How much they have from his reply when asked how soon Cure. he was going to Ohio and what part he expected to take in the campaign. Boss Platt came over from New York this week to urge upon Mr. Mc-Kinley the speedy appointment of the Platt candidates for the Federal offices in New York which have not yet been filled with republicans. He told Mr. McKinley that he wanted the prestige of naming these officers now, for the assistance it would give him in the greater New York municipal campaign ; and if he was not to be allowed to name them, he wanted to know at the earliest possible moment. It is understood that Mr. Platt talked to Mr. McKinley more like a man who had the right to demand things than one who asked them as a favor, and that his men are going to be appointed. Platt wants to get Secretary Bliss to resign and become his candidate for Mayor of greater New York.

This may seem strange to some people, in view of the very positive statements made on the floor of the Senate by Mr. Morgan, of Ala., and others who have made careful study of this matter, that this sale would mean the loss of million of dollars to the U.S. and to other creditors of the road, but it really isn't strange ; it is merely cause and effect.
