#### An Awful Revenge.

A WOMAN FOLLOWS THE MAN WHO BE TRAYS HER ACROSS THE OCEAN AND POISONS HIM.

A woman will love a man so de votedly that giving up everything for him is no sacrifice, but if that love is scorned, and that love is scorned, and her trust and faith laughed at, it turns to a hate as deadly as that attributed to the fiery blooded Corsican. Perhaps Gena Sepal, a hand-ome young Italian did not think of this when he won and then scorned the love of Anna Villela, in sunny Italy, but he now lies cold in death, a victim of his own wrongdoing and her revenge.

Two or three years ago Sepal, then a jeweler's assistant in Naples, met Anna Villela and won her love under promise of marriage. She gave up everything for him but he pos'poned the wedding from time to time, until one day she gave birth to a child, and when she appealed to him to make his promises good he laughed, thrust her from him and went away. But hers was a violent nature, and she swore that he should never live to make love to another woman. Fright ened by these threats, Sepal fled to America, and after a short time in New York came on to Luzerne county where he obtained work as night watchman at a mine in Exeter.

A few days ago a strange woman arrived at the mining village and in-quired for Sepal, Friends of his pointed out his boarding house. The woman went there but Sepal being asleep, she asked his landlady not to disturb him and inquired minutely into his habits, where he worked and what hours he was on duty. She then left, asking the landlady to keep her visit a secret. The landlady, how-ever, told Sepal when he awoke, and the fellow at once divined that the strange visitor was the girl he had wronged. He went to work that night as usual, taking his lunch in a tin bucket. At 4 o'clock in the morn-ing he returned deathly sick. He explained that directly after eating his lunch he began to suffer with severe pains in his stomach and made his way home as best he could. and A physician was sent for but before he arrived the unfortunate man was dead. The physician said there was every sympton of poisoning. Friends of the man now believe that the wo man watched him go to work, followed, and seizing a favorable opportunity when he was making his rounds poisoned his food. She has disappeared and cannot be found.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the on y positive cure known to the medical fraternity. Catarrh' being a constitutional disease, requires a con-stitutional treatment. Hali's Catarrn Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY, & CO.,

Purity and Perfection.

MEREDITH'S BRAND OF WHISKEY MAY ALWAYS BE DEPENDED UPON.

Although no article in common use is more impaired by the introduction of impurities than whiskey, there is nothing which is more generally adul-terated. Whiskey is "doctored" in one way and another by various processes and with different ingredients until it loses its identity and instead of being a valuable remedial agent becomes a dangerous decoction of drugs. Many brands of whiskey with high sounding names are actually unfit for use owing to their adulteration.

On account of the prevalence of adulteration in whiskey it is well to know that they are pure whiskeys. The brands distilled by Messrs. G. W. Meredith & Co, East Liverpool, Ohio, and Pittsburg, may be depend-ed upon as absolutely pure. Meridith's Diamond Club Pure Rye is one of the leading medicinal and family whiskeys in the country. It is recom-mended by chemists and physicians for its purity. This whiskey has taken the highest award at Chicago, for being mild, pleasant, palatable, and above everything else absolutely pure.

Another brand is Meredith's Pure Malt, which has the largest sa'e of any high grade malt whiskey in the mar ket. It is guaranteed absolutely pure and is particularly efficacious for bronchial and pulmonary diseases. Mere dith's goods are always reliable and pure. - Chester Times.

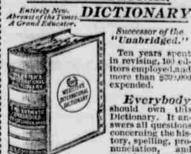

It not only relieves; it does more it cures. We refer to One Minute Cough Cure. Suitable for all ges, all conditions, at all times.—W. S. Rishton, Druggist.

It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease.
