BUSINESS MEN'S BLAST

AGAINST MAT. QUAY'S MACHINE.

Pennsylvania League Comes Out Squarely in Opposition to Barnett and

Adams.

The Business Men's Republican League, of Philadelphia, placed itself on record last Thursday as opposed ticket and in favor of the election of William T. Creasy, the Democratic candidate for State Treasurer. In an address issued so the people of the chine is arraigned for the placing of candidates in the field who are uning to bolster up the cause of Colonel Quay and his candidacy for the United States Senate and the shortcomings of the last Legislature.

The full text of the address is as follows:

A LAST DESPERATE EFFORT. Notwithstanding this machine's great power, the trend toward better government has given such promise of speedy triumph that in a last desperate effort to avert its overthrow it has taken away from the Republican voters the only remaining means by which it was possible to remedy existing evils by action within the party. It has destroyed the power of the citizen's ballot at the primary elections by the adoption of rule No. 7, which practically disfranchises anti-machine Republicans in Congressional, Senatorial and Judicial districts.

In the past this League has suffered unfit candidates to go unopposed for the sake of party regularity. But the time for such compliance is gone. The head of the machine is forced to the degrading necessity of pleading the statute of limitations to save himself from the penitentiary.

TAX BURDENS MADE HEAVIER. In the interest of the tax escaping corporations and the brewers the appropriations for the public schools are cut down by unconstitutional acts. In the interest of the tax-escaping State's insane wards and hospital pamoney needed for their care. In the interest of the tax-escaping corporations and the brewers the tax burdens of all unfavored citizens have been made heavier.

In the interest of the spoils-hunting machine the cause of civil service reform, to which the Republican party is committed, is abandoned in the machine-made State platform of Penn-
