### ORDERED TO HAVANA.

President McKinley, on Monday, ordered the battleship Maine to Havana. This action was decided Havana. This action was decided at a special meeting at the White House, Monday morning, between the President, Secretary Long, At-torney General McKenna, Assistant Secretary Day and General Miles.
The sending of the Maine to the Island is proof that things are in such a condition that American citizens and property, unable to find protection at the hands of the importent Spanish government, have impotent Spanish government, have now the protection of their own ves-

In speaking of the matter, As-

istant Secretary Day made the fol-lowing statement:

"The sending of the "Maine" to
Havana means simply the resump-tion of friendly naval relations with Spain. It is customary for naval vessels of a friendly nation to pass in and out of the harbors of other countries with which they are at peace, and British and German warships have recently visited Havana. This is no new move. The President has intended to do it for some time, but heretofore something has

happened to postpone it.

"The orders to the "Maine" mean nothing more than I have said, and there is nothing alarming or unfriendly in them.

The Spanish minister here is fully informed of what is going on and so far as I know has not made the slightest objection to it."

### FARMER KULP WILL RETIRE.

Hon. Monroe H. Kulp will not be a candidate for re-election to Congress. He made this announcement last week in a letter to the voters of this district. The following is taken from his letter: "During the past few weeks I have

received a large number of letters from friends throughout the district. referring to the statement recently made in the public press that I would be a candidate for a third term in Congress, and tendering their support. Under the circumstances I deem it proper to announce that I will not be a candidate for re-election to this important and honorable position. With a view of giving the Republican party date, and to give an equal opportunity to all who may aspire to succeed me, I make this announcement.

"I desire to express my gratefulness to the voters of the district for their splendid support at the polls as well as the uniformly kind treatment I have received at their hands at all times, and to assure them that, although my term of office is drawing rapidly to a close, I shall always consider myself a public servant, and continue to do anything in my power to assist them in any work where my experience as a member of the fifty-fourth and fiftyfifth Congress may be of service to them, particularly to the old soldiers, whose interest I have always endeavored to protect, and to whose support I contribute so much of my success.

"Again thanking you for your sup-port in the past and assuring you of my hearty support for the candidate selected by the party to succeed me,

Sincerely yours, "Monroe H. Kulp."
