You remember the story of the three blind mice -how the farmer's wife cut off their tails with a carving knife. They were BLIND-that's how it happened. Now don't be blind. Don't be blind to your own interest. Come in and get fitted with a fine pair of glasses, and then look over my complete stock of Diamonds, Watches,
Jewelry, Silverware and Cut Glass, or-well, you know the moral of the story.
