LOSS OF POWER and vital force follow loss of flesh, or emaciation. These come from impoverished blood. Dr. Pierce's Golden Medical Discovery enriches the blood, stops the waste of strength and tissue, and builds up healthy flesh. Nasty Cod liver oils add fat but not wholesome flesh. Thin, pale, puny and scrofulous children are made plump, rosy and robust by the "Discovery." They like it, too.

In recovering from "Grippe," or in convalescence from pneumonia, fevers, or other wasting diseases, it speedily and surely invigorates and builds up the whole system. and have induced many to use it. "Thirty-five years ago this Spring, I was run down by hard work and a succession of colds, which made me so feeble that it was an effort for me to walk. I consulted the doctors, but kept sinking lower until I had given up all hope of ever being better. Happening to be in a store, one day, where medicines were sold, the proprietor noticed my weak and sickly appearance, and, after a few questions as to my health, recommended me to try Ayer's Pills. I had little faith in these or any other medicine, but concluded, at last, to take his advice and try a box. Before I had used them all, I was very much better, and two boxes cured me. I am now 80 years old; but I believe that if it had not been for Ayer's Pills, I should have been in my grave long ago. I buy 6 boxes every year, which make 210 boxes up to this time, and I would no more be without them than without bread."-H. H. Ingraham, Rockland, Me.

TREASURER OF SCHOOL BOARDS.

The legal decision emanating from the Supreme Court that a school director cannot be the treasurer of the school board will necessitate a change in more places than Bloomsburg. In fact we think as a rule this official has heretofore been chosen from the membership of the board. The change will no doubt be of good effect.

There is in fact generally too much disregard of either law or equity in filling the minor offices. Whether compatible or incompatible is seldom taken into the consideration in the rural districts, where it frequently happens that the man who can get the most holds the most offices, and his sovereign right to do so is seldom questioned if he gets the majority vote for the

Drives Blindfolded to Addison G. Marr's Law Office.

Prof. Calef gave one of his celebrated driving tests between 11:30 and 12:30 to-day in the presence of a large number of people. He drove from the City hotel down Shamokin street to Independence and in ten minutes from the time of leaving the hotel he found a ten cent piece, which had been placed in a sliding panel in A. G. Marr's law office. The great and mystifying performance was greeted with applause Everything per-taining to the test was honorably per-

At 11:30 Messrs. Henry Hover, of the *Daily News*, Lawyer J. Q. Adams, H. G. Steel and J. F. Haas, of the *Daily Herald*, entered Prof. Calef's room at the City. Mr. Adams, as notary public had the committee of above gentlemen, including himself, affirm that they would perform their duty honestly to themselves and Prof. Calef. A double carriage was in waiting and Messrs, Adams, Steele and Hoover left the room to hide an article. Mr. Haas guarded the professor.

Mr. Adams and party drove down Shamokin street and stopped at Shissler's drug store, after which they drove down Spurzheim to Rock and Indepen-dence and placed the ten-cent piece as has been already stated.

Then they drove to the hotel and were admitted to the room by Mr. Haas, after which the mind reader was blindfolded. A map of the borough suspended from the wall. The professor, with a lead pencil, traced the route traversed by the committee and pointed the exact block and lot on which Mr. Marr's office stood. While doing the tracing the mind reader grasped each of the committeeman's hand alternately.

The entire party left the room and

entered the conveyance. The professor drove and stopped for a brief period at Dreher's Bros., Chris Lessig's and N. Schneider's after which he entered Mr. Marr's office and while holding Mr. Adam's hand made the marvellous discovery. Tomorrow night he performs in the Opera House.

The above is taken from the Shamokin Herald of last Saturday. Prof. Calef will give entertainments in the Opera House next Monday and Tuesday nights, and will give his wenderful driving test on Monday at 12 o'clock noon, starting from the Ex change Hotel. The evening entertainments consist of mind reading, sleight of hand, spiritulistic exposures, and other similar feats. Prices, 25, 35 and 50 cents.
