#### BENTON.

#### ORKS.

E. J. B. is back again at the Forks. The crops around here are turning out well.

Wm. Unangst has parted with one of the finest cows and calf in this section.

Mr. and Mrs. Mears from Bloom, took dinner with Wm. Unangst family on Wednesday last.

On Saturday p. m. last a picnic was held in the Laubach grove from Rohrsburg. At night, a grand festival held for the Zion Sunday School. Everybody was there. The festival was a success.

Mr. and Mrs. Arthur Ammerman and Mrs. Albert Smith of Berwick, have been visiting friends here and attended the festival. Albert Shives' wife from Bloom attended the festival.

Mr. and Mrs. Birt Frens and son Harold, of Scranton, have been visiting the family of Wm. Unangst for several days, and have returned to Scranton.

Mrs. P. A. Leisenring of Nanticoke, has returned after visiting friends here.

Jas. Ammerman is the old fisherman of this section. He has caught some splendid black bass during the past week. Visitors coming here to hunt fish find a nice and convenient home at Mr. Ammerman's. Mrs. Ammerman and daughter know how to cater to the pleasant people that visit here for recreation.

The people of this section are astonished at a depraved act perpetrated by some one who hadn't the fear of God before his eyes. He entered the barn of Wm Unangst and ruined the top of a splendid buggy, including the box and mutilating some of the running gear. The dash board, top, seats, &c., were cut into great gashes so that they can never be used again. It was one of the best buggies in the country. One would suppose that William Unangst had not an enemy in the country. There are people in this world who are capable of doing anything diabolical. Jesse James would hardly be guilty of entering a man's barn, ham string a horse, ruin a buggy, or burn the barn.

Mrs. Maggie Zellemyer and children of Watson town, and Mrs. Hiram Shaffer of Orangeville, are visiting friends at Forks.

Miss Grace Ammerman is paying a very pleasant visit among friends in Wilkes Barre and N. Y. state.

We paid a short pleasant visit at Stillwater recently and found B. F. Edgar in full bloom. He has fine water power for his distillery and running to full capacity; has a large crop of swine, the best we have seen for many a day. His son has charge of affairs and McHenry is still there as gauger and bondsman. B. F. has a large market for his brands in New

York and Philadelphia.

Capt. Gara is still a resident of Forks. He has completed a fine job of workmanship at Evansville for Silas E. Moyer, putting new machinery in the old mill there. The Captain is an accomplished millwright and bridge builder.

Rudy Unangst, George Unangst, Frank Hill and Aaron Oliver of Berwick, have had a fine outing at Forks, tenting and fishing during the last week. Had plenty of visitors on Sunday last among which lively Drum, the shoemaker, and companion from Berwick. While other parties tenting here have not conducted themselves properly, the above young gentlemen reflected credit upon Berwick by proper demeanor.

#### The Bicycle in Japan.

The all-conquering bicycle has invaded Japan and is now a familiar sight in the land of the jinrikisha. The Europeans take to it kindly and the little brown men and women are equally enthusiastic. The government has equipped many of its postmen with roadsters, especially those who deliver mail in the suburbs or in the country districts. In each brigade a bicycle corps has been formed who are daily drilled in about the same style as similar organizations in the armies of Europe. The Japanese people themselves still regard the wheel as a great curiosity, but are beginning to both master and manufacture it. Some of the Japanese women have adopted a queer bicycle costume that is a combination of the bloomers with the native dress. It is neither Japanese nor European. Combined with the upper part of the kamona costume the Japanese ladies clothe their nether limbs in what are neither knickerbockers, trousers, zouaves nor bloomers. The ludicrous effect is heightened by the girl having a national habit of turning the toes in developed to its largest extent. All that you see when she passes you is a pair of round and pretty heels wobbling in an uncertain manner and a little body coiled up that makes you think of a gay little monkey on top of a pole.

The teachers elect of the Bloomsburg schools are requested to meet with the Board of Directors in the High School Library on Friday evening of this week. The matter of text books will be considered at the meeting.

Jas. C. Brown, Sec'y.

Women wearing Worth dresses and men wearing diamonds, are just as unhappy and uncomfortable over stomach and bowel troubles as are those who have only calico and bone buttons. None of us live natural lives. We eat too much and are careless about our health. Abused nature finally revolts. Occasional constipation becomes chronic. Bowels won't work. Stomach gets sour and generates gas. Liver gets full of bile. Bile gets into the blood. Headaches come, dizziness, loss of appetite, loss of sleep, foul breath, distress after eating—and all because Nature did not have the little help she needed. One of Dr. Pierce's Pleasant Pellets would start the poisonous matter in the way it should go. If there's a good deal of it, better take two—that's a milder cathartic dose. Dr. Pierce's Pleasant Pellets never gripe and they cure permanently. You needn't take them forever—just long enough to regulate the bowels—then stop. In this way you don't become a slave to their use as with other pills. Once used, they are always in favor. Some designing dealers do not permit their customers to have Dr. Pierce's Pellets because inferior pills afford greater profits. Such dealers are short-sighted. They overlook the fact that next time you will go where you are supplied with what you ask for.

#### Harper's Magazine.

David Graham Adey will contribute to the September Harper's the history of "Malbrouk s'en va-t-en guerre," the song that Tribly sang at her Paris debut, and trace it down from a remote past through important historic movements to a tune now familiar in every civilized country.

In the same number the third paper in Poutney Bigelow's German Struggle for Liberty series will describe the demoralization of Prussia through the nobles, the revival of patriotism among the people through the efforts of Nettelbeck, Schiil, Gneisenau, and Scharnhorst, and the famous conference at Erturt, at which Napoleon alternately dazzled and insulted the Czar and the German princes.

#### Everywhere We Go

We find some one who has been cured by Hood's Sarsaparilla, and people on all hands are praising this great medicine for what it has done for them and their friends. Taken in time Hood's Sarsaparilla prevents serious illness by keeping the blood pure and all the organs in a healthy condition. It is the great blood purifier.

Hood's Pills become the favorite cathartic with every one who tries them. 25c. per box.

Tour to the North via Pennsylvania Railroad—The Last of the Season.

The last of the Pennsylvania Railroad Company's personally-conducted tours to the North will leave on August 20.

These tours traverse more than seventeen hundred miles of the most magnificent country, and a participant in the last tour, an extensive traveler, states that in his experience he has found no other tours of equal distance so replete in points of genuine interest, every one of which is in itself well worth the trip. The stop at Quebec, a new feature, added greatly to the success of the last tour.

The names of the places to be visited are familiar to all and suggestive of wonderland. No matter how much may be expected, one cannot be disappointed in Watkins Glen, Niagara Falls, Thousand Islands, Quebec, Montreal, Au Sable Chasm, Lakes Champlain and George, Saratoga, or the Highlands of the Hudson. The round-trip rate of \$100 from New York, Brooklyn, Newark, Trenton, Philadelphia, Harrisburg, Baltimore, and Washington will cover all necessary expenses during the time absent. A beautiful descriptive itinerary can be procured from the tourist department of the Pennsylvania Railroad, 1196 Broadway, New York, or Room 411, Broad Street Station, Philadelphia.

A good quality of envelopes can be obtained at the COLUMBIAN office, for \$2.00 a thousand, with business card printed on the corner.
