NEIGHBORHOOD NEWS.

Interesting Items From Various Points in the County. Reported by Our Staff of Correspondents.

WALLER.

If we may judge of the enjoyment and keeping of Thanksgiving by the number of turkeys this year, then certainly nearly everyone will be having a good day of it. We fear, however, it is too much the nature of the birds to stay in flocks, and a great many of us will have to wait for better times. It is reported that one of the instructors at the Teachers' Institute should have said that many people sit down to the table on that day expecting to give thanks by making pigs of themselves. There are many of whom that cannot be said, although there is, doubtless, a world of truth in the statement.

Mr. J. W. Kanouse, the photographer, passed through this section with his camera last week, taking the views of some of the principal places and the schools in particular. The pictures have not come to light yet, but he is said to do some very neat work.

The past week has been very cold here among the foothills of the mountains, and snow has been on the ground all the time.

Messrs. James Shultz and I. W. Fritz went on an expedition up Painter Run last week to look after the deer. They must be doing pretty well, for the boys came back without any of them. Perhaps they will look after them again, ere long, and be able to make a more definite report.

Miss Edith Cole is visiting friends at Jameson City.

The Sunday School Institute, spoken of last week, will be held here on Saturday afternoon, as well as evening. A young folks meeting

A WOMAN'S BURDENS are lightened when she turns to the right medicine. If her existence is made gloomy by the chronic weaknesses, delicate derangements, and painful disorders that afflict her sex, she will find relief and emancipation from her troubles in Dr. Pierce's Favorite Prescription. If she's overworked, nervous, or "run-down," she has new life and strength after using this remarkable remedy. It's a powerful, invigorating tonic and nerve which was discovered and used by an eminent physician for many years, in all cases of "female complaints" and weaknesses. For young girls just entering womanhood; for women at the critical "change of life"; in bearing-down sensations, periodical pains, ulceration, inflammation, and every kindred ailment, if it ever fails to benefit or cure, you have your money back.

The key to the situation—if you suffer from Catarrh, you'll find in Dr. Sage's Remedy. No matter how bad your case may be, the proprietors of the medicine promise to pay \$500 if they can't cure you. For sale by all druggists.

will also be held on Sunday evening. Prominent speakers from a distance will be in attendance. Much attention will be given to music and a special instructor is expected to be present.

CENTRAL.

The hunting season has commenced, which makes visitors quite plenty at the Central Park Hotel. Among those that went home with cheerful faces was the McHenry party from Benton with a very fine deer, and two gentlemen from Carbondale, also a trio from Plymouth, consisting of the following named gentlemen: Messrs. Harris, Moss and Ransom. The Plymouth gents took eighteen or twenty fine birds and four rabbits, mountain rabbits. Going down on the early train Saturday morning Mr. Smith, from Carbondale, discovered a yellow-legged bird in the lot, when some one remarked it was an English variety, imported to this section from some one belonging to the Big 4, in New York. At any rate, they all seemed to pass a very pleasant week.

The weather has been very cold here for the time of year, considerably below freezing.

Rev. Hontz is well pleased with the way the new church has turned out—everything paid for and a little for general cleaning up purposes.

Jan. Carpenter has taken charge of the hotel at Elk Grove. He is a good man for the place.

Our school is instructed by a first-class teacher. His students are progressing fine. They are taught German, Algebra, Latin or any study they desire to take up.

When I take a trip up the creek next week will give you the news on the West Branch.

J. W. Perry has rented his hotel at Elk Grove, and expects to take a trip West in the Spring.

J. H. Henrie is the champion hog feeder. He slaughtered two that tipped the scales at 900 pounds, so he says.

The New York Ledger for Thanksgiving presents a feast for the eye as well as for the mind. The illustrations for this number are specially attractive. A charming woodland scene, presenting a group of children carrying autumn flowers and trophies, illuminates the cover-page. In this issue begins a serial of unique interest, describing the experiences of a German reformer in this country. Werner, the popular German favorite, is the author, and the title is "A Lover from Across the Sea." A naval Thanksgiving is the subject of a rattling story, entitled "A Well-Earned Dinner," by E. A. Robinson, and Elizabeth Olmstead contributes "A Thanksgiving Story." "Back to the Old Homestead" is a fine poem in dialect, by Jennie C. Holmes. W. Clark Russel, Mrs. Southworth and Paul H. Gerrard contribute installments of serials, and Mrs. M. A. Kiddle and John G. Saxe are among the other contributors.

The Best Medicine.

J. O. WILSON, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely cured:

Permanently Cured

by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colic. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."

"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other pill I ever sold."—J. J. Perry, Sportsylvania C. H., Va.

Acting General Manager Theodore Voorhees has been appointed general manager of the Lehigh Valley railroad.

Grand Master Workman Powderly's resignation was accepted Monday afternoon at a meeting of the Knights of Labor, at Philadelphia. J. R. Sovereign, of Iowa, was elected to succeed Mr. Powderly.

Directum, the champion trotter, with a record of 2:05 1/2, defeated Saladin, the great pacer, with a record of 2:05 3/4, on the Point Breeze track, Philadelphia, Monday, winning three heats out of four. Throughout all four heats Directum trotted perfectly, while Saladin broke several times.

WHO WILL CAPTURE IT?

THE PARDEE CAR WORKS BEGGING FOR A LOCATION.

In speaking of the removal of the Pardee Car Works from Watsontown Editor Lewis Fosnot has the following to say in his weekly Record and Star: "The Williamsport papers announce that the Board of trade of that city are negotiating with the Pardee estate, through the agent here, S. B. Morgan, for the purchase of the Watsontown Car shops and their removal to Williamsport. As is known the Pardee estate is anxious to get rid of the car shops here, and not long since Mr. Morgan gave our Board of Trade an opportunity to purchase them. This offer our people were unable to consider for very good reasons and the shops are now on the market. While we regret to see any of our industries taken away, there seems to be no available remedy in this case. It is evident to all who give the matter a thought that they cannot be operated with success here, owing largely to lack of railroad facilities, and as they have been more of a detriment than a benefit to the prosperity of our town since they have been established here, the only conclusion left is that it will be for the good of the town if they are removed, thus giving room for a permanent and more suitable industry."

Williamsport is still on the lookout for the works, but their capitalists are rather shy and do not appear to be very eager to buy the plant. If any Sunburians are desirous of investing their spare capital in a good thing they have a chance. Of course it will cost considerable money to have the plant removed from Watsontown. It would require new buildings and new machinery, but by the organization of a stock company the necessary sum could probably be raised. Since the slump of the Sunbury Nail, Bar and Guide Iron company Sunbury investors are cautious and prefer to keep their cash in safe places. S. B. Morgan, Superintendent of the car works at Watsontown, is authorized by the Pardee estate to negotiate for the sale of the plant. It is rumored that the Jackson and Woodin Car company of Berwick has an eye on the Watsontown works and will probably add it to their establishment. It also would be a big addition to the Murray and Dougal Car Works at Milton. The removal of the plant is only a question of time and it looks as if Williamsport would succeed in being the lucky captor of the big industry.—Sunbury Democrat

DR. KILMER'S

SWAMP-ROOT

CURED ME.

Doctors Said I Could Not Live. POOR HEALTH FOR YEARS.

Mr. Willcox is a practical farmer and Postmaster in the village where he resides, and is well known for miles around. He writes: "I had been in poor health for a long time. Four years ago the crisis came, and a number of our best physicians said I would not live a year. I began using Dr. Kilmer's Swamp-Root, Kidney, Liver and Bladder Cure; then my doctor said it might help me for a time, but I would not be here a year hence. My difficulties, aggravated by Rheumatism, were so bad I could not get either hand to my face. I continued the medicine nearly a year, and now I am as well as any man of my age—sixty-eight years. Swamp-Root Saved My Life and the good health I now enjoy is due to its use."
