

ALMOST TO BLOWS

A Hot Time in the Cœur d'Alene Investigation.

Threat to Throw Idaho Attorney Out of Window.

Chairman Hull and Mr. Lentz Exchange Compliments in Vigorous Terms.

WASHINGTON, March 28.—The fifth day of Governor Steunenberg's testimony in the Cœur d'Alene investigation began today. Representative Lentz continued the cross questioning. The governor said he had been in the Cœur d'Alene region during two days in February before coming here. There were three state deputies on duty at that time and Dr. France, who has been in the service of the state continuously throughout the trouble. On one of his previous visits he talked with Stimson, one of the imprisoned men. He had been told by Dr. France that there was evidence connecting Stimson with the conspiracy; that on April 15, prior to the blowing up of the mill, Stimson had told a certain individual to get out of Wardner, as there was going to be trouble. The governor detailed a number of visits to San Francisco, Spokane and elsewhere, during which, he said, he met officials of the various mines. At a meeting at Spokane he told the mine owners there would be no modification of the permit system. The mine owners were opposed to this system and wanted to employ any men they chose. But the governor said he informed them that the state of Idaho would not permit the employment of criminals. He had made no statement as to how long the permit system would continue; but, he said, he intended to enforce it as long as it seemed necessary to insure order. Mr. Lentz asked if this meant that the governor would do as he pleased on the subject, to which the witness replied that he would do as his judgment dictated. If the permit system had resulted in a loss to the miners of \$500,000, as Mr. Lentz stated, the governor said he did not care for that, as it was a necessary recourse by the state. "Like Louis XIV, you are the state," remarked Mr. Lentz.

Mr. Lentz's allusion to Louis XIV caused a prolonged discussion, during which a sensational episode occurred. Representative Lentz asserted that some of the state deputies were living with respectable women. Mr. Cheney, the attorney appearing in behalf of the state of Idaho, interposed a protest and said: "I hurl back at you that statement. The deputies are reputable men."

Mr. Lentz indignantly resented the interference of private counsel, and, addressing the attorney, said, "You ought to be kicked out of the window, and you would be if you had not the majority of this committee behind you."

When Mr. Lentz attempted to read from previous testimony concerning the improper conduct of deputies, Chairman Hull overruled this course. This further nettled Mr. Lentz, and addressing Mr. Hull he exclaimed, "I want to say to your teeth that if you are a party to protecting this attorney in a lie you are a party to it."

Amid much confusion Chairman Hull declared that Mr. Lentz had insulted the committee and its members as far as he could, and it would have to be stopped. Representative May rose to say that the attorney had better not give the lie to him, and Representative Cox added, "If any man insults me, I'll hit him."

Mr. Lentz asked the chairman why he did not call the attorney to order. "He was out of order—entirely out of order," ruled Mr. Hull emphatically. Mr. Cox said that when the attorney accused a member of the committee of falsehood he forfeited his right to appear. "If he says that to me," added Mr. Cox, "one or the other of us goes out of the window."

Representative Jett of Illinois said that as a means of protecting the committee he would move that the attorney be expelled from the committee room. Many members were on their feet trying to secure recognition when Mr. Jett made his motion. Before taking action the committee gave Mr. Cheney an opportunity to be heard. He explained that he did not intend to say that Mr. Lentz had told a falsehood, but simply to deny the statement that the Idaho deputies lived with respectable women. He apologized for any misapprehension. Mr. Cox remarked that a man must either "fight or apologize" in such case, and the apology settled it. Mr. Jett withdrew his motion for expulsion, and the outbreak was brought to a close. Governor Steunenberg then proceeded with his testimony. He said he had recently received a petition addressed to the secretary of war concerning the retention of the United States troops in the Cœur d'Alene district. He disclaimed any knowledge of men being discharged for refusing to sign the petition or of state deputies circulating the petition. The committee then adjourned until tomorrow, when Governor Steunenberg will continue his evidence. While the members were separating after adjournment Chairman Hull said to Mr. Lentz that the latter's personal attacks on him had gone as far as they could and if they were renewed "the room will not be big enough to hold us."

Mr. Lentz replied that he would take care of himself. The intense feeling aroused was manifest long after the proceedings closed.

"These men are not officially recognized as chaplains, but as ministers and Young Men's Christian association workers they voluntarily and unofficially do practically the same work. Miss Gould, it is stated, pays each of these men \$90 a month and their expenses. The latter amount to

more than the salaries in the Philippines. It is thought that Miss Gould's monthly payment is something like \$2,000. "I am well pleased with your medicines," writes John A. Calloway, Esq., of No. 218 24th St., Columbus, Ga. "In 1894 I was working at night and broke out in lumps all over, and when these left the skin peeled off. I took six bottles of 'Golden Medical Discovery' and two of Doctor Pierce's Pellets, and I do believe that I am sound and well. I have a good appetite, but before I commenced treatment had no appetite at all. My eyes were sunken and my face was pale. I had pimples and brown spots on my face. Now these are all gone. I have used many kinds of medicines but received no benefit. Last year I weighed one hundred and thirty-four pounds, and now I weigh one hundred and forty-five. Please accept my thanks. I am so glad I found the right kind of medicine."

AN IMPORTANT TEST.

Your Life May be Prolonged by Applying It.

Do you realize the importance of the kidneys and bladder? When diseased they make a lot of trouble—tear down the system and create gravel (stone in the bladder). Women often suffer from so-called "female weakness" when their trouble really lies with the kidney and bladder. Try this test: Put some urine in a tumbler. Let it stand twenty-four hours. If there is a sediment, a cloudy or milky appearance, your kidneys are sick. If you are obliged to urinate often, especially during the night; if your urine stains linen, if you have scalding pains in passing it, if your back pains you, your bladder and kidneys are diseased, and you should at once take the greatest of all kidney medicines, Dr. David Kennedy's Favorite Remedy. It has cured the most distressing cases; it will cure you.

It corrects the bad effects of beer or whiskey, will cure old and chronic cases of rheumatism and dyspepsia and acts gently yet promptly on the bowels. Favorite Remedy is sold for one dollar a bottle at all drug stores.

You may have a trial bottle of Favorite Remedy with a pamphlet of valuable medical advice sent free by mail postpaid, by sending your address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mentioning the COLUMBIAN. The proprietor of this paper guarantees the genuineness of this liberal offer.

The naked truth is usually a cold fact.
