding all to feel at home while with them. Mr. M. I. Low, President of the Association, made a very earnest and beautiful response to this friendly welcome and the convention proceeded at once to business by calling the roll of officers. Five responded. A letter was read from Rev. Heilman, first vice president, stating that his attendance at the meeting of the Synod of his church as cause of his absence. Miss Eva Rupert, Recording Secretary, was in attendance at General Assembly of Presbyterian Church at Washington, D. C., and Miss Annie Elliot was present as her substitute. Minutes of last meeting and of the several meetings of the Executive Committee read by Mr. Spear, and after reviewing work reported done by the committee during the year, approved without change. After a selection of music, the first topic on the program, "Hindrances to the work," was opened by Mr. H. R. Bower, and ably discussed by many present, bringing out the many drawbacks to the Sunday School work as felt by those taking part, the chief of which were: "Adverse criticisms on the work of the officers," "Repeated absence of teachers," "Indifference on the part of old-

er people in the community." "Lack of financial support," "Sunday visiting," "Want of co-operation," and "Failure to appreciate the magnitude of the work." At the close of this discussion the convention adjourned with Doxology and prayer by Rev. Straub of Orangeville.

AFTERNOON SESSION.

At the close of this session the officers and delegates were profuse in praise of the royal entertainment received at the homes of the Millville people and all seemed to have become most intimately acquainted and were ready for that hearty co-operation that tends to make all meetings of this nature a success. The opening exercises were followed by the teaching of next Sabbath's lesson by H. V. White. Mr. White had brought his class of twelve young ladies from the Presbyterian Sunday School of Bloomsburg to give them an opportunity to enjoy the convention, and the very earnest, careful and interesting treatment of the lesson proved conclusively that this class were accustomed to the study of the Bible and were familiar with its contents.

After appointing committees and hearing a very choice recitation by Miss Mattie Eves, the first subject on the program, "The Teacher's One Text Book," was very ably discussed by Rev. I. N. Patterson, of Bloomsburg. He referred to Mr. White's class as having all been brought to Christ and into the church within the last two years and said their faces were familiar in the mid-week prayer meeting and at all the church services. They were earnest students of that one Text Book, the Bible. After hearing report of corresponding secretary, Mr. Spear, and a recitation by Miss Carrie Taggart, the session closed with Doxology and Benediction by Elder Strickland.

EVENING SESSION.

After an excellent rendition of that noble production of Schuyler Colfax, "A Plea for Temperance," by Ralph Kiser, the convention was entertained, instructed and elevated by Rev. Dr. J. Richards Boyle, Pastor of Franklin street M. E. Church, Wilkes-Barre, who held the large audience for one hour and a half in rapt attention to his justly celebrated sermon on "The Persistency of the Divine Word," taking his text from 1 Peter 1 chapter, verse 25. Space will not permit proper comment on this most masterly argument but could all the infidels and skeptics of our county have heard him the profit to the community would have been incalculable. At the close of the session Prof. Sprekel, State Secretary, arrived on the late train and in his usual cheery manner assured all that he hoped to be on hand to help tomorrow.

THURSDAY MORNING SESSION.

The devotional exercises were very interesting and instructive, Subject "Jesus in the Midst" was ably conducted by Rev. Stephens, of Berwick, making prominent the thought that "One of the very best ways to have Jesus in the midst is to always have him with you."

The roll call showed 76 schools represented by 154 delegates and contributions \$137.44, an increase of twelve schools and 33 delegates over last year's attendance and \$44.97 in the contributions, thus clearly demonstrating the growing interest in the work. After a recitation by Miss Bernice Eves, and singing by the congregation, Prof. Sprekel took up the subject "Preparation by the teacher." He treated it at length and in a very pleasant and interesting manner under the following head—1. Every teacher must be a Christian. 2. Preparation is a condition of success. 3. The teacher must know the nature of the material he uses—i. e. It is just as important to know what not to teach as to know what to teach. 4. The teacher must study the pupils not only in the class but by visiting them in their homes. After social moments the convention was given a rare treat by Mrs. Mary A. Hogue on the subject of "How should we bring our pupils to Christ." Her thoughts may be expressed in these words, "The love of Christ constraineth—Stay side by side with Christ and

you will be a permanent magnet, and like him, will draw all men unto you." After report of I. E. Edwards, delegate to the State Convention, the amendments to the constitution were passed upon and the reports of the Township Presidents and the committees of the convention were received and an adjournment taken till 2 P. M.

AFTERNOON SESSION.

After devotional exercises the convention proceeded to the election of officers for the ensuing year as follows: President, M. I. Low, Lime Ridge; Vice Presidents, Rev. P. A. Heilman, Bloomsburg. Rev. D. B. Dechant, Catawissa, Mr. Reily Kline, Berwick; Recording Secretary, Miss Eva Rupert, Bloomsburg; Assistant, Miss Martha Powell, Bloomsburg; Corresponding Secretary, A. W. Spear, Cabin Run; Treasurer, Mrs. Anna McHenry, Stillwater; Delegates State Convention, H. V. White, Bloomsburg; Alternate, O. F. Ferris, Berwick.

TOWNSHIP VICE PRESIDENTS.

Whitmoyer; Roaringcreek, A. W. Whitner; Scott, Silas Young; Sugarloaf, A. L. Fritz.

Prof. Sprekel then took up the subject of reviews and urged upon all the importance of constant reviews for the purposes of testing the teachers work, testing the scholar and sending the lesson home. After singing by the congregation and a solo by Prof. Sprekel, answers to questions on Primary were taken up by the Professor or a few moments before he left to take the train for another field of action. In the open Parliament, "Helps to the work" was discussed by Rev. Straub and many of the delegates, becoming a very interesting part of the program. After a short talk on Loyal Legion work by Mr. Trescott, the subject "Impressions of the Convention" became an interesting feature for a short time followed by well timed remarks on Consecration by Mr. H. R. Bower. After singing, and prayer by Mr. Paul Tustin, the convention adopted the report of the committee on Resolutions and the committee on place fixing Bloomsburg for the next meeting and adjourned by singing "God be with you till we meet again." The attendance at this Convention was very large, the house being crowded at every session. The town was well filled with delegates and visitors but the good people of Millville were prepared for all these, giving to each and every one such a hearty greeting and such homelike and kindly entertainment that all will carry with them many pleasant memories of their sojourn in this very pleasant village.

Attention

In time to any irregularity of the Stomach, Liver, or Bowels may prevent serious consequences. Indigestion, costiveness, headache, nausea, biliousness, and vertigo indicate certain functional derangements, the best remedy for which is Ayer's Pills. Purely vegetable, sugar-coated, easy to take and quick to assimilate, this is the ideal family medicine—the most popular, safe, and useful aperient in pharmacy. Mrs. M. A. BROCKWELL, Harris, Tenn., says: "Ayer's Cathartic Pills cured me of sick headache and my husband of neuralgia. We think there is

No Better Medicine,

and have induced many to use it. "Thirty-five years ago this Spring, I was run down by hard work and a succession of colds, which made me so feeble that it was an effort for me to walk. I consulted the doctors, but kept sinking lower until I had given up all hope of ever being better. Happening to be in a store, one day, where medicines were sold, the proprietor noticed my weak and sickly appearance, and after a few questions as to my health, recommended me to try Ayer's Pills. I had little faith in these or any other medicine, but concluded, at last, to take his advice and try a box. Before I had used them all, I was very much better, and two boxes cured me. I am now 80 years old; but I believe that if it had not been for Ayer's Pills, I should have been in my grave long ago. I buy 6 boxes every year, which make 210 boxes up to this time, and I would not be without them than without bread."—H. H. Ingraham, Rockland, Me.

LOOK THIS WAY!

TO Farmers and the PUBLIC—in- General.

We wish to say that we are still manufacturing and dealing in Agricultural implements at Orangeville, Pa., and certainly from long experience we should know the wants of the Farmers and public in general. And, in this connection we wish to say that all machinery we manufacture or handle is equal to any on the market, and sold at lowest prices.

We make a good cast head Land Roller, which every Farmer should have. Also Plows Scotch Harrows, Cultivators, Wood Saws, Corn Shellers, and Feed Cutters, and a specialty of Horse Power Threshing Machinery. Then we handle the "Empire" Fertilizer, Grain Drill and Hay Rake, "Hench's" Walking and Riding wheel Cultivators, "Woods" Harvesting machinery (which needs no recommendation), single and double Corn Cultivators, Engines and Saw Mills etc. Lastly we wish to show up the **New Deerfield Lever Harrow** the only one that has a separate adjustment for each tooth independent of the levers. The only four lever Harrow on the market whereby the two centre sections can be let down in a dead furrow, or any one or more of the four sections can be raised and the balance of the teeth kept at work, frame at all times being level. It has a self coupling hinge, no bolts or pieces to lose, with circular steel eveners to equalize draft while turning corners. This Harrow is no experiment with us, and will be put out on their merits same as any other goods.

We also make and carry a large stock of Plow repairs, also an endless variety of other implement repairs. We are also prepared to do almost any kind of saw or grist mill repairing (having recently put in new Iron Lathe and boring machinery etc. We also carry a full line of dressed building lumber. We appreciate the patronage of the public in the past and covet a continuance of the same in the future and will be glad to have any one call to see us, or answer their inquiries for anything in our line and will quote lowest prices.
