AS A CLEANSER of the blood, nothing sweeps as clean as Dr. Pierce's Golden Medical Discovery.

It purifies the blood as well as enriches it. The truth is, an emulsion of Cod liver oil is good for building up fat—no doubt about it. But—ugh! a weak stomach loathes it. Fortunately, there's a tissue-builder, that's even better for making healthy flesh. Pleasant in taste—effective in result. That's the "Discovery." It goes to work in the right way, by regulating, cleansing, and repairing all the organs of the body.

When the germs of disease are round about us we do not all get them. Why? Some of us are in too good a condition. The germs of Consumption, Grippe, Malaria, and all the infectious diseases, pass you by if you are strong to resist their attack. Render yourself germ-proof by putting your blood and liver in a healthy state.

In all blood-taints and diseases, if the "Discovery" fails to benefit or cure, your money is returned.

No other medicine of its kind can be sold so.

Bishop Haman of the minority faction of the Evangelical church is expected to preach here next Monday evening.

The young folks are taking advantage of the snow and the inclined planes made by the hills, to their hearts content in coasting. This is a healthy and pleasant exercise and these hills certainly ought to be made to serve some good purposes. A little care should be taken on these dark evenings when riding so rapidly that no one is in the merry lightning expresser.

Mr. John Emery Eves, of Millville, is teaching singing school at this place, and he also has quite a large class at Divide. He is an experienced teacher and is to be hoped that a choir may be formed here to take charge of the music on all occasions.

Mr. Gideon Shultz, the teacher at this place being to Bloom last week the school was closed except on Monday.

There has been right good sleighing here for the past week, so that a great deal of hauling has been done to and from Benton on the sleds.

People who have tried it, say there is no better medicine for dyspepsia than Ayer's Sarsaparilla. It may not give one the stomach of an ostrich, but it so strengthens the alimentary organs that digestion of ordinary food becomes easy and natural.

AYER'S SARSAPARILLA. CURES OTHERS WILL CURE YOU. PURE BLOOD. CLEAR SKIN. HEALTH. MENTAL ENERGY. PERFECT DIGESTION. SOUND SLEEP. LONG LIFE. VITALITY. STRONG NERVES.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 159 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

A DOCTOR SUED.

Shamokin has an ordinance requiring physicians to report all cases of contagious diseases to the board of health. The ordinance has been disregarded, and recently Dr. D. S. Hallonback, county treasurer elect, has been sued for failing to report a case of scarlet fever. This may seem hard upon the physician, but it is oftentimes necessary to take extreme measures to have an ordinance enforced. An epidemic can only be averted by early precaution. Bloomsburg has a similar ordinance imposing a fine of twenty-five dollars for the failure of a physician to report any case of contagion. Some of our physicians are prompt in making their report to the board of health; others are a little negligent, and if the ordinance were enforced in Bloomsburg they might be obliged to pay the fine imposed.

The last day for filing applications for liquor license is December 23.

Have Your Deeds Recorded.

There has always been ignorant carelessness in having deeds recorded as evidence that a property has changed hands, by which negligence much imposition has been practiced by former owners, who secured credit on the faith that they still had an interest in such real estate. This practice was often as much the result of mean parsimony, on the part of purchasers of property, who sought thereby to evade the immediate payment of the fees for recording these deeds, hoping in the meantime to sell the property and thus escape that expense altogether.

Under an act of the legislature of 1893, deeds after being signed and witnessed not recorded in ninety days thereafter are considered fraudulent and void against any subsequent purchaser or mortgages. The terms of this law not being generally understood are, as is usually the case with acts of the legislature of this class, the cause of much trouble. The chances are that much harassing litigation may grow out of it until the people are correctly informed of its requirements. The true course now should be to have a deed recorded as soon as it is signed and witnessed.

CARRYING LOADED PISTOLS.

Judge Sadler of Cumberland county thus addressed the constables in reference to carrying concealed weapons: "You constables can do nothing better than arresting men and young men who carry loaded pistols in their pockets ready to whip out on the slightest provocation and perhaps shoot perfectly innocent people. A man has no constitutional or moral right to carry concealed deadly weapons on all occasions; and I say to you, whether or not I be criticised, that if you do your duty in arresting boys and men carrying revolvers we will see that no costs are imposed upon you."

T. F. Anthony, Ex-Postmaster of Promise City, Iowa, says: "I bought one bottle of 'Mystic Cure' for Rheumatism and two doses of it did me more good than any medicine I ever took." Sold by C. A. Klein, Druggist, Bloomsburg. 11-10-8m.

A New Small Pox Remedy.

A very high authority speaking of small pox cases says: "I am willing to stake my reputation as a public man if the worst cases of small pox cannot be cured in three days simply by cream of tartar. This is the sure cure and never failing remedy: One ounce of cream of tartar dissolved in a pint of boiling water, to be drank when cold, at intervals. It can be taken at any time and is a preventative as well as a curative. It is known to have cured 100,000 cases without a failure. I have myself restored hundreds by this means. It never leaves a mark, never causes blindness and prevents tedious lingering."

It's all the same, a slight cold, congested lungs or severe cough. One Minute Cough Cure banishes them.—W. S. Rishton, Druggist.

CURED ME.

Suffering from Nervous Prostration, Tortured by Kidney and Liver Complaint.

Mr. McCoy is a wealthy and influential citizen of Van Wert, and a man known for miles around. See what he says: "For years I had been a terrible sufferer from kidney and liver trouble, also nervous prostration and poor health in general. My appetite was poor, in fact, I had no desire to eat anything and consequently was thin, emaciated and all run down."

Life was a Burden. I tried physicians and every available remedy but found no relief. As a last resort I was induced to give your kidney remedy a trial and am pleased to say

Swamp-Root acted like magic, and to-day I am entirely cured and as good a man as ever. It is without question the greatest Remedy in the world. Any one in doubt as regards this statement can address."
