**A Historical Month.**

This is one of the historical months in the American calendar. In it were fought the battles of Saratoga and Germantown. The former is one of the fifteen decisive battles of history and so classed by all historians. It was after the battle of Saratoga that France acknowledged the independence of the United States. Teachers of our public schools should call especial attention to these facts. There were stirring times in these colonies six score years ago.

**Shot in a Watermelon Patch.**

David Fisher, while coon hunting in Main township, Columbia county, the other day entered a watermelon patch owned by John Longenber. The owner of the ground shot at the intruder and as a result Fisher is riddled with small shot and in a serious condition.—Ashland Local.

**ONE OF TWO WAYS.**

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

**CHIEF CAUSE.**

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or diseases, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty four hours; a sediment or settling indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney, and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention THE COLUMBIAN and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

**MURDERED HIS WIFE.**

The jury in the case of Walter Goodwin, at Wellsboro, Pa., charged with the murder of his wife reached a verdict of murder in the first degree, after being out for three hours and a quarter. The prisoner was very nervous to the last, never showing any signs of flinching when the verdict was read. The trial began September 28.

The story of the crime for which Goodwin will have to die is as follows: "A little over a year ago Goodwin was arrested on complaint of a Miss Copely, who charged him with being responsible for her condition. He married her and took her to his father's home to live. A child was born, but the mother was not allowed to see it, and it is alleged she told her friends that it was foully dealt with.

Soon after this the young man deserted his wife. She worked in Mansfield, a few miles from Wellsboro, and at last had her husband arrested for non-support. Goodwin went on the night of September 3 to see his wife and induce her to withdraw the charge.

She told the family with whom she lived that she was to meet her husband, and went out. The following day she was found dying by the roadside with four bullets in her head. She died the next day.

A Miss Taylor, with whom Goodwin had been friendly, confessed to the officials that she accompanied Goodwin the night of the tragedy and held his horse some distance away, but near enough to hear shots fired. Miss Taylor says Goodwin subsequently told her that he had shot his wife.

—The father of trees—the papaw.  
—All one-armed persons are not short hand writers.

—In the race for life it is always the heart that beats.

—It is very necessary to have a lively stable well rigged.

—Obliged to stir his stumps—the man with his legs cut off.

—This kind of weather next week, will pack the town with visitors.

—You won't make any time at a barber shop by taking a short cut.

—The Normal team won't cut a very big swath in foot ball this season.

—Bicyclists are in their glory. This is the nicest time of the year for cycling.

—Barbers always become down-hearted when foot ball season approaches.

"What flowers do you love the best?"

He asked her in the gloam, As to his face her lovely eyes

In ecstasy did roam,

"I love the pansies best," she said,

"Because—can you not guess?"

"Because," he said, "like you my dear, They are so nice to press."

**Columbia County Fair.**

Bloomsburg, Pa., October 13 to 16. The managers have rebuilt the large exhibition building, damaged by last year's cyclone and have completed arrangements to entertain the largest crowd ever assembled on their grounds. The speed program begins on Thursday with the 2.19 class, trot and pace, 2.35, 2.30 and 3.00 classes; Friday 2.24 and 2.45 class, trot and 2.40 class, pace, and Saturday the great free-for-all, 2.24 pace and 2.29 trot, when the track record now 2.16 will undoubtedly be lowered. The Ninth Regiment Band of Wilkesbarre will entertain the people with their highly trained horses in daring feats of horsemanship. Indications are that there will be a larger exhibit of live stock than ever and every department filled. A good place to meet old friends.

**Regulating the Sale of Cheese.**

The law passed by the last state legislature, and which went into effect on August 23, regulating the sale of certain kinds of cheese, known as filled cheese, may cause trouble unless grocers and others who sell it are careful. Some time ago fifteen samples were selected in as many grocery stores in Harrisburg, but of these only six were labeled according to law. Every seller who does not comply with the law is subject to a fine. The standard required for full cream cheese is thirty-two per cent. of butter fat. Only two of the fifteen samples came up to that test. There is no disposition on the part of the agricultural department to prosecute or unnecessarily harass dealers, but it is sending out these notes of warning that they may guard themselves against the neglect or the frauds of the manufacturers.

**Star Pointer's Record.**
