Philo Reunion.

The Philos had a good time at tneir reunion last Thursday at the Normal. Many of the graduate members returned for the occasion. The concert in the evening by the New York Ladies' Trio and Miss Carll Smith, contralto, was the crowning feature of the day. They are all artists and their playing was highly enjoyable, though if we were to criticise we should say that a little let up from high-class selections in the program would have added to its popularity. After the concert a reception was held in the Gym. which was very prettily decorated. There were games, nusic by the orchestra, and other ways of entertaining the guests. Hearing in freight train a few miles east of Suisun, on the Southern Pacific road, yesterday, and in the wreck which followed eight men were killed and 20 more injured, many of them seriously. From the mea-ger reports received it appears that the freight train had the right of way and was running at full speed in order to meet and pass another freight at Suisun, The work train should have been on a siding and was making for it at a good rate of speed when it collided with the freight. At the time there was a heavy fog prevailing, and it was possible to discern objects for only a short distance, so the shock of the colliding trains was terrific.
