

SAN MATEO TAKEN.

General Young's Brigade Enters the Town.

REBELS TAKE THE AGGRESSIVE

Major Cronin's Advance Checked by the Insurgents, Who Are Finally Driven From Their Position.

Colored Troops Fight Well.

MANILA, Aug. 14.—A reconnaissance by troops of General Samuel B. M. Young's brigade, with the object of discovering the whereabouts of the enemy near San Mateo, northeast of the San Juan reservoir, about ten miles from Manila, resulted in the occupation of San Mateo.

The American loss was three killed and 13 wounded, including a lieutenant of the Twenty-first infantry.

The Americans approached San Mateo in three columns. Major Cronin, with 15 men of the Twenty-fifth infantry, advanced from Novaliches, five miles west of San Mateo. Captain Rivers, with 100 men of the Fourth cavalry, and Captain Parker, formerly lieutenant colonel of the Twelfth New York volunteer regiment, with 280 men of the Twenty-first and Twenty-fourth infantry and the Fourth cavalry, approached in two columns from the south.

Major Cronin experienced many difficulties arising from the condition of the country and failed to effect a junction with Captain Rivers west of San Mateo, as had been planned.

Captain Rivers, advancing, took an outpost of the enemy two miles southwest of San Mateo. He then encountered strong resistance among the hills, the enemy firing from excellent positions. Having failed to connect with Major Cronin, he was forced to retreat.

Captain Parker, on advancing, found the enemy strongly entrenched on the far side of some ricefields about a mile wide covered with deep mud. Pushing forward rapidly, he routed the Filipinos after 40 minutes' fighting and then continued the march upon San Mateo, which he entered without serious resistance about half past 1 in the afternoon.

Major Cronin entered the town about half past 4. The Americans still occupy the place.

Our men were exhausted by the heavy marching. Twenty-three of the enemy are known to have been killed.

This is the first action in which Colonel Bart's colored troops participated. They behaved well, their leaders having difficulty in holding them back.

General Young accompanied Captain Parker's column and was under fire throughout the engagement. It is estimated that the enemy numbered between 300 and 400 men.

The insurgents have taken the aggressive in the neighborhood of the railroad. On Saturday night they unsuccessfully attacked San Luis, on the Rio Grande, near Calumpit, which is garrisoned by two companies of the Twenty-second infantry. The Americans had one man, a sergeant, killed and two privates wounded.

Yesterday morning a similar affair took place at Gringua, four miles west of Malolos, where another small garrison is stationed as a safeguard against a possible attack upon the railway. A special train took reinforcements to Malolos and Guiguinto, just north of Baluan.

Word has been received from Lieutenant J. C. Gillmore of the United States gunboat Yorktown, who, with 14 members of the crew of the gunboat, was captured by the insurgents last April near Balor, on the east coast of Luzon.

The message, which comes through Spanish prisoners, is to the effect that the officer and his men are at Vigan, in the province of South Ilocos, on the west coast of Luzon. All but two are well.

Lieutenant Gillmore is allowed a house and a servant and is fairly treated.

FILIPINOS PUNISHED.

Five Hundred Insurgents Under General Pio del Pilar Routed.

MANILA, Aug. 15.—A force of United States troops from Quingua, four miles northeast of Malolos, and from Balinga, near Bustos, about six miles northeast of Quingua, encountered a body of insurgents, estimated at about 500, half way between Bustos and Quingua. In the engagement that ensued the Filipinos were severely punished and scattered.

The Americans lost one man, who was killed. The insurgent force is believed to have been under the command of General Pio del Pilar and to have had in view tearing up the railway at Boacave and Bigua, about three miles northeast of Baluan.

A battalion of the Twenty-first infantry will be sent to those points to strengthen the railroad guard and to reconnoiter the country in the direction of Norzagaray and on the Bustos road.

General Wheaton, with the troops at Calulut, made a reconnaissance on Angeles, about four miles to the northwest, where he found 500 of the enemy. He silenced their fire and then removed to Calulut.

Senator Hayward Stricken.

OMAHA, Aug. 16.—Senator M. L. Hayward was stricken with apoplexy yesterday at Brownville, Neb., where he had gone to deliver an address at the Modern Woodmen picnic. He was apparently in good health and spirits up to the moment of attack, and was sitting on the platform chatting pleasantly with friends while awaiting his turn to speak. Just as the presiding officer was about to introduce the senator he was seen to sway in his chair and then fall helplessly to the platform. Two doctors who were in the audience speedily made their way to his side, and the members of the Woodmen formed in line to keep the crowd back. The doctors worked with him from a little after 11 o'clock, when he was stricken, until almost 2 o'clock, before the senator recovered consciousness. He was then removed to a cottage nearby, where he now is.

United States Company Gets the Job.

GLASGOW, Aug. 16.—By a vote of seven to six the Glasgow tramway committee has accepted the tender of the E. P. Allis company of the United States for the engines to supply electric power. The figures of the successful tender are \$114,500. Messrs. Harvey & Williamson of the United States were the next lowest bidders, at \$160,000.

INGRATITUDE AND MURDER.

How an Ingrate Laid the Plans Which Resulted in the Killing of His Friend.

A detective told a story a few evenings ago which illustrates the ingratitude of criminals. The ingrate, says a Chicago exchange, was one of the principals in the McGee murder, which was committed a little over a year ago. His name was W. J. Willows, a well appearing youth, but the man who deceived the aged creamery agent into the Indiana avenue apartment building where Jacks killed him. Willows had "been in trouble" before that, and the man "who came to the front" for him was the keeper of a lunch counter near the Criminal Court building. The man's wife had known Willows in his days of respectability in a small Michigan town. She urged her husband to do what he could for him, and, with money for attorney's fees and a few well placed words of commendation, Willows was helped to get out of the scrape.

The lunch-counter man was a close personal friend of the old man McGee, and liked him much. He talked to Willows about him in their short acquaintanceship in the days of Willows' trouble, and the lunch-counter man told his acquaintance how much this friend had done for him, yet, while in jail, Willows met Jacks and the two of them formed the plan of robbery which led to McGee's murder. The lunch-counter man lost his best friend through a needless and useless murder and Willows earned a sentence in the penitentiary.

SAVED BY A POSTAL CARD.

Thousands who have written for one of the free trial bottles of Dr. David Kennedy's Favorite Remedy have literally had their lives saved by a postal card. They got the trial bottle, and it proved to them that Dr. David Kennedy's Favorite Remedy was the only real cure for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. They bought a large sized bottle of their druggists and it benefited or cured them (the above is not an idle statement, but the result of careful investigation).

You can do the same thing. If you are in doubt as to whether you have trouble with your kidneys or bladder, put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment, or a milky, cloudy appearance, if it is rosy or stringy, pale or discolored, you should lose no time in taking Dr. David Kennedy's Favorite Remedy; it can be had at all druggists at \$1.00 a large bottle, or six bottles for \$5.00. It is without question the surest medicine of the age to put a stop to such dangerous symptoms as pain in the back, a frequent desire to urinate, especially at night, scalding, burning pain in passing water, inability to hold urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer.

Send your full name and address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and be sure to mention the COLUMBIAN, when a trial bottle, with pamphlet of valuable medical advice, will be mailed to you absolutely free. The publisher of this paper guarantees the genuineness of this liberal offer.
