To the Democratic Voters of Columbia Co.

The election is fifteen days hence, to wit, November 7th, and it behooves every voter to study and consider the important questions which must be decided in this contest between the people and the Quay machine.

The vantage ground is with the Democratic party, owing to the fact that the Democratic ticket is composed of the best men who are before the people this year; men who have not been named because they belong to a machine, but because they have championed the cause of the people.

We therefore urge upon you the importance to vote; see that your neighbor votes, and let there be no stay-at-homes in Columbia county.

The state and county ticket is an exceptional one, and it is the duty, and should be the privilege, not only of Democrats, but of every careful taxpayer, irrespective of party politics, to support the best men.

We, therefore, repeat that the candidates on the Democratic ticket will be elected, because every man named on it is deserving of the support of the people in every way.

C. A. SMALL,
County Chairman.
R. G. F. KSHINKI, } Secy's.
W. A. EVERT, }
October 23, 1899.

The Independent Republicans are doing all and even more than we could expect of them to help us elect Reilly and Creasy. Let us show them that we appreciate their aid, by helping ourselves and polling a rousing vote.

Every Democrat owes it to his party and his citizenship to attend the coming election and urge others to go. A man may say "Well, one vote doesn't count for much," but one vote in each precinct means over 5,000 in the State.

The attempt to get the soldiers out to boom Barnett has proved a flat failure. A few of his men have been hired at five dollars a day and expenses to hippodrome the State, but there is no disguising the fact that he is very unpopular with his men and he knows it.

Democrats, now is the political opportunity of your lives. Every man who desires to see the overthrow of the Quay machine in the State should make an effort to have as many Republicans as possible to vote our ticket. The self-respecting Republicans of the State are with us heart and soul, and let us show them that we appreciate their efforts to help us clean out the gang that has long made the State a disgrace in the eyes of honest men.

It is every citizen's duty to vote. If the man who never votes only when he is coaxed or hauled to the polls were to be deprived of the right of suffrage, he would consider it a severe punishment; but there isn't much difference between the man who cannot vote and the man who can but does not.

"Farmer" Creasy declares that if he is elected State Treasurer he will disregard Stone's veto and pay the school appropriation in full, unless prevented by the Supreme Court. The ablest lawyers of the State consider Stone's veto illegal, and if it is, the Treasurer would be doing his duty to disregard it.

The prospect of electing our ticket this year are excellent and growing better every day. The Philadelphia ballot box stuffers and repeaters will find trouble ahead this fall if they undertake to carry out their usual corrupt methods. With a fair count in Philadelphia and the vote that Democrats will surely give in the country, the machine will be turned down on the 7th of November.

Gen. John Peter Shindel Gobin may always be depended on to hurt the cause he assumes to champion. He made serious trouble for the Quay camp the very first day of the joint session of the last Legislature in his zeal to aid his Boss by unfair means. He is now traveling over the State trying to persuade voters that they should not support Mr. Creasy because he is "only a farmer." Farmer Creasy is not the kind of a man Gobin wants in the office of State Treasurer. He wants a clerk who will obey orders.

Democrats have the enemy on the run, and are sure to carry the coming election, if they do their duty and turn out to vote. The Republicans have been forced to withdraw one of their candidates, because he was accused of being engaged in so many swindling schemes that honest Republicans rose in rebellion. The Quay gang knew what sort of a man he was before he was placed on the ticket, but thought they could force him through, and he then would suit them better than an honest man. Barnett was their choice for Treasurer, because he has been a slave heretofore to do their bidding.

Governor Stone says that there are no State issues this fall. It is not strange that he wants nothing said of his veto of a million dollars of the public school fund, or of his veto of the proposition to allow the people of the State to say whether they want legislation to prevent election frauds which Governor Stone well knows are committed by the thousand every year in Philadelphia. It is also plain why the Governor is sensitive about having anything said about speculating in State funds by the man who escaped the penitentiary on a legal quibble, only to be appointed United States Senator in less than three minutes afterward. Governor Stone will find that the people have something to say as to what are the issues.

Josiah R. Adams, Republican nominee for Justice of the Superior Court on Thursday last withdrew from the ticket. This action on the part of Mr. Adams, of course, made something of a sensation, politically, but it was not at all an unexpected move, to those familiar with the situation. Charges were made against him, which he could not meet. He was forced to retire or suffer an overwhelming and humiliating defeat and he chose the former. The vacancy was filled on Saturday by the nomination of John I. Mitchell, President Judge of the courts of Tioga county. The nomination of Mr. Mitchell is a shrewd political conception, but it is not going to save the remainder of the ticket. The people of Pennsylvania are aroused to the necessity of a radical reform, that will banish the Machine and wrest the state from the grasp of the looters. Adams has gone, the Machine must follow.

Ingham and Newitt Found Guilty.

After forty-eight hours of deliberation, struggling with the evidence and the arguments bearing upon the case against Ellery P. Ingham and Harvey K. Newitt, the jury returned into Court, at Philadelphia, on Friday, with a verdict of guilty. Attached to the verdict was a recommendation to the mercy of the Court. Owing to the fact that the jury had twice, on the previous day, been unable to agree on a verdict, the result, when announced, was a great surprise. The scene which followed the reading of the verdict is described as having been very dramatic.

Immediately A. S. L. Shields, attorney for the defendants, made a motion for a new trial and arrest of judgment. The bail of each was increased from \$20,000 to \$40,000.

"Actions of the Just Smell Sweet."

The fragrance of life is vigor and strength, neither of which can be found in a person whose blood is impure, and whose every breath speaks of internal troubles. Hood's Sarsaparilla purifies, vitalizes and enriches the blood, gives a good appetite and makes the weak strong.

ROUND ABOUT JERSEYTOWN.

M. W. Golder and J. K. Henry paid us a pleasant visit on last Sabbath. Mr. Golder is doing a prosperous business, running a fine mill at Fowlersville, and Henry is employed in the car shops at Berwick.

H. E. Cromley has raised 150 bushels of potatoes on 4th acre—one potato weighing 2½ pounds, and 19 of them filled a half bushel.

C. A. Hartline has been home on a sick vacation from Ashley. He is engaged in the locomotive works there. His many friends wish him good luck in health and restoration to his old situation.

C. E. Kline is home on a visit to his friends in Benton. He has been absent about twenty-five years, doing well in Kansas. His many friends were glad to see him. He says there are immense crops in Kansas.

Peter Rome is fresh from Kansas also, and is engaged in farming and sheep raising. He came in with his friend C. E. Kline. He has met with success in his western home.

More than 6,000 bushels of buckwheat have been shipped from here, to date.

Corn is fair crop, and the weather beautiful.

Alex Billmeyer has an excellent crop of corn. His barns are full to the comb.

Wm. F. Crawford can boast of as fine a lot of pigs as can be found in the county, as he has quite a large number.

Rev. E. Y. Brouse preached an excellent sermon in the M. E. church recently on the "Silent years of Christ." There were \$40 subscribed for a new church.

Dr. Shuman showed us the beauty of fructification recently—a tree laden with beautiful pears. He took from it almost 5 bushel and the tree has borne three crops.

P. E. Mowrer of Strawberry Ridge, inserted pumps in our vicinity on Saturday last. He has been engaged for the last twenty years selling agricultural implements, he has the territory of seventeen counties and is doing well.

Vincent Farver and Ami Pegg of Berwick, visited Jerseytown on their bicycles on Sunday last and dined at Hotel Crawford. They report Berwick booming.

John Zimmerman and Ivison Conner of Danville, made our town a very pleasant visit on last Sunday. They are young farmers of J. R. Bennett, Castle Grove. They are very pleasant gentlemen, and made many new friends in Jerseytown. They are welcomed here at any time.

Mr. B. F. Fruit has been confined to his home for a long time on account of sickness.

Chas. F. Esterbrooks was damaged by a young bull four weeks ago, owned by S. S. Lowery—one rib cracked on left side which has proved a serious injury, and is now slowly recovering and able to be about and attend to business.
