CAPTURE OF AGUINALDO DOUBTED.

American Trick-Commission Resumes Organization of Civil Governments.

MANILA, June 5 .- Guevarra, adjutant to General Cailles, had a three hours' interview with Aguinaldo yesterday. He said that Callles did not believe that Aguinaldo had been captured and consequently issued a proclamation character-izing Aguinaldo's address to the Filipino people as an American trick. Aguinaldo, through Guevarra, advised + ailles to sur-render immediately. After this inter-view General Wilde and General Summer informed Guevarra that Cailles must notify the latter at Pagsanjan not later than next Monday of his decision in the matter. The American generals declin-ed to guarantee that Cailles would not be prosecuted

General Trias, in company with Senor Luchan, brother of the insurgent leader still operating in Samar, has gone to Samar island and will attempt to induce Luchan to surrender.

Some of the leaders of the Federal party have prepared a resolution in which it is declared that the party will disband unless the United States civil commission reappoints several Filipino judges who have recently been removed from office. Upon the advice of the more rational members of the party as well as certain American authorities the resolution was not presented. The wisest of the Federal leaders are convinced of the lack of wisdom in forcing discord, especially at a time when the administration at Washington is about to confer general civil government in the archipelago.

The commission today resumed the organization of civil governments in the provinces. A bill has been prepared creating 14 judicial circuits. The salaries of the circuit judges range from \$3,-500 to \$5,000 a year. Judge Bates and Judge Ladd will probably be assigned to the circuits of Hoilo and Cebu respective-

General Sumner says that 2,000 rifles have been captured or surrendered during the last two months in the provinces of Laguna, Tayabas, Batangas and Ca-

It has been decided to begin the occu-pation of the island of Mindoro with three companies of the Ninth regiment, which has just arrived from China.

The American Lawyers' association has addressed a memorial to the Philippine commission in behalf of the use of the English language in courts of justice.

was at the White House an hour and a half last evening, and on leaving at half | Name, past 10, in answer to inquiries concerning Mrs. McKinley's condition, said: "There been no important change in Mrs. McKinley's condition. She is resting very comfortably. Of course there are fluctuations in her condition. At times she is better and at times worse, but she is cer-tainly not losing any ground. In fact, she is possibly gaining very slowly. There is no more immediate danger than there has been for some time." One of the president's visitors said that it was conceded that Mrs. McKinley was in a very grave condition. There was hope of the outcome, he said, but it was a very slender hope.
