

It has been truthfully said that the newspaper "is the greatest educational force in society. It epitomizes and amplifies the pulpit, the rostrum, the stage, the stump and the school. The preacher addresses his hundreds, and wields within his circle great influence. The press takes his words and preaches them to thousands of readers, many of whom seldom enter within the sound of the voice of the teacher of divine truths. "It will thus be seen that whatever the press receives from society by way of patronage and support, it returns a thousand fold on the investment. The press is a private enterprise with public functions."

To Offer a Reward of 100 Dollars

for a case of catarrh that cannot be cured, creates the suspicion that the article so advertised is a humbug. Do you know of any such reward being paid? Ely Bros. do not promise rewards in order to sell their well-known "Cream Balm." They offer the most effective medicaments, prepared in convenient form to use, and at the lowest possible price, 50 cents per bottle. An honest and effective remedy, which is absolutely free from mercurials or other harmful drugs.

Luzerne County is issuing the books for the registration of the children under the Compulsory Education law. The registration will cost at least \$5000 annually.
