To Protect the Babies.

The department of agriculture at Harrisburg has received letters from many mothers asking for an investigation of the many adulterated and deleterious foods which are now sold as pure, harmless and nourishing for infants.

Mr. Moore, special agent of the department, has also been informed by physicians, that much of the stuff sold as wholesome food for infants did much to ruin the child for life, and created unnatural appetites for stimulants and opiates, which proved ruinous to the child.

Physicians have also told him stories of after effects of the use of some foods which can scarcely be credited. There are about fifty of these foods and milks on the market, and samples are now being secured in western Pennsylvania by Agent Moore.

A Monumental Church.

A project is on foot to erect the "National Monumental Church edifice" at Osceola Mills, Clearfield county. It is the desire that every national and state official in the union shall contribute sufficient money to purchase a stone for the edifice—no stone to cost more than five dollars.

The stones will be procured in a quarry not far from Osceola Mills, and each contributor will have his name cut thereon. Sufficient contributions have already been secured to cover the cost of the roof and the inside work.

A Chump in the Ice Box.

Sing a song of penitence, a fellow full of rye, four and twenty sprogents dancing before his eye. When his eye was opened he shouted for his life; wasn't he a pretty chump to go before his wife. His hat was in the parlor underneath a chair, his boots were in the hall, his coat was on the stair.

His trousers in the kitchen, his collar on the shelf, but he hadn't any notion where he was at himself. When the morn was breaking, some one heard him call, his head was in the ice box and that was the best of all.

Use it in Time. Catarrh starts in the nasal passages, affecting eyes, ears and throat, and is in fact, the great enemy of the mucous membrane. Neglected colds in the head almost invariably precede catarrh, causing an excessive flow of mucus, and if the mucous discharge becomes interrupted the disagreeable results of catarrh will follow, such as bad breath, severe pain across forehead and about the eyes, a roaring and buzzing sound in the ears and oftentimes a very offensive discharge.

Ely's Cream Balm is the acknowledged cure for these troubles.

DR. DAVID KENNEDY'S FAVORITE REMEDY

Commander Dean writes: "As Chief U. S. Mail Agent of the U. & D. R. R. good health is indispensable. I found myself however all run down with Dyspepsia. I doctored and doctored, but I grew worse. I suffered misery night and day, for fully two years. My case was pronounced incurable. I chanced to meet Dr. Kennedy about that time, and told him of my condition and he said, try a bottle of

DR. DAVID KENNEDY'S FAVORITE REMEDY

take it morning, noon and night, and it will cure you. I took the medicine as directed, but had no confidence in a cure, as my case had been tried by so many. After using it a week I began to feel better, and in a short while after that I was entirely cured. That terrible distress, everything I ate, breaking up sour in my throat had all gone and I have not had a moment's discomfort since. Today there isn't a healthier man and my appetite is grand."
