BASE BALL.

Sugar Notch and the Normal battled for supremacy on Athletic Field Saturday afternoon, and after nine innings, the game resulted in a tie. Sugar Notch had the game well in hand, until the ninth inning, when with a little loose playing on the part of the visitors, the Normal succeeded in counting six runs, and tying the score. Sugar Notch gave a fine exhibition of ball playing, and had it not been for a pass ball by the catcher in the last inning they would have come off the field easy winners, but nevertheless, Normal put up a good game, and hit the ball hard. Score 9-9.

The Bloomsburg High School team went up to Berwick on Saturday, and showed Berwick how the game should be played. The Berwick team was composed of players from Wyoming Seminary, Bellefonte and Bloomsburg, and no doubt thought they would have things pretty much their own way, but they found things quite different as the game progressed, and as the sun was sinking out of view, Bloomsburg came off the field victorious by the score of 7 to 4. Sharpless pitched a fine game for the High School, and that, coupled with the batting and fine fielding of the team behind him, Berwick was never in the hunt.

AMONG THE PROFESSIONALS.

The Phillies are on the toboggan, and unless there is a great shake-up in the team pretty soon they will finish in the second division.

Washington is playing good ball these days and if they keep up their present game they will make the leaders hustle before the season is over.

Captain Gleason of the New Yorks is one of the very few first class ball players who does not take an occasional glass of beer. His reformation is complete.

Hazleton State League team passed into history on Friday, their playing was not up to former years, and consequently their patronage was small.

Baltimore and Cleveland are having a hard fight for first place, and one of these two teams can be counted upon to fly the pennant of '96.

Liven up there, you "Phillies," and show the people that you can play ball.

If Senator Quay knew no more about politics than he does about base ball he would get badly left. He says of his favorites:—"The Pittsburgs are strong in the box, but they are not well balanced in the field, nor effective with the stilt." Its just the reverse, Senator!

Pitcher Lampe who was not good enough for the Phillies a year ago, is doing great work for Portsmouth of the Virginia League.

Up to June 16, sixteen shut-out games have been played in the National League this season. New York, Washington and Cincinnati are the only clubs that have escaped the whitewash brush. Louisville has got it four times, and Brooklyn three, Boston and Baltimore met a similar defeat twice, and Chicago, Cleveland, Philadelphia, Pittsburg, and St. Louis once each.

Notice From School Board.

Notice is hereby given that the Directors of the Bloomsburg School District will meet on Friday evening, June 26th, 1896, to appoint at least twenty-four teachers and three janitors for the ensuing school year.

Applications from experienced teachers only will be considered. And those elected must attend semi-monthly Institute. Applications will be received up to six o'clock, P. M. of said day by the Secretary.

TEN THOUSAND DROWNED.

This is the Estimate Placed on the Loss of Life in the Tidal Wave in Japan.

It is now estimated that 10,000 people were drowned by the tidal wave on the island of Yesso, the northern part of Japan, which accompanied a succession of frightful earthquakes, lasting about twenty hours. In addition to the town of Kumaishi, which was wholly destroyed, many other coast towns have been washed away entirely or in part.

The school board propose building an addition to the Third street building. The plans which were prepared by B. W. Jury have been approved. The addition will be heated by apparatus furnished by B. G. Carpenter & Co., of Wilkes-Barre.

The devil has the advantage over the clergymen. He doesn't need a vacation during the heated term. Fact is he is right in his element then and prepared to do better work than ever. This does not operate to shorten the preacher's vacation, but it makes the sinner's chances slimmer.

WANAMAKER CLOTHING

The market is broken.

All three stores.

All summer.

Take these four as samples of one grade of clothes—fine worsteds:

- (1) gray-mixed pin-stripes, a clouded effect, \$20 for \$10.
- (2) gray soft twill, \$18 for \$12.
- (3) black-and-blue mixture smooth, \$15 for \$11.
- (4) black-and-light-blue not very small checks, \$13.50 for \$10.

And this is not one-hundredth part of a proper advertisement.

All summer clothing, including black, except serge and Thibet—these two, no change. We never make any profit on Thibet; we make a good deal on serge.

Take our whole stock of men's and boys' suits at a loss of \$20,000 to \$40,000—except those two—those two as usual.

Seems absurd; it isn't absurd; it is wise. It was wise to get ready for prosperous trade this summer; it hasn't come. It is wise to get ready for prosperous trade next fall; it may not come. To get ready, we ought to get our money out of summer stuff.

Such risks belong to the business: the losses have got to be met to make sure of the profits. It isn't all fair weather in business.

There is another way to get through these difficulties; that is to lie and cheat; to pretend to sell cheap and not do it.

You scarcely need to be told that the custom of shopkeepers generally—we don't like to call 'em merchants—is to pretend and not do. It is the custom of saying one thing and doing another that levels us all.

You distinguish between us though. You know, and yet you do not always use your prudence. It is so easy to slip; and hard to be always guided by judgment.

Boys' zouave suits (3 to 7 years):

\$3	for \$2.50
\$3.50	for \$2.50
\$4	for \$2.50
\$5	for \$2.50
\$6	for \$3
\$6.50	for \$4

Boys' short trouser suits (8 to 15 years):

\$4.50	for \$3.50
\$5	for \$4
\$6	for \$4
\$6.50	for \$4
\$7.50	for \$5
\$8	for \$5.50
\$10	for \$7.50
\$12	for \$9

Boys' long-trouser suits (14 to 18 years) in like way. There's no place to stop.

All three stores, and each store has its own.
