DEATH OF JOHN J. LAWALL.

One of Bloomsburg's Most Worthy and Highly Respected Citizens Dies Suddenly and Unexpectedly.

John J. Lawall, one of Bloomsburg's most highly respected citizens, died at his home on Third Street, Monday morning apout 2 o'clock. The news of his death was a surprise to nearly all of his friends, as scarcely any one knew that he was sick. About | Ex two weeks ago he contracted a cold, and whilst he was obliged to remain in the house, no one realized or sup-posed that it would be the cause of M his death.

During the few days immediatel preceeding his death he apparent was much better, and contemplate returning to the store in a few day but that "man proposes and Go disposes" was clearly shown in the case. The immediate cause of h death was heart failure. Mr. Laws our town, being a druggist of hig repute, and unquestioned ability, an having since 1875 been in the employ Moyer Bros. During these years he has not only seen their business double in volume, but the town grow from a village, to one of the most prosperous boroughs in Central Pennsylvania. By his death Moyer Bros. lose an assistant whose place it will be exceedingly difficult to fill, in all probability they will never be able to find an all around man, who understands the details of the various departments as did Mr. Lawall. He was fifty three years of age, and leaves to survive him a wife, who has been an invalid for several years, and two sons, Charles, who is in the employ of the wholesale drug house of Smith, Kline & C. at Philadelphia, and Harold, who resides at home. He was a loving and affectionate husband and father, a public spirited citizens and had the confidence and respect of all who knew him. The funeral services were held this afternoon at 2 o'clock P. M. and the interment was in the Rosemont Cemetery. Rev. P. A. Heilman officiated.

THE CHURCH'S TRIBUTE TO MR. J. J. LAWALL,

The following testimonial of ap preciation was adopted by a rising vote of the congregation of St. Matthew's Evan. Lutheran Church on Wednesday evening Feb. 18, 1896, after which a tender prayer was offered by the Pastor for the bereaved family amid the tears of a large congregation

" A great sorrow has come upon us and a great loss to the church in the sudden and, to us, untimely death o our treasurer and member of the council, Mr. John Lawall.

As a congregation we desire t place on record our high esteem of Bro. Lawall both as a man and fellow Christian. He was a man of Peace and ever labored to keep the peace of Zion. He has been a member o St. Matthew's Lutheran Church in Bloomsburg since Jan. 18, 1885 Prior to that both he and his wife were members of the Lutheran Church in Allentown.

April 1, 1894 he was elected member of the church council by the unanimous vote of the congregation. at which time he was also chosen treasurer and the same faithfulness that characterized him in busines he observed as steward of the Lord's money. Scrupulously exact and honest, and courteous, as a banner bearer in the church we greatly mourn his loss and bring the loving tribute of warm affection and appreciation and place it on his bier, and though we mourn his death in the prime of life, we bow our heads in humble submission to the will of the Great Head of the Church, who will not suffer His work to fail though the workers fall, and tenderly commend his bereaved ones to that Friend who is able to comfort and that Father who pities with infinite tenderness and love."

A delegation from Washington Camp No. 319 P. O. S. of A. visited the camp at Light Street last Saturday evening. Fourteen of the members were crowded into A. C. Hidlay's hack and taken there upon short notice. They were royally entertained. Five persons were initiated into the mysteries of the order.

A lecture on "Missions" will be given in the Presbyterian church, on Tuesday evening February 25, 1896, at 7:30 P. M. by Rev. A. R. Bartholomew, D. D. This lecturer comes under the auspices of the C. E. Union It has been stocked with a fine line this county. Pugilists of National of Bloomsburg. Being a free lecture of fresh confectionery and a handsome Endeavors should hear it. Special cream parlor from the store room. music for the devotional exercise has been prepared.

THE CHAMPIONS DEFEATED.

The game of last Friday evening, in which the Pittston Y. M. C. A. team was defeated by the Normal boys, was a notable one. It cannot fail to place the Normal team in the first rank with the teams of this section of the state. Everybody who saw the game can truly say that for team work, as well as for individual playing, the game was as good as they had ever seen.

The game was played in three 15minute innings. The Pittston men one could see that a hot contest would be in order.

Davenport was too much for his opponent and almost always succeed-

This was a dangerous moment for skillful dodging and passing would get several throws at the basket before line. When it went to the other end it fared no better for Harrar and Worthington played all around their men and gave them no chance at get-4.30 ting a goal. Young and Davenport had hard luck for they both by fine playing got many throws at the basket but just missed scoring each time. Fox made some long passes for the basket but like the other center men failed to score. With the divided floor the centers do not have so good a chance to throw baskets. The by a score of 13-2.

A FRATERNAL VISIT.

Last Saturday evening was a red letter one in the history of the Odd Fellows of Benton. Van Camp lodge of this place decided to visit them, and hence chartered a train from the Bloomsburg and Sullivan Railroad Company. At Orangeville they were joined by a large delegation from the lodge at that place. They were met at the station at Benton by the local lodge and escorted to the McHenry House where an elegant supper had been prepared, to which they did justice as only hungry Odd Fellows are able. Nothing odd about their by a bystander, that the only odd thing about it was that there was anything left. They then repaired to the St. Andrew's Reformed church, Read thing about it was that there was anylodge room, where an interesting session was held. They returned home fully satisfied that it was a trip which paid.

That Prize Fight.

Saturday evening it was rumored on the streets that one of the pugilists formed church of the present day; and of this place was to fight to a finish a you will be greatly benefitted it you man from Danville at Buckhorn. As the matter was kept as quiet as possible, only a few were let into the vices of Trinity Reformed Church particulars of the affair and these next Sunday. were taken to the place in a hack. We are informed that the fight as adver- 26th, special services will be begun tised did not come off, but there was considerable scrapping between the Danville and Bloom parties. The authorities at Buckhorn had been in formed of the proposed "mill" and were prepared for them when they put in an appearance. For their prompt action in preserving the peace, and maintaining the law they are to be commended by all the citizens of reputation are obliged to dodge the peace officers all over the country, and it would be a queer state of permitted in Columbia County.

WHAT HUSTLING WILL ACCOMPLISH.

Through the energy of J. K. Leckard the Bloomsburg Car company build five cars complete in twelve hours.

Some time ago the Bloomsburg Car Manufacturing Company, through the efforts of J. K. Lockard, secured an order for the construction of a large number of 60000 pounds gondola cars. In order to hold it it was absolutely necessary that a certain number of them be completed by a certain time. Owing to the size of the cars are large, strong looking fellows, and it was difficult to procure the lumber required in their construction. He telegraphed and telephoned to Milton, Berwick, Philadelphia and Baltimore but without success, and finally ed in forcing the ball into Pittston's through the kindness of Mr. Halstead of the D. L. & W. Rail Road Company, was furnished the large timbers the opponents, for Detwiler or Moore | necessary for the construction of five usually got the ball and by the most of them. The timber was unloaded from the cars, and in twelve hours from that time it was all run through 7.45 their opponents could get it over the the machinery and the cars completed including two coats of paint, and on their way to their destination. The lumber used in the building of the remaining ones was ordered from Georgia and it did seem as though the fates had conspired against the company. The train was in a wreck and everything that possi bly could occur to detain the delivery of the lumber did happen; but here Mr. Lockard again displayed his indomitable will. For three days and nights he worked without rest, or even removing his clothing, but now he has game was won by good hard playing the satisfaction of knowing that perseverance will win. The remainder of the order is being constructed as rapidly as possible, and this one event more than perhaps any other has con-vinced the outside world of the possibilities of Bloomsburg as a manufacturing centre. With all this, Mr. Lockard is modest, and says that had it not been for the hearty co-operation of his employees it would have been impossible to accomplish this work. We might mention in connection with this to show the popularity of the work of the establishment, the fact that they have received an order for a lot of gondolas to go to Gautemala, and a large order for Mr. Lockard's rotary dump car for Central America. In addition to all this they are building trucks for the Jackson & Sharp Co. The people of Bloomsburg have reason to congratulate themselves upon the establishment of a plant in
