Dr. I. L. Rabb, is making preparation for laying a cement pavement in front of his residence on West Main Street.

H. B. Low of Orangeville keeps all sizes of coal in his yard, and delivers all orders if desired. His prices are reasonable, and his coal is clean.

The employees of the D. L. & W. Rail Road at this place were made happy on Monday by the arrival of the pay car.

There was a large hole in the bottom of the culvert which crosses Market Street at Fourth which was repaired during the past week.

J. K. Bittenbender, tax collector, gives notice that all unpaid taxes for 1894 must be paid at once. Better pay up and save trouble.

The yard surrounding the home of William Logan on Seventh Street, is being beautified by sodding and grading.

The two double houses which A. C. DeShepard, is having erected on Rail Road Street, will be ready for occupancy in a short time.

A man and two performing bears appeared on the streets a few nights since. The children were delighted, but poorer, after his departure.

John G. Freeze, Esq., purchased twenty shares of stock of the Bloomsburg Banking Company at public sale Tuesday-afternoon for \$125 per share.

Bryson Lyons, is building a new house in Ralston's addition. He already has a fine one in that section of the town.

On Monday last Judge Ikeler notified the Counsel on both sides, that if agreeable to them he would sit either on Friday or Saturday of this week to hear arguments on the demurrer to the injunction bill against the Town.

Portions of the board walk on Eighth street, between Catharine and East, should receive immediate attention by the Town Council. In its present condition it is dangerous, and the town may have some one's limb to pay for unless attended at once.

Parties attending Court or the Fair can find excellent accommodations at reasonable rates at the Farmer's Hotel on Iron Street. Good stabling attached.

An ineffectual attempt was made to burglarize the Berwick post office, Monday night. A hole was made in the safe, but they were unable to blow it open. Owing to the great concussion the plastering was thrown from the ceiling.

Evidently this is a bad year for shows. "Tom Sawyer," which was to appear in the Opera House last night failed to materialize, and Manager Holmes received word yesterday from "She," announcing that the company had broken up. It was advertised to show here on Saturday night.

Prothonotary G. M. Quick has a dandy new hunting wagon. It is a spring wagon with a long box, giving plenty of room behind the seat, for the dogs, and space enough to haul home a big load of game. It is painted black and yellow. J. B. Brobst built the vehicle, and William Brobst painted it, and it is a nice piece of work all around.

Had it not been for the presence of mind of some of his neighbors D. R. Johnson of Eight Street would have been homeless Sunday night. Mr. Yohe who lives next door discovered that something was burning and upon investigation found that it proceeded from Mr. Johnson's home. Summoning aid the door was broken open and the fire was found to be around the flue.

It was immediately extinguished without doing much damage. Mr. Johnson and family were at church at the time.

Our shirt waist studs, belt buckles, belt pins, &c., are all new and up to date. The fall crepons in heavy cotton for dresses are handsome. Fall gloves, fall hosiery, fall neckwear, &c. A TYPOGRAPHICAL ERROR.

It was a lecture on "The New Woman." What the speaker said was this: "When the New Woman gets her rights, she can ride a bicycle as freely as a man." But the compositor got the types mixed a little, and when the report of the lecture appeared next day in the paper the lecturer was horrified to see that he was made to say that "when the New Woman gets her rights, she can ride a bicycle as freely as a man."

SOMETHING NICE.

Edward Giger, of the Rail Road House, has quite a museum. It consists of seven large, and two small grey squirrels. Ed. and for that matter his father too, take great pleasure in exhibiting them. The large wire cage in which they are confined, is divided into three compartments, and is perfectly adapted for the purpose for which it is intended. It is a pleasing sight to see them frolicing in their cages and any one will feel amply re-paid who takes the trouble to go and see them. It is a rare occurrence for them to be born in captivity.

A MERRY TIME.

Mr. and Mrs. H. F. Deiterich, made sixteen little girls very happy last Saturday afternoon. They decided to give a party in honor of their daughters Aleta and Letha and accordingly the above mentioned number of their playmates were invited. They were conveyed to Oak Grove and their shouts of laughter made the old grove ring and reverberate. The entire afternoon was devoted to games, and at five o'clock they were summoned to supper. And such a supper! The refreshments were in abundance and of endless variety and gotten up in such a manner as is known to only the Host and Hostess. The festivities were concluded by each guest receiving a souvenir which was in the shape of a beautiful picture of two little girls, to which was tied by pink and blue ribbons a card bearing the inscription "Compliments of Aleta and Letha." They departed to their several homes feeling under great obligation to Mr. and Mrs. Deiterich and hoping for a speedy return of a like occasion.

The death of John Eyer, only son of William Eyer, is announced as having occurred in Florida on the 8th inst. Interment for the present will be in that State. He was a bright young man, just reached manhood, but that fell destroyer, consumption, claimed him. The sympathy of Catawissa friends is with the bereaved ones.

PATRONIZE IT.

Our curb markets are good, and should be better patronized by the people. It is to their interest to do this, as the more purchasers, the more there will be brought to it and offered for sale; hence the greater variety and the better the selection. Those who wait until after the market closes and the vegetables &c. are brought to their door, have only what is left from which to purchase. Were the market well attended the prices would be lower, as there would be more competition.

Our people complain about the prices and they are in a great measure responsible for it. Hucksters cannot bring to the market a wagon load of produce, sell half of it, and take the rest home, and sell as cheaply as he could were he able to dispose of the whole load. This matter is worthy of consideration.

COLUMBIA COUNTY FAIR.

The forty first exhibition of this popular association will be held on their spacious grounds in Bloomsburg October 8 to 12 inclusive. It is the purpose of the present management to make an advance, if that be possible, upon previous years both in exhibits and liberal premiums paid. The purses have been adjusted to meet the demands of the patrons and have been increased over the past year. From the number of inquiries received and the spaces already engaged for exhibits, the coming exhibition will be a successful one. Bicycle races will also add to the attractions. Good music has been secured and special rates of fare on all railroads.

A novel and world wide special attraction has been secured. A branch Express office will be established upon the grounds during Fair week.

Were Amply Repaid.

The meeting in the Y. M. C. A. tent last Sunday, was a success in every particular. The attendance was unusually large, the music excellent, and the address which was delivered by Secretary Boas, was in keeping with the occasion. Inasmuch as it was near the anniversary of the battle of Antietam, the services were along the patriotic line. The address was listened to by a large number of veterans, and every one came away feeling amply re-paid for the time expended.

Drug envelopes, Nos. 1, 2 and 3 manilla, white or colored, coin envelopes, and shipping tags, with or without strings, always in stock at this office. t f.
