The hotel of our popular Sheriff Boyd McHenry at Benton is the same good hotel as of yore. It has a fine run of traveling custom. His register is replenished every day with new names who visit Benton. This hotel keeps up its popularity by setting an excellent table and supplying the best of samples at the bar. You always find Web Kline on hand, polite, prompt and attentive as the proprietor of the hotel.

We had the happiness to meet with Prof. Clyde L. Hirelman, who is the Principal of the schools at Benton. He is a graduate of the Normal School of Bloomsburg of '93. He seems to be a bright young man and with his special experience as graduate of the Normal school at Bloomsburg and as principal of the schools of Nescopeck during the winters of 93 and 94, at Benton during the last term, we feel confident he will meet with success. We found him engaged in preparing the program of studies for the schools of Benton for the coming term.

The Independent is right in saying "they will hunt awhile before they will find better timber." The Prof. is a graduate of Lafayette College, Easton, and has taught 3 years in Berwick with great acceptability and efficiency. We feel confident that he will fill the bill as completely as any experienced teacher of Columbia Co. H. F. Kelchner, proprietor of the

Exchange of Benton, is a popular landlord and running a good hotel. His accommodations please the public.

A large party from Bloomsburg visited Forks on Wednesday last 21st.—the party given by Mr. and Mrs. Slate of Bloomsburg. They stopped at merchant Amerman's and were accommodated with a fine supper gotten up by Mrs. Amerman and family who know how to straighten out a good warm meal at any time, containing all the good condiments to suit the most fastidious Epicurean.

The party consisted of Mr. and Mrs. Slate, Mr. and Mrs. Peacock and Miss Peacock, the Misses Packer, of Sunbury, Rev. Patterson's son and daughter, the Misses Waller and Master Waller, Miss Gertrude and Edith Miller, the Bernhards, Miss McAnall from Berwick and twin brothers, Slates, from Williamsport, and others to the number of 28. Motherhood is the acme of womanhood. It rounds out a woman's life and completes her most important mission in the world. The bearing and rearing of healthy, happy children is the chief achievement of any woman's life.

Health is an inheritance due to every child and within the reach of every parent to bestow. It is something that costs no money and is more precious than a mountain of diamonds.

The child's health depends almost wholly on the mother's, not only before its birth but afterwards. A sick mother can't properly care for her child's health. A sick mother sometimes bears a healthy child, but it isn't to be expected. Maybe the baby will possess the appearance of health, but will lack stamina. Maybe innate weakness will develop in after years.

Every woman should be particularly careful of her health during the period of gestation—when the child is really a part of herself.

During all this time, she should keep her body strong and pure and she should take proper precautions against her time of labor. For this purpose Dr. Pierce's Favorite Prescription is prescribed. It has been used in thousands of cases, with the most gratifying results. It is a tonic to the whole body, but particularly to the organs distinctly feminine. It cures all female troubles and promotes regularity.

A large book, written by Dr. Pierce, entitled "Woman and Her Diseases" will be sent (securely sealed in plain envelope) to those who will send this notice and ten cents, in stamps, to part pay postage. Address, WORLD'S DISPENSARY MEDICAL ASSOCIATION, No. 663 Main Street, Buffalo, N. Y.

THAT'S QUEER!

You say a collar and cuff that are waterproof?

Yes. And perspiration will not affect them?

Yes. And when dirty you need only wipe them off with a wet cloth or sponge?

Yes. Wonderful! How are they made?

A linen collar covered on both sides with waterproof "CELLULOID." Looks exactly like a linen collar.

Is it the only waterproof collar and cuff made?

No, but it is the only one made with the linen interlining and consequently the only one that can give entire satisfaction, because it is the best.

How can I know that I get the right kind?

Because every piece is stamped as follows:

Inquire for that and refuse anything else, or you will be disappointed.

Suppose my dealer does not have them?

He probably has, but if not, send direct to us, enclosing amount. Collars 25c., Cuffs 50c. State size, and whether collar wanted is stand-up or turned-down.

Women May Get Shoes Shined. The new woman will not black her own shoes. No one has discovered that quicker than the bootblacks. Accordingly a sign new to the streets is springing up in various parts of the city. One in outline is in process of construction on a basement window in Wabash avenue. It reads: "Ladies' Shoe Polishing a Specialty." Down below stairs cushioned chairs stand in a row on a white marble rostrum. Dainty brass footrests are placed in front of the chairs and the whole is concealed from the male portion of the establishment by a fancy Japanese screen. The place is not far from the Woman's Club and is near the Woman's Exchange, the Noonday Rest, and the new Suburban Club for women, and promises to do a good trade.—Chicago Tribune.

Always the Same. The new woman! Nonsense! Let her rig herself up as she pleases, let her talk as she will, she is and will always be the same dear old girl.—New York Sun.
