MURPHY CHOSEN IN NEW JERSEY.

Benry Vote In Massachusetts-Crane Again Chosen-Large Majority For Cummins in lown-Light Vote For Gregory In Rhode Island.

COLUMBUS, O., Nov. 6.-Latest returns indicate Republican gains in Cincinnati, Cleveland, Toledo, Dayton, Zanesville, Portsmouth, Canton, Springfield and other cities, the single exception being Columbus, the home of both Governor Nash and Colonel James Kilbourne, the Democratic candidate for governor.

The greatest Republican gains are outside of the large cities. Some of the Democratic countles report the largest Republican gains. Another exception in the rural districts was found in Pike and Adams counties, which jointly elected a Democratic member of the legislature for the first time in eight

The Democratic state committee has no claims to make on the state ticket or the legislature. Colonel Kilbourne said he felt better over carrying his home of Franklin county with a Democratic gain of over 3,000 than if he had been elected governor without carrying Franklin county. Chairman Dick at 10 o'clock gave out a statement that the Republicans had carried the state by over 50,000, with a decisive majority in each branch of the legislature.

CRANE RE-ELECTED.

A Large Vote In the Bay State For an Off Year.

BOSTON, Nov. 6.-With no state or national issues and but few local contests to arouse interest, there were more ballots cast in the state election the state. The total vote exceeded of Jersey City.

As usual, the Republicans had no difficulty in carrying the state, W. Murray Crane of Dalton being elected governor for the third time by practically the same majority as when he first ran for the office in 1899.

The state legislature of 1902 will be strongly Republican, although the Democrats gained a few votes. Josiah Quincy, the Democratic candidate for governor, ran about 10,000 behind the vote cast for the party candidate in the presidential election last year, but he so materially increased the Democratic vote in Boston as to give the local leaders great confidence for a party victory in the municipal election next month.

The Vote In Pennsylvania. PHILADELPHIA, Nov. 6 .- Notwithstanding the intense interest the election in this city was conducted generally in an orderly manner. There were, however, numerous disputes at polling places, and in a number of instances the disputants came away with broken heads, but no very serious rows occurred anywhere. The regular Republicans and the fusionists charge each other with wholesale fraud and promise cured in the valley of the Green river to make numerous arrests. There were invariants for violations of the election laws, but in marly every case the offender was promptly bailed out by political friends. The polls did not close until 7 o'clock, and returns came to the various political headquarters very late. In the absence of sufficient figures the city chairmen of the several political parties continue to claim that their candidates have carried the city. Scattering returns indicate that Potter (Rep.) for supreme court is being cut to some extent all over the state. Returns are unusually slow and very late. The counting of the vote on the proposed constitutional amendments in the interest of ballot reform adds to the work of the election officers. The Republican city chairman claims the election of Weaver by from 35,000 to 50,000 plurality.

The Election In Mississippi. JACKSON, Miss., Nov. 6. - The weather was clear and cold, but as only the offices of state treasurer and secretary of state were to be filled little interest was manifested in the election. Private telegrams from the larger towns indicate that the temporary incumbents, George W. Carlisle and Joseph W. Powers, who are appointees of Governor Longino, have been elected state treasurer and secretary of state respectively. Full returns will not be received for a day or two, as numerous precincts are off the railroads and without telephone connections. All the candidates were Demo-

Nebraska Republican. LINCOLN, Neb., Nov. 6.—Indications based on scattering precinct returns are that Nebraska has reaffirmed her verdict of last year in favor of the Republicans. Figures, mainly from the smaller towns and a few country districts, show a Republican gain of 4 to the precinct over a year ago, when the average Republican majority was ,800. If these gains are sustained, Sedgwick (Rep.), for supreme court justice, will carry the state by from 6,000 to 10,000. At Republican headquarters the claim is made of 10,000, but the indecisiveness of the figures s admitted.

lowa's Large Plurality For Cummins DES MOINES, Ia., Nov. 6.—Returns from this state came in very slowly, the polls having been held open until 7 welock in most precincts. The figures generally show a Republican gain which, if continued in the same ratio, will make about 31,000 net Republican gain in the state and give Cummins, for evernor, a plurality of 87,000.

Maryland Elections. BALTIMORE, Nov. 6.-Returns at

hand show a tremendous falling off in the vote both in the city and the counties and indicate that the Democrats have been victorious in both city and state, although it is impossible to give any figures because of the meager returns. It seems highly probable that no more than 75,000 votes have been polled in Baltimore as against 110,000 cast two years ago at the municipal elections.

MURPHY ELECTED.

Indications Point to Republican Plu-

rality in New Jersey of 7,000. NEWARK, N. J., Nov. 6 .- The returns received from all points in the state indicate that Murphy, Republican, for governor, has been elected and that the election is now simply a matter of plurality. The returns thus far received indicate that Murphy will have a larger plurality in the state than Voorhees did three years ago. The Republicans claim the state by 10,000.

FRANKLIN MURPHY.

The returns thus far indicate the election of Murphy by at least 7,000.

The returns show that Seymour Democrat, for governor, carried Hudson county by 6,000 to 8,000 and that than in any off year in the history of Fagan, Republican, was elected mayor

In this city Seymour lost his own district. The vote stood: Murphy, 348;

Seymour, 197. Essex county went for Murphy by probably 8,000. The Democratic county committee "lay down" and did nothing

for Seymour. Light Vote In Rhode Island. PROVIDENCE, R. I., Nov. 6.-It is generally conceded that Governor Greg-ory and the Republican state ticket are Bloomsburg Land Improvement Co., elected by a plurality of about 5,000. This is a loss of some 3,000 from last year. The vote polled through the state

was light. Democrats Won In Virginia. RICHMOND, Va., Nov. 6.-Returns are coming in slowly and are insufficient on which to base majorities, but all indications point to victory for the Democrats.

A Boer Colony In Wyoming.

CHEYENNE, Wy., Nov. 1 .- A number of Hague bankers and other wealthy men of Holland are making arrangements to establish a colony of Boers and Holland Dutch in Wyoming. A tract of 300,000 acres has been sein Sweetwater county, southern Wyoming. Surveys have been made for a gigantic canal and irrigation system, and construction is to be commenced at once. The prospective settlers are now being brought over to do the work. Tests have been made which show that the soil is especially well adapted for beet sugar culture, and a large beet sugar factory will be established in the colony.

IN THE WINTER.

(Benson's Plaster is Pain's Master.) For coughs and colds Benson's Poron Plasters are an incomparably better remedy than any other—external or internal

edy than any other—external or internal. Their medicinal properties enter the skin and go straight to the seat of the disease.

They relieve and cure a "seated" cold without disturbing the system or upsetting the stomach. Cough mixtures often nauseate. Benson's Plasters are medicinal in the highest degree, and quickest to act.

Placed on the chest or back or on both at once in serious cases, the good effect is feltimmediately. The congestion yields, the cough abates and the breathing improves.

Lung or bronchial affections or kidney disease, are cured with the least possible

disease, are cured with the least possible suffering and loss of time. Benson's Plasters are immeasurably su-

perior to Belladonna, Strengthening, Capicum or any other combination in plaster form. They are also preferable to oint-ments, liniments and salves. Benson's Plasters have received fifty-five

highest awards over all competitors; and more than 5,000 physicians and druggists have declared them to be one of the few trustworthy household remedies. For sale by all druggists, or we will prepay postage on any number ordered in the United States on receipt of 25c. each. Be sure you get the genuine. Accept no imitation or substitute.

Seabury & Johnson, Mfg. Chemists, N.Y.

Cresceus Fails Again. MINNEAPOLIS, Nov. 1 .- Cresceus, driven by George H. Ketcham, failed to break his own record of 2:02%, going the mile in 2:051/2. Cresceus, however, lowered the state record one and a half seconds.

Zero Weather In Nebraska. LINCOLN, Neb., Nov. 5. - Zero weather is reported at Alliance, in northwestern Nebraska. There has been a light fall of snow in the eastern part of the state, with prospects of

Moscow and Vindivostok United. LONDON, Nov. 4.- The last rails of the line connecting Moscow and Vladivostok, according to a dispatch from St. Petersburg to The Daily Mail, will be laid today.
