#### BETTER THAN SPANKING.

New Method of Discipline Adopted at the Chicago Bridewell Proves Very Efficacious,

"Plowing" has taken the place of spanking as a disciplinary method at the Chicago bridewell. The new punishment is not agricultural, but the boys who have "worked time" steadily for an hour or two say it has all the cortures of a day's tramp behind the

In the large drill room, next to the manual-training department, "plowing" is done and the youthful prisoners have dubbed it the "plowing room." The inds who are to be punished are brought into the room and placed in single file. The guard then orders them to stand erect with their hands clusped behind their backs.

NEW CHICAGO PUNISHMENT. (Boy Prisoners Mark Time for Hours and Call It "Plowing.")

Then the order to march is given. A continual "tramp, tramp" is kept up and no talking or whispering allowed. That is more easily accomplished from the fact that not more than six or seven boys are disciplined at any one time, and they are forced to keep at least

Two boys who were working in down-town establishments lost their positions and while seeking new jobs were thrown out of home and in a short time the parents ran them through the court by swearing to almost anything only to saddle the care of the boys upon the state."

#### JOSEPH RALPH BURTON.

New Senator for Kansas Is Noted for His Determination, Pugnacity and Rare Eloquence.

Joseph Ralph Burton, the next United States senator from Kansas, is an Indianian. He is 47 years old and has lived in Kansas since 1875. His home is Abilene, and he is a lawyer. He is the best known orator in that state, and is in demand all over the west. During the past campaign he spoke in 100 counties of his state, and for 2 years he has spent two to four month in every campaign. He is eloquent and impressive on the stump, and won hi election by his voice. Six years ago h

was defeated in the cauens by only on vote, and at once went to work for thi election, now nearing the goal fo which he has been for 12 years an avowed seeker. He will be as eloquent in the senate as was the late Senator Ingalls, but perhaps will not have the biting sareasm that made the latter so noted. Mrs. Burton has traveled with her husband on all his speechmaking tours and has done much to assist him . to win. They have no children.

King is an Early Riser.

King Victor Emmanuel of Italy is an early riser. One morning recently at eight o'clock he arrived unexpectedly at the office of administration of the royal household, which is situated opposite the palace. He found one servant dusting and sweeping. The king lighted a cigarette and walked up and down, waiting. At 9:30 the first elerk arrived. The king asked at what hour the employes were expected to be at the office. "At eight o'clock, your majesty," replied the embarrassed of-ficial. "And now it is 9:30," remarked ficial. "And now it is 9:30," remarked the king, taking up his hat and leaving the premises. Since then all the clerks and officials make their appearance officials make their appearance officials make their appearance of the clerks are constructed by the clerk of promptly at eight o'clock.
