The friends of Geo. P. Reighard of Lightstreet were greatly shocked last Friday morning to learn that he had died at Schuylkill, near Turbotville. He was on his business trip, and was stopping at the house of Mr. Levan, a merchant to whom he sold goods. He did not feel well at night, and Mr. Levan wanted to send for a doctor, but Mr. Reighard said he would be all right in the morning. At 4 a. m. he was seized with severe pains in the chest, and asked for a doctor, but before the latter arrived he had passed away. B. F. Reighard, his nephew, went over and brought the remains home, and the funeral took place on Sunday. He leaves a wife and five children, two daughters being married. Mrs. J. W. He was well known all through this section of the state among merchants.

IT FOLLOWS AFTER

—a disordered liver—that you're subject to attacks of cold or chills on slight exposure. You get "tired" easily. A "tired" digestion fails to assimilate food. This often results in what we call Indigestion or Biliousness.

Dr. Pierce's Pleasant Pellets rouse the liver to vigorous action, and this in turn starts the machinery of the body into activity. Liver, stomach and bowels feel the tonic effect, and in consequence the entire system is invigorated. The processes become self-regulating, and a reserve force is stored up against exposure to disease.

If you're too thin, too weak or nervous, it must be that food assimilation is wrong. This is the time to take Pleasant Pellets. They permanently cure Constipation, Sour Stomach, Dyspepsia, Sick or Bilious Headache, Dizziness and Jaundice.

Cheaper Clothes for Men and Boys.

The indications are that clothes will be cheaper this season than ever. Browning, King & Company, the largest clothing concern in the country, said to a correspondent: "We have never before been able to produce such a fine lot of clothes for such little prices as we now have on our counters. It is simply astonishing. The finest goods from the most reliable makers, goods that were never used for ready-made clothes before are now within the reach of everyone."

Browning, King & Company have stores in every large city. They manufacture their own goods and make them better and with more attention to the details than the ordinary ready-made clothes you get. The Philadelphia store is at 910 and 912 Chestnut street.

CORBETT AND MITCHELL.

Novel Legal Question in Defense of the Fight.

New York, Oct. 3.—It has leaked out that the Coney Island Athletic club have not lived up to their agreement with Corbett and Mitchell. When the articles were signed by the pugilists recently it was stipulated that the club should post \$10,000 as a guarantee that the contest would not be stopped. This money has not been forthcoming, and rumor has it that the club will not post it at all.

The agitation against the fight and the attitude of Governor Flower have caused the Coney Island people to become somewhat flustered, and it is said that they will not put \$10,000 where Mitchell and Corbett can get hold of it in case the battle is stopped.

When the question of law is taken up the club will offer a novel argument. They will say that a fight between Corbett and Mitchell comes within the law, as it is a limited bout of twenty rounds. They claim also that the men can still fight to a finish and not violate the law by this method of procedure. If at the end of twenty rounds, neither man is knocked out, the referee will call the contest a draw. Then, in a few minutes, a new contest of twenty rounds, limited, will begin. If no decision has been arrived at the referee will again call the contest a draw, and a third contest of twenty rounds will begin. This will be continued until one or the other is knocked out.

Mrs. House Released From the Asylum at Trenton.

TRENTON, N. J., Oct. 3.—Irene V. House, or Redmond, the woman with many husbands, was released from the Trenton asylum on an order from Vice Chancellor Bird, who heard the case under habeas corpus proceedings. Her release was ordered because she had received no notice of the proceedings taken against her. Steps will be taken at once by her son to secure her recapture, as she is undoubtedly insane and is squandering the property in which she has a life interest and to which the son is heir. Mrs. House is the woman who killed her husband, a New York divorce lawyer, about 17 years ago, and since then she is said to have married seven times and all the men are living.

Abstracts from these documents were made a week ago and were dispatched on September 26 to Rustem Pasha, Turkish ambassador in London. A courteous autograph letter from the sultan was sent with them.

SHOT A BOY FOR FUN.

Negro Miners Imitate Cowboys and May Get Lynched.

PITTSBURG, Kas., Oct. 2.—Ever since the importation of negro labor from Alabama for the mines the negroes have been in the habit of hiring livery rigs and riding about the country. Yesterday several were pursuing the practice, and when riding through Chipopee, a mining camp, opened fire on 19-year-old James Harrison and shot him four times. Marshal Lamaster and a posse caught three fugitives and lodged them in jail. Large revolvers were taken from them by the marshal. It is said that the attack on the boy was without cause, and that the negroes shot at him if they enjoyed it. Lynching is threatened.

"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colics.
