Traveled With Broken Neck. NEW YORK, June 19.—Walter E. Duryea, son of Edgar E. Duryea, the starch manufacturer of Glen Cove, left Roosevelt hospital yesterday after a stay of ten months. It was last August that Mr. Duryea, while diving at his country home at Oyster Bay, mistook the depth of the water and broke his neck by striking his head against the sandy bottom two feet under the surface. At the hospital on Sept. 19 Dr. Robert Abbe cut away the broken vertebrae and after the operation declared that it would only be by a miracle that Mr. Duryea could pull through. The patient has gradually regained control of his paralyzed limbs, and yesterday, when he left the hospital, it was said that he had a good chance of regaining his strength and health. Mr. Duryea was taken to the Dansville (N. Y.) sanitarium.

Italian Cabinet Crisis. ROME, June 19.—In the chamber of deputies yesterday the premier, General Pelloux, announced that the cabinet had resigned owing to the deadlock arising from the opposition's uncompromising attitude on the question of the rules of procedure. The house adjourned pending the formation of a new ministry.

"More haste, less speed," and "hasten slowly," are proverbs born of experience that some things can't be hurried without loss and waste. That is especially true of eating. The railway lunch habit, "five minutes for refreshments," is a habit most disastrous to health. You may hurry your eating. You can't hurry your digestion, and the neglect to allow proper time for this important function is the beginning of sorrows to many a busy man. When the tongue is foul, the head aches, when there are sour or bitter risings, undue fullness after eating, hot flushes, irritability, nervousness, if resolution, cold extremities, and other annoying symptoms, be sure the stomach and organs of digestion and nutrition have "broken down." Nothing will re-establish them in active health by operation so quickly as Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, nourishes the nerves, purifies the blood, and builds up the body. It is a strictly temperance medicine, containing no alcohol or other intoxicant.

Given away. Dr. Pierce's great work, the People's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for cloth binding, to Dr. R. V. Pierce, Buffalo, N. Y.

"These are the best spring mattresses," remarked the polite salesman. "Oh, they won't do at all," replied Mrs. Newlywed, "I want summer ones."

DISTRESSING STOMACH DISEASE—Permanently cured by the masterly cover of South American Nervine Tonic. Invalids need suffer no longer, because this great remedy can cure them all. It is a cure for the whole world of stomach weakness and indigestion. The cure begins with the first dose. The relief it brings is marvellous and surprising. It makes no failure; never disappoints. No matter how long you have suffered, your cure is certain under the use of this great health-giving force. Pleasant and always safe. Sold by C. A.
