RUSSIA'S PROPOSAL.

M. de Witte's Offer Cannot Be Accepted.

LATEST PHASE OF THE TARIFF WAR.

The Czar's Minister of Finance Willing to Vacate All Additional Duties on American Goods if We Will Vacate Action on Sugar.

WASHINGTON, July 10.-Another important exchange has occurred between the Russian government and the United States relative to the tariff. The Russian minister of finance, M. de Witte, has proposed that Russia will vacate all of the additional duties levied on American goods since the imposition of the sugar differential if the United States will vacate its action on the sugar differential. To this Secretary Gage has replied that the offer of the Russian government cannot be accepted, as the question of the sugar differential is now in the hands of the court, thus precluding action by the executive branch. These exchanges, al-though made nominally by the minister of finance and Secretary Gage, have gone through the medium of the Russian foreign office and the state department.

The proposition of the Russian minister of finance was the direct result of Secretary Hay's note of about two weeks ago In that note Mr. Hay pointed out that the action taken as to petroleum was not new, nor was it meant to have any con nection with the previous action of the government on sugar. This appears to have reconciled the Russian officials in their view that the petroleum order was only another step in the policy previously taken respecting sugar.

Accordingly M. de Witte's response was communicated to Washington, Count Lamsdorf forwarding it to M. de Wollant, the Russian charge here. It is not long, but is quite to the point. It makes no further issue as to the petroleum or-The chief attention is given to sugar, and the specific offer is made to vacate immediately the increased duties which Russia has levied if the United States will vacate its action on sugar. This would amount to re-establishing the status quo which existed before the United States took its initial action relative to

The plan contemplates a great gathering of lumber dealers from all parts of the western hemisphere. Yesterday's attendance

For a Governor's House In Samoa. WASHINGTON, July 9.—The secretary of the navy has allotted \$15,000 for building a governor's house at Pago Pago harbor, in Samon. Commander Tilley, the governor of that station, is now in Washington and has been going over the needs of the station. Besides this amount some \$200,000 will be spent in coaling piers and warehouses and in improving the general conditions of the station. About 15 acres of additional land also will be bought at a cost of \$25,000, and with the land already owned the naval station will have a sweep of a mile or more along the most desirable portion of this fine harbor.

Rublin Too Much For Bob.

NEW YORK, July 10.-Gus Ruhlin and Bob Fitzsimmons in a Greco-Roman wrestling bout attracted 2,500 people to Madison Square Garden last night. Ruhlin was both eleverer and heavier than the Cornishman and won two falls in succession, with a quarter of an hour's rest between them. Ruhlin showed that he knew a great deal more about the rame than Fitzsimmons did, and it was the latter's agility which prevented his being thrown much more quickly.

MOTHERHOOD

Is a natural instinct which shows itself in the girl as soon as she is big enough to play the mother to her doll. Unfortunately the womanly health does not always keep pace with the motherly instinct, and when
