removed a slight disturbance developed which made necessary the opening of the wound. The doctors seek to allay all apprehension by the positive statement that this incident cannot give rise to other complications...

OPERATION ON PRESIDENT. How the Wounds in the Stomach Were Sutured.

BUFFALO, Sept. 9.—The Express today says regarding the first operation performed on the president: "The operation performed at the Emergency hospital left no need for a second operation to follow it almost immediately."

"It was performed by Dr. Matthew D. Mann, his first assistant was Dr. Herman Myer, his second assistant was Dr. John Parmenter, his third assistant was Dr. Lee of St. Louis, who happened to be on the exposition grounds at the time and placed his services at the disposal of the president."

"The operation lasted almost an hour. A cut about five inches long was made. It was found necessary to turn up the stomach of the president in order to trace the course of the bullet."

"Moreover, subsequent developments tend to show that this feature of the operation was grandly successful and that none of the contents of the stomach entered the abdominal cavity."

Doubts and Difficulties.

He—One cannot always tell whether a girl means what she says. She—And one cannot always tell whether a man cares whether she means what she says.—Puck.

Well, Why Not? She—Do you think love always finds a way? He—No. Very often it's the girl.—Chicago Record-Herald.

A Severe Criticism. "How do you think Edith Many-sunners looks with her new beau?" "As if she might be a mother to him."—Chicago Journal.

Doctors not seldom give up a case, but a mother never does. While life lasts, while there is a spark of vitality which love's labor may fan into a flame, she toils untiringly for the child she brought into the world.

"Golden Medical Discovery" contains no alcohol and it is absolutely free from opium, cocaine and all other narcotics. It is a true temperance medicine.

"My sister (of Arlington, Washington Co., Neb.) was taken very sick and had several doctors," writes Mrs. C. L. Harrison of Elk City, Kansas, Neb. "They could not do her any good, and told my mother they would not come any more as no doctor could help her."

"Well, I almost know that Dr. Pierce's medicine will cure her." So she bought six bottles of "Golden Medical Discovery" three of "Favorite Prescription," and some of the "Pellagra," and now my sister is a well woman. Write me for your medicine."
