It is no doubt the design if not the effect of the Coxey Army of the unemployed to intimidate those having tariff legislation in hand. The political party has not yet come into power that can reasonably hope to equitably reform the tariff and survive the onslaught of intimidation, fair and foul. It has been the honest effort of the Democratic party to fulfil its reform promises to the people that has closed the works of the plutocrat in the face of the Democrat and the laborer.

THE VETO.

In justification of the President's veto of the Bland seigniorage bill, that has taken so much of the time and attention of Congress, it is objected to as unfortunate in its construction and dangerous in its results. It is claimed that nearly every sentence of the bill roams. F. P. Drinker Prest, on sale of bonds. veto of the Bland seigniorage bill, that invites controversy and presents uncertainty as to its meaning or intent. The very ambiguity of the 1st and 2d sections of the bill stood in the way of the President's signature. When our statesmen find it necessary to clothe their laws in such ambiguous terms as to admit of several constructions, it seems to us that a veto of such bills, whether important or not, is the proper thing to do.

Hood's Never Fails

Susiness Man's Experience Gured of Rheumatism.

A well known business man in Pittsburgh, Pa. writes the letter given below. Mr. Haus is general agent for the Maine granite quarries and contractor for cemetery and building work, having an office at No. 708 Penn Avenue. C. I. Hood & Co., Lowell, Mass.:

"Gentlemen-We have a very high opinion of both Hood's Sarsaparilla and Hood's Pills at our house and with good reason. I have taken almost every remedy known for rheumatism, and feel justified in saying that Hood's Sarsaparilla is the only one that does me any good. I must admit I have not taken it steadily, but only when the pains of rheumatism came on. Hood's Sarsaparilla has

Always Civen Me Relief, and like many others, as soon as I am well I

never think of medicine again until the next at-**HOOD'S** Sarsaparilla CURES

rilla and Hood's Pills in our house, and have nended both to dozens of friends. When any of my family are taken sick, no matter with what disease, the first thing we do is to give

A Dose of Hood's Pills and follow it up with Hood's Sarsaparilla. I might write several pages in praise of this ex-

cellent medicine, but think I have said enough to convince." T. W. Haus, Pittsburgh, Pa. Hood's Pills are prompt and efficient, yet casy in action. Sold by all druggists. 25c.

Bloomsburg, Pa., March 28, 1894.
We, the undersigned Auditors of the Town of Bloomsburg, met at the Council room for the purpose of performing our duties and do certify that we have examined the foregoing accounts and statements and find them correct and hereby a pprove the same.

F. M. EVERETT, A. L. FRITZ, J. M. STAVER,

The foregoing statement (annual) of the Town of Bloomsburg is to the best of my knowledge and belief correct, except that I do not believe that properties exempted from taxation for ten years by Town Council should (if legally exempted) be included in the assessed valuation of property on which two per cent, may be legally borrowed and bonded, and excepting also the item set down as due the Land Improvement company on rent for Oak Grove Park the lease of which by the town I have refused to acknowledge as legal or proper.

set down as "Liabilities in excess of Assets". \$200 to

To this must be added am't due sundries for labor and hauling done in March inst, and not included in statement, Town Auditors' bill for year, attorney fees and court charges in Knelss vs. Town, and sundry other small debts for printing, etc., aggregating, it is safe to say, at least. \$ 8912 71
