EAST BENTON.

Stanley McHenry of Cambra, the accomplished musician has composed a piece of music (Waltz) entitled "Blanche and Eva"—sisters of the author of the above music in whose honor the title is given. Ray, a brother, is a skillful violinist, and the two instruments—piano and violin—make exquisite music at the hands of Stanley and Ray.

Hon. James McHenry, of Canbra, has had a siege of the gripe. He is better now.

John Wenner of Van Camp, spent a few days in our home last week. He is not far from 78 years old. The old stock of people are getting pretty well thinned out. We are loth to part with our old friends.

Very little snow in our locality and not much prospects for much sledding. Politically "the last leaves on the tree" are beginning to fall. New appointments are now rapidly being made.

There has been an unusual amount of sickness of various types in the community this winter thus far.

The fitting season and blue birds will soon glide along.

A 9 letter puzzle: 9, 5 and 1 is a kind of grease. 6, 5 and 4 is a kind of vermin. 2, 7 and 1 is no miss. 8, 3, 5 and 6 is an apprehension.

The whole is a bone of contention in our country of long standing. How many will tell what it is in the next issue of THE COLUMBIAN?

"If at first you don't succeed, try, try again," is the motto of the Benton citizens in their efforts to secure the incorporation of the town into borough.

Rev. Runyan, of the M. E. Church

A PLEASANT SURPRISE

is in store for you when you buy Doctor Pierce's Pleasant Pellets. If you ever took the ordinary liver pill, big and bulky, nasty too, you'd appreciate a good thing, especially when it is sugar-coated, tiny as a mustard seed but very effective. Other things being equal, the smallest is the best in liver pills—hence, "Pleasant Pellets."

If you are troubled with Indigestion, Constipation, Biliousness, Bilious Headaches, and a hundred and one ills which depend upon an inactive liver,—use Dr. Pierce's Pellets. With these pills you get not only temporary relief but a positive cure; they're guaranteed to give satisfaction in every case, or your money is returned.

For fat people who suffer from indigestion, for hearty eaters and high livers—those whose livers are sluggish, this pill is what is most needed. Take a Pellet after dinner.

of the Benton charge, having been deposed from preaching on the charge, with his family took his departure week ago last Monday morning. This is a very unfortunate affair, not only for the cause in which he labored, but for the minister himself. We pity from our inmost soul the poor victim who fell a slave to a habit that has led to such a step. It is hard to understand how people who contract bad habits are not lowered in the estimation of the public generally, but when a minister of the gospel falls in the same habits, everybody it seems wants to jump on him with both feet. A minister, after all is nothing more nor less than a part of human nature with all the rest of mankind. "Charity covereth a multitude of sins."

Harrison Wilkinson, formerly of Town Line, met with an accident last Thursday near Register that will most likely prove fatal. While operating a portable saw mill he attempted to adjust some ringing with the "cant-hook" when the saw caught the handle and threw it across his forehead, crushing the skull. Inflammation has set in and at this writing he is unconscious.

Miner Woodworth, of Town Line, committed suicide last Friday. Having been afflicted with gripe, insanity is thought to have caused the rash act. Having been well blessed with this world's goods, financial circumstances played no part in the sad deed. It is said that he stabbed himself in the chest several times, and at length cut his throat, severing the jugular veins with a jack knife.

The following is the answer to puzzle contained under this head in issue of Jan. 5th:

- 2, 3, 7, 15—Hell. 16, 8, 1—sit. 12, 14, 15, 10, 3—house. 11, 5, 4—cup. 14—O.

The answer to the whole being THE PUBLIC SCHOOLS.

FORKS.

DEAR EDITOR:—There was a lot of bounty jumpers, who by sharp and constant vigilance, were kept in the army until they were captured and sent to Andersonville, that notorious place of starvation of the soldiers of the Union—60,000 perished there. And our pension bureaus got into very bad shape before the advent of the present administration. Bounty jumpers, deserters and hospital bummers were politely introduced into the Pension Office; they were handsomely entertained then and walked out richer and better with the promise and prospects of large installments of pension money that amply repaid them for their integrity to the Union, the Republic their loyalty and bravery. The Pension office to day is busily engaged ascertaining these many and stupendous frauds, separating the chaff from the wheat, the sheep from the goats, and every soldier who came out with an honorable discharge is in favor of this thorough crucible of separating the gold from the dross. The veterans of this country ought to be justified. It is impossible to come to this as long as bounty jumpers, deserters and hospital bummers are faring and ranking along with the honest soldier, who perhaps entered the army a robust man, and came out an invalid, or left an arm or leg on the battle field as trophies of their valor and victory.

A little similar to the foregoing is a case in point. E. M. Laubach, one of the most prominent citizens and business men of this part of the country has established a fine reputation as pump maker; has been turning out fine work for years so that orders for pumps come in from a distance, from all points of the compass, and give universal satisfaction. He is the only person by that name engaged in the business, and has no partner. Any one representing himself as a member of the firm is an impostor. K.

Mr. H. J. Hirleman expects to quit farming and move to Benton in the spring. He is engaged in the lumber business.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 120 pounds; I now can brag of 150 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

DR. KILMER'S SWAMP-ROOT CURED ME.

SUFFERED EIGHT YEARS! Couldn't Eat or Sleep

Dr. Kilmer & Co.—"I had been troubled for eight years with stomach and heart difficulties. I lived mostly on milk, as every-thing I ate hurt me so. My kidneys and liver were in a terrible state. Could neither sleep or eat. I had been treated by the best Chicago doctors without any benefit whatever. As a last resort I tried your SWAMP-ROOT, and now I can eat anything, no matter what. Nothing hurts me, and can go to bed and get a good night's sleep. SWAMP-ROOT cured me.

Any one doubting this statement can write, I will gladly answer." Mrs. German Miller, Dec. 23rd, 1892. Springport, Mich.

Had Torpid Liver For 14 Years. Bilious all the Time.

DEAR SIR:—I have been troubled with Torpid Liver for 14 years and gone through courses of bilious fever many times it has been impossible for me to do any kind of labor. Dr. Kilmer's SWAMP-ROOT was first recommended to me by Holthouse, Blackburn & Co. (Druggists) Decatur, Ind. After taking one bottle I was uncertain whether I was really deriving any benefit or not; after taking the second bottle, however, I found that my health was improving and I continued until I had taken 6 bottles. I can now cheerfully recommend SWAMP-ROOT to every one who has torpid liver, for it has completely cured me. Jan. 16th, 1893. P. W. CHRISTIAN, Decatur, Ind.
