"A reference to our list of candidates will show a new aspirant for County Treasurer—W. B. Snyder, Esq., of Roaringcreek—one of Locust township's good citizens and squires. His ability is beyond question, and if elected, he will make a model official."—Catawissa News Item.

W. B. Snyder, of Locust township, candidate for County Treasurer, was in town last week, looking after his political fences, which he seemed to find in very good condition. Mr. Snyder's record as Justice of the Peace, and the way he is esteemed at home, are strong endorsements for him.—Berwick Independent.

W. B. Snyder Esq., of Locust township, and a candidate for county Treasurer, was a pleasant and welcome caller in this part of the county in order to get acquainted with the democratic voters and to solicit their support at the coming primary election. We found him a pleasant and companionable gentleman, with whom it is a pleasure to meet.—Argus.

W. B. Snyder Esq., of Locust township, transacted business at the county seat today. He also announced as a candidate for county Treasurer. Mr. Snyder comes from old democratic stock and would no doubt make a creditable official.—Sentinel.

"Every Path Hath a Puddle."

The puddle in the pathway of most lives is a defective circulation due to a blood supply that instead of growing clear and strong like a mountain brook, is stagnant and impure. Puddles may be purified, however, and become limpid streams. That is what Hood's Sarsaparilla does with human blood.

It clarifies, purifies and strengthens the blood, and when this is accomplished, the vital organs, liver, lungs, kidneys, bowels, are all braced and invigorated. It never disappoints.

Dyspepsia—Suffered everything but death for years with dyspepsia. Nothing relieved me until I took Hood's Sarsaparilla and it made and kept me well. Can eat anything I wish. MRS. EUGENE MURNAY, Hull's Mill, Danbury, Conn.

Impure Blood—Five years I suffered with pimples on face and body. Hood's Sarsaparilla cured me permanently. It also cured my father's carbuncles. ALBERT E. CHAST, Tustin City, Cal.

Erysipelas—My little girl is now fat and healthy on account of Hood's Sarsaparilla curing her of erysipelas and eczema. It is our family medicine, as we all take it. MRS. H. O. WHITSTLER, Fort Chester, N. Y.

Monday's big storm damaged some of the electric light wires, and the whistle at the plant was blown to call out the Superintendent. The firemen mistook that for an alarm of fire and hustled out with their hose carriages, only to haul them back, after they had learned the cause. For promptness in responding to calls for help, our laddies are hard to beat.
