GOOD LIVE PIGEON SHOT.

Loudest Whistle Ever Made.

IT WILL BE IN PHILADELPHIA AND WILL BE HEARD TWENTY-FIVE MILES.

READING, Pa., Sept. 23.—A whistle that will make itself heard for 25 miles, the manufacturer says, has just been finished by John Bowman, of this city, and it will adorn the car shops at Third and Berks street, Philadelphia. This fearful trumpet is 4 feet 2 inches long and the cylinder is 18 inches in diameter. Bowman says this is the biggest and loudest whistle ever made, and in the morning it will not only awaken all Philadelphia, but Camden, Chester, Norristown and Doylestown, to say nothing of Media, Darby, Woodbury, Bristol, West Chester and Phoenixville.

If the above paragraph is true, there will be a public nuisance in Philadelphia to the annoyance of which the people ought not to submit for a moment. The subject of noise as a nuisance, is receiving a good deal of consideration at the hands of medical men and scientists. The roar and screech of manufactories whistles, the scream of the locomotives, and the ringing of bells, have so increased the daily and nightly noises as to be intolerable, and to greatly interfere with the health and comfort of sick persons and such as are afflicted with a nervous temperament. Sleep is impossible and nervousness cannot be soothed.

The truth is, there is no necessity for any whistles to notify workmen of the hour—they are uniformly on hand ready to begin. And so of all others. The clocks and watches in every house are the go-by. A whistle which can be heard 25 miles, which is louder than the loudest noise of thunder, is a menace to health, comfort and morals.

The Murderer Captured.

LITTLE AGNES WRIGHT'S ASSAILANT CONFESSES HIS CRIME.

The murderer of Agnes Cooper Wright, the 9-year old school girl who was outraged and strangled a week ago, was captured Tuesday. The same afternoon the Dauphin County grand jury found a true bill against him for murder, and he will be put on trial for the crime. His name is Benjamin Tennis, who is the father of a large family and has been a widower the past six years. He lived within a hundred yards of the residence of the parents of the murdered girl.

As rumor had repeatedly associated his name with ugly scandals involving indecent attacks on small girls, he became an object of suspicion. Detective Anderson, of Harrisburg, had him under cover for several days, and Monday night became thoroughly convinced, from the investigation he had made, that Tennis was the slayer of Agnes Cooper Wright.

When arrested Tennis was cutting corn in a field a few miles from Hummelstown. At first he denied his guilt, but finally admitted that he had murdered the girl, but that he had not intended to kill her when he planned the scheme to indecently assault her.

A large crowd was massed for hours on the outside of the prison in which he was placed and great excitement prevailed, but no attempt was made to prevent the law from taking its course.

DR. KILMER'S SWAMP-ROOT CURED ME

And Made Life More Enjoyable.

Dr. Kilmer & Co., Binghamton, N. Y. Gentlemen:—It affords me pleasure to give you a recommendation for Dr. Kilmer's SWAMP-ROOT, of which I have taken 3 small bottles. It has nearly removed the effects of the Rheumatism of about 7 years standing, also a severe weakness of my back and kidneys of about 10 years' standing and has helped a severe attack of inflammation of the bladder, which I am sure SWAMP-ROOT will entirely cure me of in a short time. I purchased the medicine of S. G. Stone, the Druggist here in Butler, Ind. March, 7, '93. W. R. CHILSON.

Dr. Kilmer & Co., Binghamton, N. Y. "For the past twenty years I had been troubled with Rheumatism and doctored a great deal without realizing any benefit. Two years ago my attention was called to Dr. Kilmer's SWAMP-ROOT, which was highly recommended to me. I thought I would try a bottle and I used four or five bottles. It has done me more good than all the doctors and all the other medicines I had ever taken in the past twenty years. The past year has been one of comfort in place of suffering. A great many are using your SWAMP-ROOT in Van Wert. Yours respectfully, Feb. 19th, 1893. MRS. CALVIN FARLEY, Van Wert, Ohio.

A Susquehanna Fish Project.

The Fish Commission is considering the advisability of altering the fishway at Columbia, and erecting new ones at Clark's Ferry and Sunbury. At present but few shad are found beyond Columbia. Shad fishing practically ends there, the dam at that point not allowing them to pass. It is considered by many of the Commissioners as most desirable to increase the area of shad fishing. If the money needed can be secured to erect these fishways shad can then ascend the river and up its North Branch as far as Nanticoke dam, to Muncy on the West Branch and up the Juniata to Millerstown. If the work goes on for the next year or two as it has in the past three years the Susquehanna will soon regain its old time reputation among fishermen.

A Little Daughter

Of a Church of England minister cured of a distressing rash, by Ayer's Sarsaparilla. Mr. RICHARD BIRKS, the well-known Druggist, 207 McGill st., Montreal, P. Q., says:

I have sold Ayer's Family Medicines for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash, from which she had suffered for two or three years, in spite of the best medical treatment available. Her father was in great distress about the case, and, at my recommendation, at last began to administer Ayer's Sarsaparilla, two bottles of which effected a complete cure, much to her relief and her father's delight. I am sure, were he here to-day, he would testify in the strongest terms as to the merits of
