ABSOLUTELY PURE

THE COLUMBIAN.

BLOOMSBURG, PA.

FRIDAY, APRIL 20, 1894.

Entered at the Post Office at Bloomsburg, Pa. as second class matter, March 1, 1893.

Legal advertisements are printed on the seventh page.

The Supreme Court has affirmed the judgment of the Columbia County Court in the appeal of E. Keeler Co. in the Fishing Creek Lumber Co. audit.

The steambot Columbia has been put in the river. It was run to Northumberland and navigated the river from there. It will be kept at a wharf near the bridge.

H. J. Clark is now finishing a right handsome and convenient two story and attic frame house on East 4th Street between Iron and Centre. He is putting in all modern improvements.

Mathias Kindt, of Mordansville, while on his way to Pittsburg to visit a sick sister, fell dead at the hotel in Evers Grove, Pa., on Monday morning, the 16th inst.

Pure blood means good health. Reinforce it with DeWitt's Sarsaparilla. It purifies the blood, cures Eruptions, Eczema, Scrofula and all diseases arising from impure blood. It recommends itself.—W. S. Rishton, Druggist.

Right Reverend N. S. Rulison will visit St. John's Church, Catawissa, on Friday, St. Gabriel's, Sugarloaf, on Saturday, and will preach both morning and evening in St. Paul's, Bloomsburg. The rite of confirmation will be administered here in the evening.

The program for the musicale in the Presbyterian church (auditorium) this Thursday evening, consists of mixed and female quartettes, vocal solos and duets, and choice selections by Prof. C. P. Elwell's orchestra. Admission 35 cents.

A recent letter from Dr. A. B. Jamison, of Washington, dated the 14th inst., speaks of the opening buds and flowers already to be seen in the historically beautiful parks of Washington. We must wait until our snow is all gone before we can grow poetical about the flowers, and such, of spring-time in this latitude.

Mr. S. L. Selleck, representing the Singer Sewing Machine Manufacturing Co., may be found on East Main Street, Bloomsburg, where he will be pleased to receive patrons and offer inducements to all in need of sewing-machines. He assures fair dealing and competitive rates to all.

If dull, spiritless and stupid; if your blood is thick and sluggish; if your appetite is capricious and uncertain, you need a Sarsaparilla. For best results take DeWitt's. It recommends itself.—W. S. Rishton, Druggist.

In a brief interview with Mr. Herskovitch, editor of the Centralia Journal, who is the unfortunate guest of Mr. Mourey, Sheriff of Bloomsburg, our reporter (being something of a phrenologist, in his mind) elicited the frank confession from Mr. Herskovitch that it is difficult to know just when to drop the pen when writing under political excitement.

Francis P. Drinker, the President of Town Council, very wisely again admonishes our townsmen and women to beware of small pox. We think the efficacy of vaccination is sufficiently demonstrated to make it a safe guard, and that the sore arm resulting from vaccination is as nothing compared with small-pox, when a thousand little vaccinations assail the flesh at once.

DeWitt's Sarsaparilla is prepared for cleansing the blood from impurities and disease. It does this and more. It builds up and strengthens constitutions impaired by disease. It recommends itself.—W. S. Rishton, Druggist.

I have just received the lightest and best Ladies' Wheel on the market. I refer to the CLEVELAND NO. 10, Weight 26 Pounds. Why should a Lady ride a Wheel weighing from 40 to 45 lbs. when she can get a wheel of this kind? A '93 PATTERN CLEVELAND, 31 POUNDS 75¢. This is a bargain. Snap it up.

W. S. RISHTON, AGENT FOR COLUMBIA COUNTY, Opposite Post Office.

We met an aged and respected gentleman the other day, who remarked in connection with our connection with THE COLUMBIAN that he had taken the paper through all its devious ways, from Tate to Elwell, for about 50 years; and he left me under the impression that he had no immediate purpose to quit taking it now.

### SPINK, SPUNK, SPANK.

A man by the name of Spink has married a lady by the name of Spunk and now a newspaper grammarian declines the lay thusly: Present tense, Spink; past, Spunk; future, Spank. What a horrible pun!—Shickshinny Democrat.

### A Trotter.

George Aurand, proprietor of the Central Hotel, Bloomsburg, who owns the trotting horse "Grover," claims to have refused a cash offer of \$1,000 for that animal last week.—Weekly Tablet.

### Normal Concert.

All of our citizens who attended the Music Recital given some weeks ago by the music pupils of the Normal, doubtless will remember how well each and all acquitted themselves.

On Saturday evening, April 21, the Musical Department of the Normal, under the very efficient leadership of Miss Rosa M. Haas, will give a concert in the auditorium.

The diagram is now open at Slate's bookstore. The admission has been placed at 30 cts.

### A Prevarication.

According to latest chronological events, there is one editor in Heaven. How he got there is not surely known, but it is conjectured that he passed himself off for a minister and stepped in unsuspected. When the dodge was discovered, they searched the realms of felicity in all their length and breadth for a lawyer to draw up the papers for his ejection, but they failed to find one, and of course the editor is still holding the fort.

### HE PLUCKED THEM.

Mr. Thos. L. Plucker, of Philadelphia, as a committee of one representing the Organized Charities of the city, recently proceeded to pluck the charitably disposed by passing himself off as the nephew of the Mayor, and taking whatever was given to relieve the distressed. Considering himself first in this category, he seems to have husbanded all revenue thus collected until he was finally pulled in for forgery and obtaining money under false pretenses. Not peing the Mayor's nephew, in default of bail he went to jail.

Here are chances for three industrious young men who are willing to work hard. The Lockhaven Base Ball Club wants a pitcher, catcher, and third baseman.

### TO CORRESPONDENTS.

In making up a newspaper it is sometimes necessary to carry interesting correspondence, &c., over to next issue. Time of its arrival, space required, and the temporary or permanent application of the writing, necessarily enter into consideration. We mention it because we deem it due our worthy correspondents whose writings we generally appreciate.

JAMES H. MERCER, P. M.

The theme of Dr. Graydon in the Y. M. C. A. hall, on last Monday night, was "Nursing from a Physician's Standpoint." While we could not help thinking the doctor's minute directions would be difficult to comply with in most cases, for want of means, yet we believe his remarks were all along the line of good advice, and well received generally. We think he, as a doctor, had the entire sympathy of the audience when he referred to the carelessness of some nurses in allowing a poultice to slide from the base of its proper location and put in its fine work somewhere else. The music furnished under direction of Mr. Elwell, organist of the Episcopal church, was well rendered and fully appreciated by the audience who returned a vote of thanks.
