Tour to California via Pennsylvania Railroad.

In Southern California is found the realization of a dream of the ancient. Here are the "Golden Apples of the Hesperides," ripening beneath a sky dress Allen S. Olmsted, Le Roy, N. more beautiful than that of Rome, and in a climate more perfect than that of Athens. Never in the wildest flights of his imagination did either Homer or Hesiod ever conceive of a garden richer in verdant beauty, more productive of luscious fruit, or set amid more picturesque and lovely Bay City Chat. surroundings. Here the rose entwines the orange, and the snow-mantled peaks of the Sierras reflect the golden glow of the evening twilight.

The last of the Pennsylvania Railroad tours to California will leave New York and Philadelphia March 27, stopping at Chicago, Omaha, Denver, Colorado Springs and the "Garden of the Gods," and Salt Lake City. Tourists will travel by special train of Pullman palace cars going, and return on regular trains via any route within nine months. Regular one-way or round trip tickets will be issued for this tour in connection with a special ticket covering Pullman accommodations, meals, and other tour features going. The latter ticket will be sold at the following rates: From New York, Philadelphia, Harrisburg, or Altoona, \$60.00; Pittsburg, \$58.00.

Apply to ticket agents, Tourist Agent, 1196 Broadway, New York, or Geo. W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia, stating return route desired. 3-4-4t.
