Entered at the Post Office at Bloomsburg, Pa. as second class matter, March 1, 1888.

Change in D. L. & W. Time Table.

The following changes have recently been made in the D. L. & W. time table. Noon train going south, formerly at 12:27 now leaves Bloomsburg at 12:22; evening train south, formerly at 8:30, now leaves at 8:07. The time table as printed on the third page of this paper is incorrect, as to these trains, but correct as to all others. It will be changed as soon as we can procure a time table from the company.

A little more than a month ago we had occasion to communicate with many of our subscribers, and did so by mail, rather than to put a notice in the paper. This cost considerable for postage. Not one in ten has responded. Those who so kindly and promptly replied have our thanks. The many who have not replied will hear from us again.

Thin Blood

Where the blood loses its intense red—grows thin and watery, as in anemia, there is a constant feeling of exhaustion, a lack of energy—vitality and the spirits depressed.

Scott's Emulsion

of Cod-liver Oil with Hypophosphites of Lime and Soda is peculiarly adapted to correct this condition. The cod-liver oil, emulsified to an exquisite fineness, enters the blood direct and feeds its every corpuscle, restoring the natural color and giving vitality to the whole system. The hypophosphites reach the brain and nerve centres and add their strengthening and beneficial effect. If the roses have left your cheeks, if you are growing thin and exhausted from over-work, or if age is beginning to tell, use SCOTT'S Emulsion.

Be sure you get SCOTT'S Emulsion. All druggists; soc. and \$1.00. SCOTT & BOWNE, Chemists, New York.

An Extraordinary Record.

The official statement of our losses in the war with Spain is not yet made up, but the approximate figures, compiled from reports to the War and Navy Departments give this remarkable showing:

Killed in the army..... 260
Killed in the navy..... 12
Killed in the marines..... 7
Wounded in the army..... 1400
Wounded in the navy..... 10
Wounded in the marines..... 13
Here is a total of 279 killed and 1423 wounded in a war which resulted in the destruction of the Spanish navy, in the freeing of Cuba, the cession of Puerto Rico and the capture of Manila.

The losses on the Union side at Gettysburg alone were 3070 killed and 14,497 wounded. In the twelve great battles of the civil war the Union losses were 23,468 killed and 120,849 wounded.

No war has ever produced such important and far reaching results with so small a loss of life as has our war against Spain.
