So the falling of the hair tells of the approach of age and declining power.

No matter how barren the tree nor how leafless it may seem, you confidently expect leaves again. And why? Because there is life at the

Reduced Steamship Rates.

Delegates to the International Commercial Congress are Allowed a Preferential Fare.

Arrangements are nearing completion with various stea nship lines arriving in this country for the transportation of foreign delegates to the International Commercial Congress at reduced rates. To date no less than twenty lines playing between this and ports in Europe and Central and South America and West Indies have agreed to give exceptionally low rates to delegates showing their credentials to the companies' agents when purchasing tickets. The only line yet to hear from is the Pacific Mail Steamship Co., whose vessels touch at Oriental and Australian ports.

The Holland-American line has offered first cabin rates from Rotterdam at \$42.50; the American Line from Southampton, and the Red Star Line from Antwerp, offer 15 per cent. reduction for one way or 25 per cent. on round trip tickets; the Allen Line from Glasgow offers one way rates of \$45.00; the Hamburgh-American Line \$55.00, while the White Star Line, \$55.00 to \$65.00, according to the steamer.

From Argentine and Brazil, the Lamport and Holt, Red Cross and Booth Lines, will make a reduction of This seems like an abundance of transportation, but it is needed from that section. Bermuda, the Antilles and Demerara touched by the Quebec Steamship Co., Cuba reached by the Ward Line will receive a reduction of 331 per cent. on the regular round trip fares. Delegates from Central America, Columbia and Haytian Ports touched by the Atlas Line or the Tweedie Trading Co.'s steamers will get a 25 per cent. reduction.

From Panama or Colon the rates by the Panama Railroad and Steamship Co., will be reduced by 331 per cent. This company in connection Co. and the Compania and American Vapores also offer a 25 per cent. reduction to delegates from South America and West coast ports. The Red D Line from Venezuelan ports will reduce its round trip fare 25 per cent.

The Prince Line from Southern European Ports has not given officially its discount and it, with the Pacific Mail Co,'s, will be printed later. This practically covers the commercial world, and no delegates will be missing on account of lack of cheap transportation.

YANKEE YACHT WINS.

Genesce Outsnilled Beaver Three Straight Races. TORONTO, Aug. 25.-The Canada cup goes to Chicago. Such was the result of the third race for the trophy between Beaver and Genesce, the latter winning by 10 minutes and 47 seconds.

The wind at the start was about south-cast. It was light, blowing about six miles per hour and continued much the same throughout the race, although about l o'clock it looked as if the race would not be finished within the time limit, 5% hours. The breeze, which had died down at this time, freshened up again, how-ever, and the finish was in plenty of time. The race was a victory for the American boat from the very start, and Skipper Jarvis of the Beaver, the Canadian de fender, admitted after the race that Genesee was the better boat in the light breeze that had prevailed throughout the contests.

A certain young man who left this town, about two years ago, and went to Philadelphia was in conversation with a gentleman from Bloomsburg the other day and in a very egotistical manner remarked that he wished that the army of 'jay-hawks'' who came to Philadelphia from Bloomsburg would steer clear of him, because he didn't want his city chums to see him talking to the "rubes." His stride upward must have been lightning, when in this town he was content to associate with almost any old thing. The way a salary of \$18 a week will swell some fellows' heads is a caution.
