She was the daughter of George and Margaret Masters, and the mother of five children, four of whom survive her. Thus, one by one we are being gathered.— Millville Tablet.

The Commissioners on Wednesday awarded the contract to gild the weather vane and paint the dome of the Court House to Harry Smith of Philadelphia for \$20. As he climbed to the top of the dome by means of a ladder and rope, he was the zynosure of all eyes. He moved about from one side of the weather vane to the other with perfect ease.

B. F. Savage of Jackson township, was in town on Monday and while here gave this office a pleasant call. He had in his possession, a large chicken hawk, captured in a steel trap on his farm by two young boys, Arden Remley and Harry Long. The bird measured four feet and one inch from tip to tip. It was a handsome specimen, and Mr. Savage said he intended sending it to a taxidermist and have it mounted.

Danger Signals! Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest? Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption itself? If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?" Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy. Scott's Emulsion prevents consumption and hosts of other diseases which attack the weak and those with poor blood. SCOTT'S EMULSION is the one standard remedy for inflamed throats and lungs, for colds, bronchitis and consumption. It is a food medicine of remarkable power. A food, because it nourishes the body; and a medicine, because it corrects diseased conditions. 50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York
