LITERARY NOTES.

The New Tenants of the White House.

The first and only pictures Mrs. McKinley has taken in ten years appear in the October number of The Ladies' Home Journal. They form part of a series of new and unpublished photographs of the new occupants of the White House. Mrs. McKinley wore for her picture her inaugural ball dress of silver and white brocade, at the special request of the President, who thought it particularly becoming. The excellent portrait of Mr. McKinley in his office was taken in June. The other pictures in the serie show the many changes in the arrangements and furnishings of the rooms and grounds, made by the President and Mrs. McKinley.

Ten Dollars a Week for Eight

It does not seem possible that the table for eight people can be provided for ten dollars a week. But Mrs. Rorer, the most famous cook in America, says it can be done. She has tried it and knows. She proves her case in The Ladies' Home Journal for October. She gives twenty-one menus covering a week's meals, and gives full, practical directions by which any woman can make as attractive meals as Mrs. Rorer explains, for this small sum of ten dollars.

HELD 1N \$6,000 BAIL.

Sheriff Martin and His Deputies Must Answer at Court.

The preliminary hearing in the case of the Commonwealth vs. Sheriff Martin and his deputies, for the shooting of the strikers at Hazleton two weeks ago was held at Wilkes-Barre

After all the most important testimony had been taken, the judges held a conference, and Judge Lynch asked District Attorney Fell, what he wished done. Mr. Fell said: "Under the evidence I think these deputies should be held for Court.

The Judge then, asked why all the deputies were not arrested and Sena-

All the names of the deputies were and twelve did not. The seventythree stepped before the Judge to give bail on the charge of murder.

Joseph A. Sinn, representing a trust company of Philadelphia, became surety in the sum of \$5,000 bail for each of the deputies for their appearance at the next term of criminal court. Each of the defendants, through their bondsman, Mr. Sinn, also gave \$1,000 bail on an additional charge of felonious wounding. The men then repaired to court room No. 2, where they signed their names to the bail pieces and the preliminary hearing came to an end.

The amount of bail for the seventythree deputies at \$5,000 for murder and \$1,000 for felonious wounding amounts to \$438,000. If the other twelve deputies come in and give similar bail the total would reach over half a million dollars.

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE. Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and to weakness or diseases, except in rare | condition have been made. cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or ized ; 10 were organized during the urinary passage is often. by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty four hours; a sediment or settling indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmer's Swamp Root, the great kidney, and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention THE COLUMBIAN and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The pro prietors of this paper guarantee the genuineness of this offer.

Send for a copy of Tasker's Beautiful Song "Gone Forever". The very latest. Pronounced by critics to be the prettiest song ever written. Price 20 cts. At music stores ,or sent upon receipt of price by David J. Tasker, Bloomsburg,

RINGTOWN, PA., Sept. 20, 1897. To-day we laid in his last resting place Father Lorenz Singley, the oldest inhabitant of this section or country. Father Singley, a son of Jacob Singley and his wife Mary Catharine, nee Klotz, was born August 6, 1800 in Penn township Northampton County and came with his parents in 1802, at the age of two years into what is now Beaver Township, Columbia County, and settled about three miles East of St. Peter's Union Church (Lutheran and Reformed) commonly called Harrier's Church. He was the eighth of a family of fifteen children and the last survivor but one of this large family. Now, that Father Singley is gone, the only survivor is the youngest of the fifteen children, Daniel Singley of Beaver Township, Columbia County, who, though in his eighty-fourth year is still so vigorous physically and mentally as to bid fair to attain his departed brother's advanced age.

In 1824 Lorenz Singley was married to Miss Catharine Gearheart. In happy wedlock they lived together 49 years until the date of her death, May 21, 1873. He survived his wife upwards of 24 years.

This marriage was blessed with 13 children, 9 sons and 4 daughters. All except one daughter survive and were present at the funeral. The deceased daughter, Mrs. Joshua Rnmbel, died Sept. 21, 1887 as the result of an accident.

The direct descendants number tor Kline said some of them went away after the shooting and have not been seen or heard of since.

219, viz. 13 children, 42 grand children, and 3 great grand children, and 3 great grand children. By marriage this large relationship is swelled called and seventy three answered to a still much larger number. Five generations were present at the funeral, the first being represented by the only brother, and the fifth by two great-great-grand children, babes in

In 1842, hence 55 years ago, Lorenz Singley settled with his family in what is now North Union Town ship, Schuylkill County, in the wilderness, and hewed out a home for himself and his family Here he lived the remainder of his life and here he

Father Singley was an excellent man, a loyal citizen, a consistent christian, a faithful member and steady supporter of the church of his fathers, the Evangelical Lutheran

Old age was his only disease. Until a few months ago he could still walk out about his home and attend to some lighter work. He still attended church within the last year. He received the Communion privately, from the hands of his pastor, when he could

A month or two ago he commenced to fail more rapidly. But he was able to be up until Monday Sept 13. On Thursday, Sept. 16, at 3:30 o'clock P. M., he fell asleep in Jesus as gently and peacefully as a little child falls asleep in its mother's arms. To day we laid his mortal remains in the beautiful God's acre of the Mount Zion Evangelical Lutheran, there to at the curbstone market. He has all await the resurrection of the just. kinds of vegetables, and during the Father Singley's age is 97 years, 1 month and 10 days. A large concourse of people attested their regard for the departed and his family by Levi Pealer, a well known resident their presence at the funeral.

What wondrous changes have taken place on everyside and everyway in the long lifetime of Father Singley? Our country by means of the Louisiana Purchase, Spanish Cession and Mexican Acquisition has enlarged her area more than fourfold, i. e. from about 840,000 square miles to about 3.510,000 square miles. This does not include Alaska. Her population increased from 5,305,000 to about 70,000,000. The Steamboat, the Rail Road, the Telegraph, the Telephone have taken their place and how strange it would seem to do without them? The scythe has given place to the mower, the sickle to the binder, the flail, to the separator. And these are but illustrations. Literally hunif not doctored too much is not liable dreds of inventions to underrate man's

A few months before Mr. Singley's birth only 25 of the 66 counties now constituting Pennsylvania were organyear of his birth, and 31 since. Neither Columbia nor Schuylkill County were organized. Beaver Township then belonged to Northumberland County, Union Township either to Berks or Northampton Co., most likely to the latter. [Schuylkill County was organized in 1811 and Columbia in 1813. Northampton, Mr. Singley's native county, gave of its territory and form Monroe and Carbon and Lehigh and Pike and Wayne as well as a part of Schuylkill. The first slice was cut off a few years before Mr. Singley's birth. The township of his birth, Penn, was divided into East Penn and West Penn, the latter talling to Schuylk Il County. Would we see this section of country as Mr. Singley first saw it we could not realize where we are. Verily Father Singley lived through years of progress and development.

One of the slang expressions at present is "You're not so warm." During the past six months it was to be 'neard on the stage and on the street. It ceases to be original in view of the fact that a favorite retort of the Greeks before the Christian era used to be "You're not so sacred."
