The High School base ball team of this place took a trip up the river on Decoration day to play two games. In the forenoon they met and defeated Nescopeck. After dinner they crossed the river to Berwick where they were scheduled for a game in the afternoon. Berwick won as usual. Our boys played a sleepy go-as-you-please game, couldn't hit the ball, hence their downfall. The scores were: Bloom 7, Nescopeck 3; Bloom 3, Berwick 6.

Small cigar factories in different sections of the state, have been closed during the past week and a number of others will follow in order to evade the license which all will be required to take out under the provisions of the revenue bill, which is expected to take effect shortly. Under the new bill cigar manufacturers will be required to take out licenses which are graded according to the production of the plants.

Democratic Primary Election and County Convention Call.

The Democratic voters of Columbia County will meet at the several places for holding of the general election, in their respective districts, on Saturday, June 11, 1898, between the hours of 3 and 7 o'clock p. m., and vote for persons to be nominated for the various offices subject to the rules of the Democratic party of this county.

The newly elected judges of each election district will meet at the Court House in Bloomsburg on Tuesday, June 14, at 11 o'clock a. m. and count up the vote which each person has received and place on the ticket.

One person for Congress.
One person for State Senator.
Two persons for the State Legislature.

One person for President Judge.
One person for County Surveyor.
Five delegates to the State Convention.

Under the rules each election district will elect a judge and two inspectors and one committeeman.

JOHN G. McHENRY, Chairman.
R. G. F. KSHINKA, Secretary.

The erection shop foundry and the machine shop of the Watsontown Car Manufacturing Company belonging to the estate of the late Ario Pardee burned to the ground at an early hour Monday morning. The plant has been idle for several years. It is stated that the plant was valued at \$60,000 and that the insurance was \$37,000.

The State, the bright, newsy eight page weekly paper, published by the Milton Printing Company suspended publication with its issue of May 26. This action was caused by the refusal of the Post office department at Washington to admit it into the mails as second class mail matter. It would under the ruling of the department cost two cents to mail each copy of the paper, which makes it impossible to continue the publication. The State was among our best exchanges, and we are extremely sorry to lose it.

Memorial Day was observed in Bloomsburg in an appropriate manner. At 8 o'clock in the morning, Ent Post met at their hall, from which place, accompanied by the Band, they went to Almedia and decorated the graves of the soldiers buried at that place.

In the afternoon, the parade made up of the Post and several societies of town, formed at Market Square, and after a short march proceeded to the grave yard. The address was delivered by Fred Ikeler, Esq.

Thanks to persistent scientific experiments, the odorless onion is now a reality. The subjugation of this pervasive vegetable and the elimination of its distinguishing quality must be reckoned among the proudest achievements of modern genius. The odorless onion is fully entitled to recognition as a civilized institution.
