The Montour County fair will be held at Danville next week October 20 to 22 inclusive.

If the weather is pleasant this week the fair will be one of the largest and best in the history of the society.

William Gigger is running a bus to and from the Railroad House corner of East and Sixth Streets.

"The Sporting Craze," the farce comedy which was to have appeared at the Opera House Tuesday evening, failed to show up. A deficiency in the treasury caused a bust up at Danville Monday night. This is the second company so far this season that has failed to appear. Prosperity has not struck the show business yet.

The work of tearing down the old Neal furnace was commenced last week. It is a big job, but the workmen are doing considerable blasting and the work is progressing very rapidly.

Isaac Hartman, aged about six years, died Sunday afternoon of dysentery. The funeral was held Wednesday. He was a son of Robert Hartman, who resides on Eighth Street near the Neal furnace.

Sportsmen say game will be more plentiful this year than for some time. Squirrels are unusually plentiful, there is a good crop of wild turkeys in the woods and pheasants have never been so numerous within the past ten years.

The work of tearing down part of the First National Bank building preparatory to building the new addition is now going on. While this work is being done J. R. Townsend will occupy the third floor of the COLUMBIAN building for a work shop.

The COLUMBIAN office will be open as usual during the fair, and we shall be glad to see our subscribers, as we shall have plenty of time to write receipts. A large number than usual have not paid for their paper during the past year.

Fred Ikeler will appear in his own play entitled "Consolidation," at the Opera House, this Wednesday evening. This may be the only opportunity to see it. Reserved seats at Bidleman's book store. Admission, 25, 35 and 50 cents.

Holy Communion will be administered under the pastorate of Rev. A. Houtz as follows: Zion Oct. 24 at 10:30 A. M.; Orangeville, Oct. 31 at 10:30 A. M.; St. James, Nov. 7 at 10:15 A. M.; Hilday, Nov. 14 at 10:30 A. M.; and Briercreek at 2:30 P. M.

Miss Lula McHenry of Benton, was run over by a horse and buggy, while out bicycling Friday afternoon, sustaining several very painful bruises besides having her wheel broken to splinters. The young lady is the Principal of the Public schools at that place.

On Saturday afternoon last, Rev. David N. Kirkby was called before the Court for the first time in his life. It was nothing serious, however, as the occasion was his application for citizenship. He was duly sworn as an American citizen, and his first act thereafter was the unfurling of "Old Glory" in front of his residence.

"Marcy" on Thursday evening at the Opera House, will be presented as well as a professional troupe can do it. As much time and labor have been expended in the preparation of these plays it is hoped that those who are doing the work will be rewarded by a large attendance. The proceeds will be devoted to a good cause.

The Athletic Association of the Normal School has been very fortunate this season, in securing such strong teams and all those who like foot ball should show their appreciation of the Association's efforts by patronizing the games. The second team of the University of Penna. are scheduled for a game here in the near future.

The Town Council is protesting against the proposed new road from the race out Iron Street to Richard's blacksmith shop. It is claimed that the financial condition of the town will not admit of such an expenditure at this time. The petitions can be signed at almost any store, they having been left at the different business places for that purpose.

COMING EVENTS.
Wednesday evening October 13th, in the Opera House, a drama written by Fred Ikeler, Esq., entitled "Consolidation," to be followed by a two act comedy "Mr. Bob."

At the Opera House Thursday evening October 14, the beautiful melo-drama "Marcy." Both the above plays will be rendered by home talent for a worthy cause.

Announcements of any other entertainments will be made under this head without charge, by leaving word at this office.

The following letters are advertised Oct. 12, 1897. Thos. Cannon, Mr. Lemuel Drake, Miss Lillie Isby, Mrs. James Martin, Mrs. M. M. Rambo, Miss Rosa Snyder. Will be sent to the dead letter office Oct. 26, 1897.
JAMES H. MERCER, P. M.

Friday night the great comedy, "Side Tracked" will appear at the Opera House. The play is in the hands of a clever company, and a good evening's entertainment is looked for. Admission 25c 35c and 50 cents. Seats can be reserved at Bidleman's book store.

There was a very small audience present at the entertainment given by the Parker Concert Company in Normal Auditorium Monday night. It was the same old story, a first class entertainment poorly patronized. The program consisted of solos, reading etc. and was the finest heard at the Normal for some time.

A. L. Fields' Minstrels will be the attraction at the Opera House, Monday night. Manager Fowler is very fortunate in securing this company. Mr. Fields' reputation needs no mention, and he has surrounded himself with a company of unusual strength. This organization carries one of the best bands on the road. Watch for the parade at noon.

The entertainments at the Opera House on Wednesday and Thursday evenings of this week are not mere amateur catch pennies, they are first class plays, and will be presented in a first class manner. Much time has been devoted to their preparation, and they will be given in a way that surpasses most of the professional troops that came here. Secure seats now, and you will not only be helping a good cause, but will get the full worth of your money.

Jimmy Michael, the little Welsh wonder, smashed all previous records at Willow Grove track at Philadelphia on Saturday, when he rode 32 miles and 652 yards in one hour. On the 27th of last month Stocks, the English rider, made 32 miles 1,074 yards in his attempt to make 33 miles in an hour but because of the fact that the Englishman was paced by motor cycles the League of American Wheelmen, doesn't recognize the record, so Michael's distance made Saturday is a world's record from an L. A. W. standpoint.

WAIVED A HEARING.

Tuesday brought forth some new developments in the already celebrated Knorr-Wintersteen dynamite conspiracy. The appearance in town of Detective Henderson and several other persons who were witnesses at the former trial caused considerable excitement when their presence became known. A hearing was to have been had before Squire Jacoby on Monday afternoon, but one witness was absent and this caused a postponement.

Warrants were issued on Tuesday for the arrest of Henry Matz and H. C. W. Matz, the two detectives who were employed by the defense. They were arrested at Reading by Constable Wesley Knorr Tuesday afternoon, and were expected here, but they waived a hearing and gave bail in the sum of \$1000 each for their appearance at court in this county. The issuing of the warrants was founded on sworn statements of John Faust, Emma Weickle, W. V. Riffick and one or two others, who were witnesses at the trial, with criminal solicitation to commit perjury, and subornation of perjury. It is impossible to obtain any clue as to what the witnesses swore to, but it will probably become known in a few days.

The Coroner has arrested several members of the mob.

—Wayne county people are excited over the report that gold has been discovered on the Rutledge farm, near Clemo. A large quantity of gold dust has been separated from the rock.

The Gun Goes Off
Instantly when you pull the trigger. So sickness may come on suddenly. But it takes time to load the gun, and it takes time to get ready for those explosions called diseases. Coughs, colds, any "attack," whatever the subject be, often means preceding weakness and poor blood. Are you getting thin? Is your appetite poor? Are you losing that snap, energy and vigor that make "clear-headedness?" Do one thing: build up your whole system with **SCOTT'S EMULSION of Cod-liver Oil.** It is the essence of nourishment. It does not nauseate, does not trouble the stomach. And it replaces all that disease robs you of. A book telling more about it sent free. Ask for it. **SCOTT & BOWNE, New York.**
