Mrs. W. K. Armstrong of Williamsport is visiting among relatives in Bloomsburg.

The barn of Levi Locher in Briar-creek was struck by lightning Friday afternoon of last week, and entirely consumed, together with all the crops.

Invitations have been issued for the marriage of Miss Margaret Workheiser and William H. Martz at Berwick on Wednesday, October 4th at 5 o'clock p. m. Mr. Martz is a nephew of our townsman, J. K. Lockard.

The barn of John Whitenight, north of Bloomsburg, was destroyed by fire Tuesday afternoon. The horse alone was saved, all the contents were destroyed.

The grounds of the Normal School present a very beautiful appearance. The flower beds, of every variety, seem more beautiful than in former years.

The borough authorities of Catawissa have awarded the contract for putting in the new sewer to W. O. Holmes of this place.

All that honesty, experience and skill can do to produce a perfect pill, has been employed in making De Witt's Little Early Risers. The result is a specific for sick headache, biliousness and constipation. W. S. Rishton, Druggist. 10-14-11.

Henry Yohe of Mifflin township, aged about 57 years, died last Sunday afternoon. He was at his son-in-law's and about eleven o'clock he had a stroke of paralysis, from which he did not rally, dying about 4 o'clock in the afternoon.

The orchestra that furnished the music at Mr. Harman's party last Friday night consisted of Chas. P. Elwell, piano; C. H. Stauffer, first violin; Alex. Cohen, and violin; Frank Miller, flute; H. G. Eshelman, clarionette; Ed Searles, cornet; W. Knorr, trombone, W. Metherall, bass viol. Their music is all of the latest and they play like veterans. Such an organization is a credit to the town.

Dr. J. R. Evans has been a regular practicing physician for more than thirty years, and for the past ten years has given his time almost exclusively to the treatment of chronic, standing diseases, after the most approved methods. From what he has observed and discovered in the severest forms of diseases, he is competent to render efficient treatment and effect cures.

A GREAT OFFER.

THE COLUMBIAN AND WEEKLY WORLD FOR \$1.50.

For several years past we have been offering THE COLUMBIAN and New York Weekly World for \$1.50 a year. A new arrangement has just been effected by which we are enabled to reduce the price, and for a short time only subscriptions will be received at the remarkably low figure of \$1.50 for the two papers. The regular price for each paper is \$1.00 a year. Don't let this splendid opportunity pass. Sample copies of either or both papers will be sent to any one free, on request. Old subscribers who are in arrears will be expected to pay the amount due to date to avail themselves of this offer.

THE COLUMBIAN. Entrance through Well's Jewelry Store, next to Post Office.

NORMAL SCHOOL NOTES.

Any one visiting the Normal School now will find that the "hard times" of which so many people tried to complain, has had very little effect upon the attendance of the school. Fully three hundred fifty students have enrolled and we are told there is a goodly number yet to enroll before the middle of the term.

The Senior class starts out with one hundred eight, and promises also to be somewhat increased before Christmas by students who did extra preparatory work last year.

The Model Schools, under the splendid supervision of Miss Perly and Miss Elliot respectively, are well attended. There is still room in these schools however, and a glance into their daily workings by many of our parents, would convince them that their children should be getting the exceptional training to be had there.

What we were most pleased to learn was the splendid treat in store for our town's people, as provided in this year's lecture course. The *Students Lecture Course* for this school year, is beyond doubt, made up of the best talent ever presented to our people.

The first entertainment will be given by the *Boston Ideal Banjo, Guitar, and Mandolin Club*. They will appear on the evening of November 1st. Certainly no comment is necessary to persuade people who enjoy ideal entertainment, to attend this first number. The second date December 4th, will be filled by that master of oratory Hon. Geo. Wendling. He will give us his new lecture, entitled: "*The Man of Galilee*." December 15th, Hon. John J. Pinkerton will give "*Alexander Hamilton*," which is said to be replete with interest and valuable information.

The Winter term will be introduced on the evening of January 10th by that prince of entertainers, the incomparable Le'and T. Powers. Mr. Powers has been before our towns people before, 'tis true, but we know that his night and subject need only be named secure for him a splendid audience.

The last number of the regular course will be taken by Samuel Phelps Leland of Chicago. His theme will be "*World Making*." Although this is a scientific subject, Mr. Leland is said to make it so intensely interesting that even the most disinterested must say it was an evening of unusual profit.

Our town should indeed, be grateful for being afforded the privilege of having so eminent a list of public entertainers and lecturers, and we believe will manifest such appreciation by a liberal and willing patronage.

THE COLUMBIA COUNTY FAIR.

The 39th annual exhibition of this association will be held on their grounds in Bloomsburg from October 10 to 14 inclusive. Many improvements have been made this year to the buildings, which are now supplied with as capacious and comfortable stalls for horses and cattle as they are accustomed to occupy at home. A building has been fitted up in a convenient location for the storage of baggage, the association checking and taking charge of same for a small fee. Prof. Tolbert's combination of running, hurdle and Roman chariot races will be the attraction. The purses aggregate \$2,500 which are offered for eleven races, including 2:19 and free for all classes. The track has been kept in first class condition during the whole season. Many of the other premiums have also been increased, and the classes rearranged to fully meet the demands of exhibitors. The cyclorama of the Battle of Gettysburg will be on exhibition. An additional outlet gate has been built on Fifth Street for the accommodation of vehicles. The Secretary has already received many entries.

The cupola of the new addition to the Normal School being about completed, some daring person hoisted a new broom upon the very topmost point Thursday.

The Jewish Day of Atonement began Tuesday evening the 19th at sunset and continued until Wednesday evening at sunset. The emphatic directions given in the Mosaic law, as set forth in the Book of Leviticus says:

"In the seventh month, on the tenth day of the month, ye shall afflict your souls, and do no work at all, for on that day shall the priest make an atonement for you, to cleanse you, that ye may be clean from all your sins before the Lord. It shall be a Sabbath of rest unto you, and ye shall afflict your souls by a statute forever."

Buckwheat.

The season is here for grinding and we are ready. Our mill has been renovated and remodelled and our old miller, Mr. Nelson Froas, whom everybody knows to be one of the best buckwheat millers in the state, will be in charge again, thus guaranteeing satisfaction to the farmer who gets grinding done and to the dealer who buys flour. Bring in your grain and try "White's Best Buckwheat Flour." H. V. White & Co. Sept 15, 21.

Judge Ikeler held court at Danville this week.

There were more farmers trading at the stores in Bloomsburg Saturday of last week than have been seen here for some time.

Mrs. Davis, grandmother of Miss Jennie Davis of this town, and mother-in-law of A. J. Derr of Jackson township, died at her home near Derr's on Tuesday, from a paralytic stroke. She was 86 years old.

As a general rule, it is best not to correct costiveness by the use of saline or drastic medicines. When a purgative is needed, the most prompt, effective, and beneficial is Ayer's Pills. Their tendency is to restore, and not weaken, the normal action of the bowels.

Mrs. Trump, wife of Samuel Trump, died at her home on Fifth street on Wednesday, aged 62 years. She has not been able to lie in bed for the past seven years, and her form was bent nearly double. Her husband and four children survive. The funeral will take place to-day, Friday at 2 p. m.

Twelve two horse teams are kept busy hauling spawls on the road leading to Espy. They haul at the rate of 35 cents per ton, and hence each one works his team as fast as possible. They need no boss to hurry them up, but only to see that the proper grade is made.

A Silly Superstition Exploded.

"Where in the world," asked the lawyer who volunteered information without a retaining fee, "did people—especially people in the country—get the idea that one cannot touch or remove a body until the coroner has arrived? that is almost a general belief in the country, and there never was a more ridiculous and absurd piece of nonsense than this. I have seen a body lie in everybody's way because the people thereabout thought that it was unlawful to touch it. This foolish tradition amounts almost to a superstition, and you may be sure no coroner takes the trouble to enlighten stupid ignorance upon the subject. The coroner is only to aggrandize his influence and power, and therefore rather encourage than discourage the silly superstition."

DR. KILMER'S

SWAMP-ROOT

J. D. WILCOX.

CURED ME.

Doctors Said I Could Not Live. POOR HEALTH FOR YEARS.

Mr. Wilcox is a practical farmer and Postmaster in the village where he resides, and is well known for miles around. He writes—"I had been in poor health for a long time. Four years ago the crisis came, and a number of our best physicians said I would not live a year. I began using Dr. Kilmer's Swamp-Root, Kidney, Liver and Bladder Cure; then my doctor said it might help me for a time, but I would not be here a year hence. My difficulties, aggravated by Rheumatism, were so bad I could not get either hand to my face. I continued the medicine nearly a year, and now I am as well as any man of my age—sixty-eight years.

W. L. Manning of Brighton, New York, was in town Saturday, en route for his old home at Der's. He gave us a very pleasant call. Mr. Manning was one of the up-creek politicians, and an influential one, but about eight years ago he went into a new territory and new business, locating at Brighton, N. Y., where he engaged in the nursery business with a Mr. LeClare. They have now a vineyard of 180 acres, while their yield of potatoes will reach probably 10,000 bushels, besides doing an extensive business in the culture of trees, shrubs and vines. He says that had he remained here he would probably have been kept poor if he had relied on politics for a living.

A queer case of elopement occurred at Hazleton. The day was announced for the marriage of Charles Winters and Miss Maud Halskey. The minister came and awaited the arrival of the bridal party. After a long delay inquiry was made when it was discovered that John Formaska of Silver Brook had eloped with the bride.

A Long Procession

of diseases start from a torpid liver and impure blood. Dr. Pierce's Golden Medical Discovery cures every one of them. It prevents them, too. Take it, as you ought, when you feel the first symptoms (languor, loss of appetite, dullness, depression) and you'll save yourself from something serious.

In building up needed flesh and strength, and to purify and enrich the blood, nothing can equal the "Discovery." It invigorates the liver and kidneys, promotes all the bodily functions, and brings back health and vigor. For Dyspepsia, "Liver Complaint," Biliousness, and all Scrofulous, Skin, and Scalp Diseases, it is the only remedy that's guaranteed to benefit or cure, in every case, or the money is refunded.

About Catarrh. No matter what you've tried and found wanting, you can be cured with Dr. Sage's Catarrh Remedy. The proprietors of this medicine agree to cure you, or they'll pay you \$500 in cash.

"When a girl at school, in Reading, Ohio, I had a severe attack of brain fever. On my recovery, I found myself perfectly bald, and, for a long time, I feared I should be permanently so. Friends urged me to use Ayer's Hair Vigor, and, on doing so, my hair

Began to Grow, and I now have as fine a head of hair as one could wish for, being changed, however, from blonde to dark brown."
