THE BARS OF HEALTH

once down, disease finds an easy entrance.

If there is a weak spot in the body, disease-germs will find it. They will lodge right in that spot and unless they are driven out at once, will increase and multiply and grow into seriousness. Weakness is a predisposition to disease. Whether the weakness be local or general, it is dangerous. Good healthy strength all over the body is the best safeguard against disease. Debility of any kind is a direct invitation to serious sickness. The reason that Dr. Pierce's Golden Medical Discovery cures 98 per cent. of all cases of consumption if taken in the early stages of the disease, is that it puts the whole body into a hearty, healthy condition. The poisonous tubercular matter is thrown off by the lungs, and the pure, rich blood coursing through them, quickly stops the inflammation, heals the broken membranes and makes the lungs perfectly strong and sound. Consumption is marked by wasting away of the bodily tissues and vice versa. A wasting of the flesh brings on consumption. Doctor Pierce's Golden Medical Discovery induces the accumulation of sound, hard, healthy flesh. It increases the appetite and the capacity of the digestive organs for the assimilation of food. It is a purifier, a tonic and a powerful curative remedy, all in one bottle. All who will send their addresses, this notice and six cents in stamps, to World's Dispensary Medical Association, Buffalo, N. Y., will receive by return mail a large book of 160 pages, which tells all about the "Golden Medical Discovery."

TOWN FATHERS MEET.

The Last Meeting but one of the Present Council. Important Business Transacted.

The Town Council met at the City Hall Monday night and for a time it was supposed there would be no meeting as only President of Council Creasy, Lockard and Knorr were present. Just about the time they had concluded to adjourn Gorry came in, and the council was called to order. The minutes of the previous meeting were read and approved. Mrs. McCormick, Mrs. Mellick and Isaiah Holter appeared and stated that their deeds for lots in what is now known as Neal's addition called for an alley at the rear, and they had been informed that the plot as laid out by Mr. Neal contained no alleys, and inasmuch as the Council was about to accept the same, desired council to examine into the same so as to protect their rights. The matter was referred to the committee on highways, and the solicitor was authorized to withhold the ordinances in relation thereto.

John P. Jones appeared and complained about the condition of that part of the town between Seventh and Eighth Streets, and Catharine and Iron, stating that it was frequently inundated owing to want of sufficient gutters to carry off the water. He suggested the propriety of laying pipes to the canal. Mr. Creasy informed him that the present council would soon be out of office, and in view of this fact, as well as that it would be expensive to dig up the streets at this season of the year the matter was postponed for the present.

Frank Miller desired to place two Welsbach's lights in the council room. He was informed that this council did not intend making any more purchases than possible during the balance of their term and hence action on the matter was postponed.

J. C. Brown complained of the practice of certain parties in burning papers near the High School building.

That it was not only a dangerous practice, but was injurious to the building. The committee on highways was authorized to notify chief of police Knorr to arrest any one caught burning papers at this place.

The solicitor was present and gave the council some information in regard to Jefferson Street, and also had a list of persons whose names appeared on the tax duplicate in the hands of M. C. Woodward as being delinquent in their taxes which he desired the council to exonerate. J. K. Bittenbender also presented a list both of which were referred to the finance committee. They were authorized to examine the same and make a report to council. The highway committee reported that they had received another bid for the stone crusher. The secretary was instructed to write to the Silver Spring Quarry Company, and also Low Bros. and get their bids for the same.

The Friendship Fire Company reported forty-eight members and the engine in good condition but the hose cart not fit for use. Stephen Knorr was authorized to set the tire on the same.

Winona Fire Company reported twenty members.

Upon motion the appropriation to the companies were fixed the same as last year viz: \$75 for the Winona, and \$150 for the Friendship. The secretary was authorized to draw orders for the same.

The Atlantic Oil Refining Company desired a fire plug near their works and upon motion, it agreed to have one placed at the southeast corner of Seventh and Market Streets. A petition was presented from citizens residing on West Fourth Street requesting council to allow the grade to remain as it is at present. This is a matter which has caused the council a great deal of trouble and it was upon motion decided to hold a meeting on the evening of February 20th to dispose of this question.

Council in the meantime to visit the location and notice to be given the parties. East Third Street was reported as being in a dangerous condition. The matter was referred to the committee on highways.

C. C. Trench, and H. G. Supplee appeared and complained that the sewer on Fifth Street between Centre and Market had not sufficient fall, and in consequence Mr. Trench was subject to great annoyance. They desired it re laid and connect with the Fifth Street sewer West of Market Street. Referred to committee on sewers with power to act.

The following building permits were granted: Mrs. M. E. Creasy for a two story brick kitchen on Main and Jefferson Streets. J. H. Mercer, two story brick addition to his residence on Third Street. There was also a petition asking the council to erect two new electric lights, one at the east end of Eighth Street near Neal's bridge, and one near Martin Randell's on Ferry Road. Referred to committee on lights.

Bills were presented and the secretary directed to issue orders for the same as follows: W. O. Holmes, work on fountain..... \$ 13 00 Democratic Sentinel publish'g Ord. and printing..... 7 00 D. I. & W. R. R. Co.,

Table with freight, Car Mt'g, Co., iron and work, Steam Co., for heat 2 mos., Water Co., 56 hydrants 2 months, etc. Total 1 60.

J. B. Hunt also presented a paper showing he had paid his poll tax here and at New Jersey, and asked Council to refund the amount paid here. The matter was laid on the table.

No further business appearing Council adjourned till Thursday night, February 20th, for the sole purpose of taking up the Fourth Street grade.

NEW CAMP INSTALLED.

Last Friday night was a red letter one in the history of Mt. Pleasant township. For some time, an effort has been on way for the organization of a new camp of the P. O. S. of A., and on the above date the matter was accomplished, and in such a manner too, as is seldom witnessed. In response to an invitation from District President Brown, the degree team of the Bloomsburg Camp, went over, and assisted in the services. About sixty persons had signed the application for the charter, and thirty-eight were present for initiation. This being done, the new officers, consisting of the following named persons were duly installed:

- P.—Pres.—Clinton Crawford. Pres.—Barton Shaffer. V. Pres.—Frank Dallmon. Rec. Sec.—Frank P. Davis. M. of Forms—John Mellick. Asst. Rec. Sec.—Amos Whitenight. Fin. Sec.—A. Crawford. Treas.—A. Beagle. Conductor—A. Whitenight. Inspector—Harry Mellick. Guard—Henry Crawford. Chaplain—H. W. Mellick. Right Sentinel—Geo. Whitenight and Geo. A. Mason. Left Sentinel—J. J. Davis and Simeon Mordan.

(Clinton Crawford 18 mos. G. H. Evert 12 mos. Barton Shaffer 6 mos.)

To Rev. D. E. Rupley, of Espy, is due the credit of the organization, as it was principally through his labors that it was effected. The new camp will be known as number 23 and starts out with extraordinarily bright prospects, as some of the best, and wealthiest citizens of Mt. Pleasant township are numbered among its members.
