The contrast between disease and health is as sharply marked as that between darkness and light. The sufferings of disease make enjoyment of life impossible and perfect health makes even a commonplace existence a bright and happy one.

The truest thing about disease is that most of it is needless. Nine-tenths of it can be subdued by very simple remedies. Even that most dreadful malarial consumption, can be cured in 98 cases out of a hundred, if it is treated in its early stages with Dr. Pierce's Golden Medical Discovery.

Married.

Consumption is a disease caused by impurity of the blood, and the first thing to be done in its treatment is to make the blood pure, rich and wholesome. That is half the battle. The other half is the impregnation of the blood with cleansing, healing, invigorating medicines. The "Golden Medical Discovery" does both. It first puts the whole digestive system into perfect order, rids it of all impurities and from the vantage ground so gained, reaches out to every fiber of the body and restores all to perfect vigor. It cures many diseases, simply because many diseases spring from a set of common causes. The same disorder may lead to different symptoms in different people. What might be only a little indigestion in one person, may combine with a slight cold in another and result in consumption. A treatment that tones up the whole system is always the safest. A medicine that is good for the general health is pretty sure to cure ordinary diseases. Six cents in stamps with this notice, sent to World's Dispensary Medical Association, Buffalo, N. Y., will bring a large 160 page book. It contains photographs and letters from hundreds who have been cured by Dr. Pierce's Golden Medical Discovery.

Waterproof collars and cuffs that will not wilt, are not affected by moisture and look just like linen are all the fashion now. They are made by covering a linen collar or cuff with "celluloid" and are the only waterproof goods made with an interlining, consequently the only ones that will stand wear and give perfect satisfaction. Try them and you will never regret it. Always neat, and easily cleaned. When soiled simply wipe off with a wet cloth or sponge. Every piece of the genuine is stamped as follows:

Ask for those so marked and refuse any imitations, as they cannot possibly please you. If your dealer does not keep them, we will send a sample direct on receipt of price. Collars 25c. each. Cuffs 50c. pair. State size and whether stand-up or turned-down collar is wanted.

Hood's Sarsaparilla Cures.

Almost every neighborhood contains some one who has been helped by Hood's Sarsaparilla. Mrs. J. Tingley Mullen, of Clearfield, Pa., writes under date of Nov. 28th, as follows: "Last winter our oldest boy had the mumps after which he got cold and it turned to diphtheria. We did not think he could get well, and after he did recover he had not sufficient strength to walk. He had no appetite and we got a bottle of Hood's Sarsaparilla and he began taking it. In three days he was able to eat as well as usual. My husband had catarrh of the throat and the doctors could not relieve him so he took Hood's Sarsaparilla and he has not been troubled since. Last spring I had a pain across my kidneys which troubled me a great deal and I was also afflicted with swelling in my throat; I took two bottles of Hood's Sarsaparilla and a box of Hood's Vegetable Pills, and have no such troubles since."

is now ABSOLUTELY CERTAIN in ninety out of a hundred cases where the rupture can be returned. I give a written guarantee to cure or no pay. No knife, no inconvenience, no operation, no detention from business and no truss to annoy you afterwards. One visit to my office weakly for from four to eight weeks is usually sufficient for the worst cases.
