Mr. Mc-Kinley knows that his chances for Ohio this year : also, that carrying Ohio this year will add particularly nothing to republican chances of success next year. That is why the situation is so advantageous to democrats. If they can carry Ohio it will practically settle the Presidential election a year ahead, and if they fail to carry it, the failure will not injure the party's prospects. It isn't only from democratic party leaders that good news from Ohio comes. It comes also from long-headed business men, such as Mr. H. Krucken, of Cincinnati, democracy of Ohio has a golden opportunity, in my opinion, to elect its candidates in the coming election. John R. McLean has many elements of strength, but his greatest hope is in the intense dissatisfaction that has grown up against the leaders and policies of the republicans. The chief ington hostility is against Senator Hanna, and tions many and keen are the knaves that will be wielded against him. In fact, the discontent is growing stronger each day, and if a political revolution is not brewing, I am greatly deceived."

WIFE AND HOME ARE GONE.

Unique Sale Which Occurred at Mount Carmel a Few Days Ago.

Mt. Carmel has the unique distinction of being classed among those towns where the buying and selling of human beings is still in vogue. The town is not, as a whole, proud of the distinction, and does not encourage it, yet the fact remains, according to the following story furnished from a reliable source:

A few days ago a man disposed ot his spouse to his brother and the two are now living together on East avenue, that place, and appear to be perfectly contented with the change. The husband is boarding on Railroad street, same place, and says he will never again visit his former home, as that was also part of the deal.

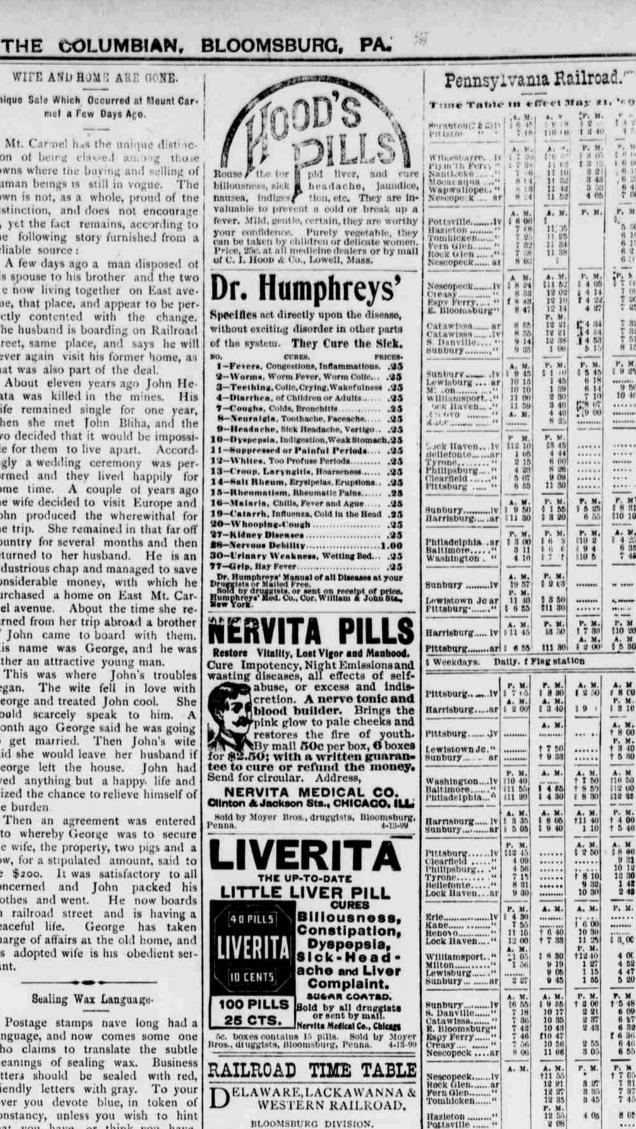

About eleven years ago John Hebata was killed in the mines. His wife remained single for one year, when she met John Bliha, and the two decided that it would be impossible for them to live apart. Accordingly a wedding ceremony was performed and they lived happily for some time. A couple of years ago the wife decided to visit Europe and John produced the wherewithal for the trip. She remained in that far off country for several months and then returned to her husband. He is an industrious chap and managed to save considerable money, with which he purchased a home on East Mt. Carmel avenue. About the time she returned from her trip abroad a brother of John came to board with them. His name was George, and he was rather an attractive young man.

This was where John's troubles began. The wite fell in love with George and treated John cool. She would scarcely speak to him. A month ago George said he was going to get married. Then John's wife said she would leave her husband if George left the house. John had lived anything but a happy. life and seized the chance to relieve himself of the burden.

Then an agreement was entered A decision just rendered by the into whereby George was to secure Pennsylvania Superior Court treats the wife, the property, two pigs and a the question of what is and what is cow, for a stipulated amount, said to not "religious freedom" with a cour- be \$200. [LETTER TO MRS. PINEHAM NO. 18,992]

"DEAR FRIEND-I feel it my duty to express my gratitude and thanks to you for what your medicine has done for me. I was very miserable and losing flesh very fast, had bladder trouble, fluttering pains about the heart and would get so dizzy and suffered with painful menstruation. I was reading in a paper about Lydia E. Pinkham's Vegetable Compound, so I wrote to you and after taking two bottles I felt like a new person. Your Vegetable Compound has entirely cured me and I cannot praise it enough."-MRS. J. O. BARNARD, MILLTOWN, WASHINGTON Co., ME.

"I tried three doctors, and the last one said nothing but an operation would help me. My trouble was profuse flowing; sometimes I would think I would flow to death. I was so weak that the least work would tire me. Reading of so many being cured by your medicine, I made up my mind to write to you for advice, and I am so glad that I did. I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and followed your directions, and am now well and strong. I shall recom-mend your medicine to all, for it saved IowA.
