

THREE DOLLARS Buys a Pair of Fine WINTER RUSSETS.

For Men, in any of the New Shapes. Some Drill Lined, some Leather Lined.

W. C. MCKINNEY,
Bloomsburg, Pa.
NO. 8 EAST MAIN ST.

THE COLUMBIAN. BLOOMSBURG, PA. A TIE GAME.

The Normal School foot ball team went to Wilkesbarre on Saturday, and played the Y. M. C. A. eleven of that city. We take the following account of the game from the *News-Dealer*.

"A large crowd saw the foot ball game yesterday afternoon at Y. M. C. A. Field, between Wilkes-Barre High School and the Bloomsburg State Normal teams.

The game was hotly contested from the time the umpire blew his whistle for the kick off until the game was over.

The Wilkes-Barre boys did the better team work but Bloomsburg's team work was good, too. Excepting one or two fumbles their team work was perfect.

FIRST HALF.

L. Bowers kicked to Bloomsburg; Bloomsburg tried to rush centre, but Bowers was like a stone wall and they made small gains. Bloomsburg fumbled on third down and High School got the ball.

Walker went around end for a large gain. Mundy went around end for 15 yards. Bloomsburg now got down to work and held High School for four downs, but they no sooner got the ball than they lost it on downs to High School.

Dow called guards back play and sent Remaley around the end for a 30 yard run and touchdown, but Dow failed to kick goal. Score, 5 to 0, in favor of High School.

SECOND HALF.

Dennis of Bloomsburg, kicked to Walsh, who was downed in his tracks. Mundy went through center for 15 yards, and on guards' back play Bowers for 7 yards. Remaley then made another fine run of 30 yards. Walsh through center for 8 yards, Mundy for 4 yards. Bloomsburg got the ball on downs. Walker tackled Ethernach in fine style.

Bloomsburg fumbled and Walsh got the ball and made a run of 5 yards. High School fumbled and Bloomsburg got the ball. High School now held Bloomsburg for four downs.

Remaley made a run of 12 yards around end, Mundy 10 yards. Bloomsburg again got the ball on downs but they fumbled and High School again got the ball. Dennis kicked to Dow, who made a run of 7 yards. Dow kicked and tailed and Bloomsburg got the ball.

Hahn now took Bogert's place on end. Keeler, Bloomsburg's right half back, made a run of 15 yards.

High School got the ball on down. Remaley made 15 yards around end. Dow kicked and Dennis of Bloomsburg caught the ball and made 3 yards.

Dennis now kicked to Walsh, who, the referee claimed, touched the ball, but the crowd thought different. Walsh fumbled and a Bloomsburg man caught the ball and made a touch down, but Dennis did not kick goal. L. Bowers kicked to Dennis, who was tackled in his tracks. Dennis now kicked and Dow caught the ball. Mundy made a run around end for 15 yards.

Time was now up, with the score 5 to 5.

Look Out for Him.

A sleek swindler is said to be heading this way. He cleans sewing machines for 50 cents and then finds broken wheels and other appliances which need repair. Of course he is the one who causes the bad condition of the machine by exchanging the several parts. If any one stands by watching him he will send the person for oil, rags, etc. He charges exorbitant prices for his work. In Lycoming he touched one person for \$6.30 and another for \$12. Housewives should be on the lookout for the swindler and have a gun at hand for use if need be.

Horace Blue was defeated for Assembly in Montour.

McClure's Magazine for November.

In timeliness, variety, and positiveness of quality and interest the November number of McClure's must be pronounced a rare magazine. A character sketch of Colonel Theodore Roosevelt presents, in its full picturesqueness, the personality of one of the most independent, original, and forceful of living Americans. "The Inner History of Admiral Sampson's Campaign," related mainly in hitherto unpublished official despatches, gives for the first time the full and true story of the finding and securing of Cervera's fleet. "A True Story of the Fire Patrol," and Mr. E. A. Fitzgerald's account of his own experiences in leading a party for the first time in human record to the tops of the two highest mountain peaks in the Western Hemisphere, and perhaps the highest ever climbed, exhibit human power and endurance in their strongest, most heroic manifestation. And Mr. H. J. W. Dam's portrayal of "The Mystery of Vesuvius," as it was exhibited to him in his own recent explorations of the volcano, gives a sense of the profundity and mightiness of the great earth dragon not to be had from any other writing on the subject. Then there are three or four very strong short stories—one by Stephen Crane that shows him to great advantage in an entirely new field. The pictures of the number are notable also—illustrating the several articles with singular truth and spirit, and so contributing interest as well as beauty.

THE S. S. McCLURE CO.,

New York City, N. Y.

DR. EMANUEL L. BETTERLY DEAD.

The Sunday Wilkesbarre *News-Dealer* contains the following notice on the death of Dr. Emanuel L. Betterly, who was born in Orangeville and is well known by residents of this county:

"On Thursday occurred the death of Dr. Emanuel L. Betterly, one of the oldest residents of the city and for many years one of the most prominent physicians. About two weeks ago he was seized with malaria and Dr. Guthrie was immediately summoned and everything was done to bring about his recovery, but the disease soon affected his heart and yesterday morning death came after several days of intense suffering.

Deceased was born in Orangeville, Columbia county, April 3, 1831, where he spent his first years on a farm.

In 1846 he entered the old Bradley Academy at Bloomsburg, from which institution he graduated four years later. After teaching school for two years in Columbia county he entered the office of Dr. Alonzo S. Cressler, a widely known physician of that county practitioner of high ability, and there he was taught his first lessons in the profession which he afterward honored. In 1853 and 1854 he was a student in the Jefferson Medical College, Philadelphia, and returning to his home he began practice in Columbia county. About two years later he entered the University of New York, from which he graduated in medicine at the head of his class. In 1858 Dr. Betterly was married to Miss Matilda, daughter of Marcus B. Hammer, who at that time was a prominent business man of this city, having conducted a drug store and operated a mill and brick yard. Mr. Hammer built the first mill on North Mountain, the ruins of which still stand, and he was the owner of the tract of land now owned by Colonel R. Bruce Ricketts.

When the Civil War broke out he became surgeon of the One Hundred and Sixty-fifth New York Infantry.

He was later commissioned by Governor Horatio Seymour of New York, Major of the same regiment, which was sent to New Orleans.

He entered the service strong and healthy but when he left it he was very much broken up. He came to this city and resumed the practice of medicine and very soon built up a wide practice. In 1889 the condition of his health was such that he was forced to give up active work.

He was a man of many good qualities and his death will be mourned by many.

Deceased is survived by his wife and four children—C. J. Betterly, auditor of the Standard Machine Company Philadelphia; A. W. Betterly, editor and proprietor of the Saturday Reporter, this city; and Miss Helen and Miss Jessie, who reside at home.

The funeral will be held Saturday morning at 10 o'clock. Services will be conducted at the family residence, 19 Sullivan street. Interment will take place at Hollenback Cemetery."

Governor Hastings is building a grand mansion in Bellefonte, which when completed will cost not less than \$100,000. The Governor has been quite frugal to save so much out of his salary of \$10,000 per year.

How to Drink Water.

There are few people, we think, who thoroughly realize the value of water as a beverage or who know how to obtain the greatest advantage from it. The effects produced by the drinking of water, as pointed out by our excellent contemporary, Health, vary with the manner in which it is drunk. If, for instance, a pint of cold water be swallowed as a large draft, or if it be taken in two portions with a short interval between, certain definite results follow—effects which differ from those which would have resulted from the same quantity taken by sipping. Sipping is a powerful stimulant to the circulation, a thing which ordinary drinking is not.

During the act of sipping the action of the nerve which shows the beats of the heart is abolished, and as a consequence that organ contracts much more rapidly, the pulse beats more quickly and the circulation in various parts of the body is increased. In addition to this, we find that the pressure under which the bile is secreted is raised by the sipping of fluid. And here is a point which might well be noted by our readers:

A glass of cold water, slowly sipped, will produce greater acceleration of the pulse for a time than will a glass of wine or spirits taken at a draft. In this connection it may not be out of place to mention that sipping cold water will often allay the craving for alcohol in those who have been in the habit of taking too much of it and who may be endeavoring to reform, the effect being probably due to the stimulant action of the sipping.

A Sudden Death

Mrs. Wm. Andrews of New Columbus, near Shickshinny, while attending services in the M. E. Church on Monday evening, of last week, was stricken with apoplexy. She was removed to her home where she lingered until 6 o'clock next morning, when she died. She is survived by her husband, three sons and one daughter, as follows: Arthur, of Acme, W. Va.; Leon of Rochester, N. Y.; Morris, a student in the Bloomsburg Normal School, and Miss Ida, a teacher in the Shickshinny public schools.

The family moved from Plymouth several months ago, where they resided for fourteen years. They had recently purchased a property at the latter place.

Mrs. Andrews' maiden name was Elmira K. Stephens, a daughter of Mr. and Mrs. Benjamin Stephens, of New Columbus. She was married to William Andrews of Asbury, near Columbus, about 36 years ago. After living at the latter place for several years they family moved to Plymouth, where they lived about 14 years ago. She was a woman of many admirable qualities of mind and heart and was highly esteemed in both communities in which she resided.—*Wilkesbarre Record*.

The result of Saturday's big foot ball game at Cambridge was a complete surprise to everybody. It was a great game witnessed by a crowd of over 20,000 people, and for the first time in many seasons, Fair Harvard triumphed over the red and blue. Not only was Pennsy defeated, but completely shut out. The contest was marked by desperate playing from start to finish. When the news reached Bloomsburg by telephone Saturday evening that Harvard had defeated Penn 10 to 0, no one believed it, and some people wanted to wager that there was nothing in the report. But when the papers arrived Sunday morning, containing big black headlines saying that Penn had been shut out, those who disbelieved the telephone message the night before shook hands with themselves and were thankful that their offers to bet found no takers.

Easy to Take Easy to Operate

Are features peculiar to Hood's Pills. Small in size, tasteless, efficient, thorough. As one man

Hood's Pills

said: "You never know you have taken a pill till it is all over." 25c. C. I. Hood & Co., Proprietors, Lowell, Mass. The only pills to take with Hood's Sarsaparilla.

Estate of Jonathan R. Gardner, late of the Borough of Berwick, Personalty \$71.50.

W. B. HENRIE, Clerk of Orphans' Court.

Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffy circles under the eyes, the sallow parsnip-colored complexion indicates it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.

Dr. Kilmer's Swamp Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is worldwide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention THE COLUMBIAN and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it, both sent absolutely free by mail.

A county superintendent in a neighboring county asked every teacher at the institute who took their local county paper to hold up their hands, and only six responded. The superintendent expressed surprise, and said: "You don't spend a dollar a year with those papers, yet you expect them to print free-of-charge notices of institutes, insert long programmes and expect them to advertise you, thus assisting you to climb the ladder to better positions and salaries without paying a cent in return."

ACTIVE SOLICITORS WANTED EVERYWHERE, for "The Story of the Philippines" by Murat Halstead, commissioned by the Government as Official Historian to the War Department. The book was written in army camps at San Francisco, on the Pacific with General Merritt, in the hospital at Honolulu, in Hong Kong, in the American trenches at Manila, in the insurgent camps with Aguinaldo, on the deck of the Olympia with Dewey, and the roar of battle at the fall of Manila. Bonanza for agents. Bringful of original pictures taken by government photographers on the spot. Large book. Low prices. Big profits. Freight paid. Credit given. Drop all trashy unwholesome war books. Outfit free. Address, F. T. Barber, Sec'y, Star Insurance Bldg., Chicago. 10-27-101.

You can save money on Pianos and Organs. You will always find the largest stock, best makes and lowest prices.

JONAS LONG'S SONS' WEEKLY CHATS.

WILKES-BARRE, PA.,

Thursday, Nov. 10th, 1898.

Buying by Mail

IS MADE EASY AT THIS BIG STORE.

Perhaps you know something of our mail order department, thousands of people throughout this broad land are writing to us daily. Its an easy, expeditious and satisfactory method of making purchases. We don't do things by halves, we value your orders whether they are for samples, for goods or asking us to attend to other matters of business for you.

Our mail order people are experienced and will take special pains to tell you about the goods and prices. Try us.

DRESS GOODS.

Here's a very good value in Black Satin Duchess that should interest you, its of good weight, good color and deep rich luster, the usual price would be 75c per yard. Special this week, 49c.

Black Taffeta Silks, suitable for waists skirts and many other articles of apparel would be good value at 55c per yard. Special this week, 49c.

All Wool Cheivot Dress Serge in twenty new and staple shades so choice from. Exceptional value per yard, 59c.

Fine Black Freza Crepons very much in demand now, would be good value at \$1.25. Special this week at 75c. Perhaps the best thing to do is write for samples—let us hear from you about your new fall suit.

CANTON FLANNEL.

Our mail order department filled over three hundred orders for this Canton Flannel last week. When goods are right and priced one-third less than usual, its easy selling, its the regular 10c quality extra heavy with fine velvet fleece, 14 yards for \$1.00.

Here's an example of Pocket Book Value, make of good quality grain leather, plain or trimmed in the new and popular shapes. You'd say they were 50c. The price, each 25c.

The famous "Queen Quality" Shoe for women at \$3.00 the pair, is the highest quality of material and workmanship made in fashions, suitable for street, dress home or

outing, for retaining their shape and fitting they have no equal. This is one of the many styles we show. Write us about them, send your size, if not satisfied with your purchase, your money back without question.

PROPERLY GLOVED

And your money made to go as it can. Our "Chloris" Kid Gloves for Women are examples of the best Glove making, soft fresh skins are used in their making, and cut to fit. They came with two clasps with handsome embroidered blaws in all the new Shades and Black. Those who have tried them—and there are thousands, say they are equal to any sold at a half more. The price per pair, \$1.00.
