By Prof. L. P. Sterner, for

At this season of the year when so many ladies are planning their prospective trips to the country, the question naturally arises in regard to an appropriate traveling costume, which ex-perience teaches is an indispensable garment for every woman tourist to possess. Moreover, a well ordered wardrobe presupposes in addition, an outing costume. The selection of the latter is a problem of no mean importance, for it consists in finding a model both stylish and comfortable and which may, at the same time, prove a judicious economy. On the other hand lovers of out-door pastimes are in quest of novel designs for garden parties and tennis costume, while for those who prefer our fashionable watering resorts, a bathing suit is, of course, de riqueur. Now, since all the above essentials of a summer outfit follow the dictate of Fashion, and since there is, nowadays, as much style in a bathing or tennis suit as in a traveling or outing costume, one is obliged to conform to the cur rent modes. The McDowell Fashion Magazines are precisely calculated to the desired information on these matters, for they contain the best and largest variety of new models direct from Paris. "La Mode de Paris" and "Paris Album of Fashion" each cost \$3.50 per annum, or 35 cents a copy. "The French Dressmaker" is \$3.00 a year, or 30 cents a copy. "La Mode" costs only \$1.50 per annum, or 15 cents a copy. All these magazines include much more valuable information besides. They can be subscribed for or purchased at any newsdealer, or by applying directly to Messrs. A. McDowell & Co., 4 West 14th Street, New York.

Salve, cures obstinate sores, burns, skin diseases and is a well known cure for piles. W. S. Rishton, Druggist. 10-14-1yr.

Harper's Weekly for June 17th will devote five pages to Edwin Booth. The text will include an intimate account of the tragedian's life by his friend Laurence Hutton, and will be embellished by several portraits and by illustrations of the actor in his favorite roles and of his home at The Players' Club, which he founded. A page of drawings will be devoted to the illustrations of the Campania, the queen of ocean racers. The Philadelphia open-air horse-show and the New York horse-show at Manhattan field will be amply illustrated. Another of "The Adventures of Sherlock Holmes," "The Reigate Puzzle," by Dr. A. Conan Doyle, and additional chapters of "The Cliff Dwellers," will be printed in this number, which will also contain a page illustration, "In and About the Midway Plaisance" at the Chicago Exposition.

If you can afford to be annoyed by sick headache and constipation, don't use DeWitt's Little Early Risers for these little pills will cure them. W. S. Rishton, Druggist. . 10-14-1y.

Marriage.

On the 5th inst, at the home of the bride by Rev. A. Houtz, Mr. William D. Creasy and Miss Miriam R. Mc-Henry, both of Fishingcreek town-

I have had catarrh for twenty years, and used all kinds of remedies without relief. Mr. Smith, druggist of Little Falls, recommended Ely's Cream Balm. The effect of the first application was magical, it allayed the inflammation, and the next morning my head was as clear as a bell. I am convinced its use will effect a permanent cure. It is soothing and pleasant, and I strongly urge its use by all sufferers. - Geo. Terry, Little Falls, N.

An American, Mr. Henry, in Louguyon France, has constructed a clock entirely of paper, which has run regularly for two years, with no greater variation than a minute a month.

OOK THIS WAY!

TO Farmers and the **PUBLIC** -111-

General

We wish to say that we are still manufacturing and dealing in Agricultural implements at Orangeville, Pa., and certainly from long experience we should know the wants of the Farm ers and public in general. And, in this connection we wish to say that all machinery we manufacture or handle is equal to any on the market, and sold at lowest prices.

We make a good cast head Land Roller, which every Farmer should have. Also Plows Scotch Harrows, Cultivators, Wood Saws, Corn Shellers, and Feed Cutters, and a specialty of Horse Power Threshing Machinery. Then we handle the 'Empire" Fertilizer, Grain Drill and Hay Rake, "Hench's" Walking and Riding wheel Cultivators, "Woods" Harvesting machinery (which needs no recommendation), single and double Corn Cultivators. Engines and Saw Mills etc. Lastly we wish to show up the New Deerfield Lever Harrow the only one that has a separate adjustment for each tooth independent of the levers. The only four lever Harrow on the market whereby the two centre sections can be let down in a dead furrow, or any one of more of the four sections can be raised and the balance of the teeth kept at work, frame at all times being level. It has a self coupling hinge, no bolts or pieces to lose, with circular steel evener to equalize draft while turning corners. This Harrow is no experiment with us, and will be put out on their merits same as any other goods.

We also make and carry a large stock of Plow repairs, also an endless variety of other implement repairs. We are also prepared to do almost any kind of saw or grist mill repairing (having recently put in new Iron Lathe and boring machinery etc. We also carry a full line of dressed building lumber. We appreciate the ratronage of the public in the past and covet a continuance of the same in the future and will be glad to have any one call to see us, or answer their inquiries for any thing in our line and will quote lowest prices.

WHITE & CONNER.
