AT THE FORKS OF THE ROAD

is where one needs discretion. Either may lead to destination, though one may be rough, long and hilly, while the other is short, smooth and level. It's best to investigate before you start. The road to success in business leads through a business education. There are Business Colleges on either fork. Investigate before you enter. You can learn a great deal about this one from our Journal (free for the asking), from graduates holding good positions in all parts of the country, and from business men who have employed them.

You can make it look like new for 10c

How? By the use of a package of the imported *German Household Dyes*. It makes no difference whether it is wool, cotton, silk, or linen, the same dye does the work for all. There is where it has a big advantage over all others. Then you get a piece of yarn with each package which shows you the exact color you get. They are all fine bright colors and guaranteed fast. Try them and you will use no other. The price is 10c. We also have Diamond Dyes, Extra Logwood and a full line of dye stuffs. This should save you money and if you watch this space every week you will save more.
