THE SUGAR DISTRIBUTION COM-BINE.

With the possible exception of its illustrated pamphlet giving export discounts on protected manufactures, and published some years since, the pamphlet on the Sugar Distribution Combine by Hon. John De Witt Warner, just issued by the Reform Club, is perhaps the most interesting of its wide known series.

CLEVELAND, Ohio, December 12 .-Mr. William H. Price, a prominent man, and a member of the firm of Chandler & Price, residing at 124 Hawthorne avenue, was murdered by burglars early this morning.

The burglars were discovered in the house by Mr. Price, who was aroused by the noise. He proceeded to investigate, and when they found themselves discovered one of them drew a revolver and shot Mr. Price, the shot taking effect in the breast.

Mr. Price lived only a few minutes after receiving the wound. The burglars immediately made good their escape. The entire detective force is at work on the case, but as yet they have not been captured.

A Blow at Church Fairs.

The church fair got a sorry blow at the hands of the Union county, New Jersey, Grand Jury. The jury urged that it is a prevalent evil among mucous surfaces. Hall's Catarrh churches, clubs and other organizations to raise money by means which was prescribed by one of the best the law had adjudged to be a lottery, especially at election times. Candi dates are importuned to take chances by not only officials of organizations, but by women and children. The jurors felt that some of the persons engage in the practice innocently, while others know it to be wrong, but rely on the old excuse that a charitable end j sifies unlawful means. The jury says that one church in Elizabeth has announced a fair at which \$500 worth of stock is to be rafflled. The clergymen and officers of the association were warned and their attention called to the inconsistency of any crusade against race track gambling if, under cloak of religion, they per mitted an equally unlawful practice .-Shickshinny Democrat.
